EXAMINATION POLICY

I. Purpose

The Purpose of the Policy

- To guarantee that exams are planned and managed effectively, serving the interests of students, staff and the institution.
- To provide clear guidelines for all staff about the examination system.

It is the responsibility of everyone involved in the examination processes to read, understand and implement this policy.

If necessary, the examination policy may be reviewed annually by the Principal, the Chief Superintendent (if nominated by the Principal), and Head of the Departments of all the Departments.

II. Examination Responsibilities

Principal / Chief Superintendent:

- Administration of Semester Examinations and Continuous Internal Assessments.
- Instructing the Head of the Departments, Class Teachers, Office Superintendent and other office and supportive staff about Internal and Semester examination timetables and procedures as set by the College / University.
- Keeping staff members informed about upcoming deadlines and events on a regular basis.
- Publishing the annual exam calendar in the college website
- Ensuring students and their parents are informed of and understand the components of the examination schedule.
- Confirming with teaching staff that the prescribed syllabus and all other academic assessments are completed on time in accordance with University guidelines.
- Guaranteeing the receipt, verification and storing confidentially all question papers and completed answer scripts for semester examinations.
- Designating external exam invigilators from nearby colleges, for University

examination with consent letter received from the respective Colleges

- Appointing the external examiners for University Practical / Project examinations as per University guidelines.
- Invigilators' remuneration shall be paid as per the University guidelines for the External Examinations and the same may be managed with the advance from the University / College.
- Keeping the income and expenditures of semester examination costs / charges and submitting the same to the University within the stipulated time.
- Assembling and validating the timetables for the Continuous Internal Assessment and promptly disseminating the same to the students and staff of the College
- On-time entry of students' internal assessment marks in the University portal.
- Overseeing the result analysis of the College and counselling the students for improving their performance in the examinations.
- Overseeing the dissemination and publication of results.
- Addressing any issues that may arise in the conduct of examinations in the College
- Responsible for handling late or absent students on examination days

Heads of Departments / Faculty

- Ensuring that all examination entries are processed timely and effectively
- Accurately completing internal mark sheets and making the required entries in the assessment record.
- Analysing the Continuous Internal Assessments and University Examination results and implementing additional measures to optimise the students' performance.
- Facilitating order and discipline among the students during the examinations

Subject Teachers

- Providing students with timely information on the schedule for the semester exams and Continuous Internal Assessments.
- Alerting the Head of the Departments and Principal / Chief Superintendent of the need for special assistance and arrangements for differently / physically challenged students.
- Completing and verifying all exam-related documentation (internal mark entries, internal answer script evaluation, and assessment record maintenance) on schedule.

Invigilators

- Collecting of examination papers and other examination related materials from the Examination Office by the time specified before the commencement of the examination.
- Ensuring the students occupy the designated seats in the allotted halls.
- Gathering all examination papers, sorting them into order, and making sure they are returned to the Examinations Office at the conclusion of the exam.

III. Examination Committee

The Examination Committee shall consist of the following members:

1. Principal
2. Chief Superintendent (if appointed / nominated)
3. Heads of Departments
4. Office Superintendent
5. Staff Representative
6. Supportive Staff Representative

IV. Malpractice

- The University guidelines shall be strictly followed when cases of malpractice are identified.
- The Principal / Chief Superintendent is responsible for investigating suspected malpractice, informing the same to the University and helping with the investigation.
- Staff committing malpractice shall be dealt with in accordance with the University guidelines and / or as prescribed by the management of the College.

V. Receipt and Storage of Exam Papers

- The University examination question papers and answer scripts are stored in a secure room.
- All materials will be signed by the Principal / Chief Superintendent, on arrival at the College.
- The record will be updated when materials need to be signed out of the secure storage area.
- Exam materials will be returned to the secure storage area once exams are finished in order to be ready for the University's safe and secure exam pick-up service. When the secure pick-up service arrives on location, these will then be signed out once more.

VI. Examination Days

- All the rooms with seating arrangements must be prepared at least one day in advance of the commencement of the examination.
- All exam rooms will be reserved by the Principal or Chief Superintendent, who will also split the question papers, other examination stationery and materials available for the invigilators.
- In compliance with university protocols, the Principal / Chief Superintendent will initiate all exams.
- Only the Principal / Chief Superintendent and allotted Invigilators may enter the examination room whilst the examination is in progress.
- Subject teachers might be available during practical exams to assist with any technical issues. Subject teachers are not permitted to read exam papers or remove them from the examination room prior to the conclusion of a session.

VII. Students

- Students apply through online for semester examination.
- Hall tickets can be downloaded from the University website prior to the examination
- Hall tickets and College ID cards shall be brought by the students for admission in the examination hall.
- Students shall report to the examination hall ten minutes prior to the commencement of examination, and who are late more than half an hour from the commencement time shall not be permitted for the examination
- Students are expected to stay for the full examination time. Disruptive students are dealt with in accordance with the University guidelines.
- Students may only leave the examination room for a genuine purpose during the hours of the examination with permission from the Invigilator and return immediately to the examination room; while out of the examination hall, they must be accompanied by a staff at all times.

IX. Continuous Internal Assessments

- CIAs are conducted three times in a semester. The average of the best two marks is considered for internal scoring. The duration is one hours for each test.
- The exam schedule for all the six Internal Tests for both the semesters is notified in the college academic calendar in the beginning of the academic year.
- The exam committee plans, organises and conducts exams
- The question Papers are submitted to the controller of examination prior to a week.

- The answer sheets are valued and the progress report is issued within a week from the date of the last exam for parents' signature

X. Internal Assessments and Appeals

- Students view their answer scripts for the internal assessments, and the subject teacher provides feedback and direction based on those responses.
- The subject teachers show the answer script and get them signed from the students and provide guidance according to their performance.
- Students can address the concerned teacher and provide clarification if they have any complaints regarding assessments.
- The student may approach the Head of the Departments, explain the situation, and request a resolution if they are not satisfied.
- A written representation can be made by the student to the Principal if the issue is still unresolved.
- In order to find a fair settlement to the grievance, the principal may review the matter in consultation with the concerned Head of the Departments and the teacher(s), and if required, seek the advice of a few other teachers. In extreme circumstances, a committee may be formed to investigate the issue and provide recommendations for action.

XI. Results and Enquiries about Results

- The university will send each student an SMS with their results, and the results will also be accessible via the university website.
- Students should contact their individual Head of the Departments in case of a WWW (Withheld) result or any other issues. The Head of the Departments will then contact the Principal / Chief Superintendent seeking to take adequate steps for the resolution of the issues.

CAP (Career, Academic & Physical) Building Project

CAP (Career, Academic & Physical) Building Project for Students

A. Title of the Practice

CAP (Career, Academic & Physical) Building Project

B. Goal

To make career, academic and physical development of the students so that they should become ideal citizens by imbibing moral values.

C. The Practice

The college started CAP project with the help of society by keeping in mind the Vision and Mission of the institution.

Need of the Practice

To make overall development of the students to earn his livelihood and to make the responsible citizen of the country.

In this project, seven wings are formed as-

1. Career Academy
2. Sport Academy
3. CERT (Central Education Research & Training)
4. Beautification & Maintenance
5. Extension Services
6. Village Building
7. Alumni Welfare.

For character, academic and physical building of students houses are created which contribute for students' all-round development. In each wing, individual coordinator is appointed who gives motivation to the faculty and students which helps to improve their performance. An evaluation scale has been made for measuring the performance of each wing. After every month, principal of the college takes review of these coordinators and give suggestions from time to time. Through this project regular evaluation of the faculty and students is carried out. Separate data is maintained by these wings related to teachers' action plan, action plan of sport teacher, students' performance, teacher's evaluation, analysis of teachers' evaluation report etc. The principal with the help of project director and coordinators give remedial suggestions whenever required to the concerned teacher and for student's point of view regarding teaching methods. Action plans for teachers are made where focus is given on self-up gradation of the teachers in terms of teaching skills and their routine work. Similarly, these wings prepare Action Plan for students for their overall development.

The details of wings are as follows-

1. Career Academy

This wing works on career building of the students in various fields. The students are selected on the basis of their interest and accordingly they are aligned to the related academy. After

joining the Wing, these students are guided according to their interest & capability and efforts are taken for students' career planning. By considering the need of soft skills for their bright career, students are encouraged to take part in various skill-oriented activities, cultural activities, oratory competitions, drafting, proof-reading, carpentry, police-training; banking and other competitive examinations etc.

2. Sports Academy

The objective of this academy is to maintain good health and prepare students for job opportunities through sports quota in government and various non-government organizations. As per the interest of the student, he/she is inducted in sports academy. This academy conducts activities for the preparation of students in pre-police training; military; para-military forces etc.; also regularly organizes various sports such as Kabaddi, Kho-Kho, Volley-ball, Tennis, Athletics, Cricket, Mal-khamb, Weight- lifting, Karate, Yoga etc. The students are also participated in university, zonal, state and national level sports including club activities according to their interest & capability.

3. CERT Academy

The wing of Central Educational Research & Training (CERT) is the third wing of the project formed to improve teaching-learning quality of the institution. The wing works for academics, research and training point of view of the students. More focus is given on continuous evaluation of the students. The concerned In-charge teacher in consultation with the coordinator prepares planning and carries it out throughout the academic session and maintains related records in various formats. The Principal through Project Director frequently monitor their activities. Slow learners and advanced learners are counseled and guided properly to achieve their target. At the end of the session, it is observed that there is a noticeable change in the academic progress of the students and the same is reported to their parents through mentors.

4. Beautification & Maintenance

The aim of this wing is to maintain green, clean and healthy campus. In the beginning of the session, this wing prepares its planning and budget required for the said purpose and then continuously carries activities related to beautification and maintenance. This wing is important for its contribution for charming campus. This wing take care of activities related to green campus garden, nursery, mountain, different species of plants with the participation of students and teachers. It also cooperates in organizing activities for go-green, ban on plastic, noise and pollution-free campus; checks on dust-bins at important places. Many a times, the students of NSS help in this wing.

5. Extension Services

The objective of this wing is to carry out extension activities for healthy society with the help of students, staff and other stakeholders in the community to disseminate knowledge and technology to the public, particularly in areas such as agriculture, community development, health, and nutrition. These services aim to improve practices, increase productivity, and enhance the quality of life in communities. The wing organizes various extension activities to inculcate among students the sense of social responsibility. These extension activities help to make villagers aware about social problems such as malnutrition, situational disease. This wing

also conducts awareness rally with the participation of students, teachers and villagers. The activities of this wing focus on teaching farmers about new farming techniques, pest control, soil management, and sustainable agriculture practices. It often includes demonstrations, workshops, and one-on-one consultations. It also provides information and training on health care practices, nutrition, disease prevention, and healthy lifestyle choices through workshops, health camps and educational materials. Focus is also on promoting sustainable environmental practices and conservation efforts through education and community projects through NSS students. Many a times, the wing helps to bridge the gap between research and practical application by making scientific knowledge and new technologies accessible to the public through science exhibitions and melas. Extension services are often delivered to identify needs and provide relevant training and resources.

6. Village Building

The aim of this wing is to work and prepare for healthy and strong community which is the need of the hour. Under this wing, the College has adopted village Devgram, the nearest community under focus and carried out various healthy practices for its overall development with the help of students, staff, parents and gram-panchayat members. For this purpose, we have formed ward-wise eleven 'Seva-mandals. Each seva-mandal is geared-up with one employee who acts as a Coordinator. The Coordinator with the help of all the stakeholders regularly organizes meeting and plan for action to be taken considering the views of senior citizens and gram-panchayat. All the coordinators communicate to Project Co-coordinator and thus the institution has established a rapport with the community. The teachers and NSS students have always an active role in this activity apart from other stakeholders in the community.

7. Alumni Welfare

The aim of the wing is to organize different programs for the alumni so that they can maintain their bond (relation) with college. The reputed alumni who have their names in the various fields come to the college to guide the students and to provide assistance in terms of finance, intellectual resources and directions for better performance in their fields. Many programs are conducted recently in the college.

D. Evidence of Success:

This practice proved very fruitful to us. The faculty of the college started upgrading their teaching-learning process making use of ICT (PPTs) in class room teaching. Every faculty members purchased his own laptop and prepared PPTs of different topics for upgrading the teaching method. It has positive impact on student performance. Some students of the college secured rank in university merit list. Competitive examinations are cracked by our students. Some students are able to win prizes in competitions organized by college and also university. The students of the college are excelling in various examinations. Number of students securing first class has increased. Most of the students became self-explanatory. Grasping of slow-learner are increased. Students take more interest in teaching –learning process. Maximum number of students is participating in games and sports at district, state, national level. Some students are able to win prizes in sport competitions organized by college and also university. The sports culture seems generating. The campus has also enriched.

E. Problems Encountered and Resources Required:

In the beginning, the college had to prepare faculty from this point of view. But their commitment and dedication materialized this work of great importance. Sometimes faculty had to devote extra time apart from regular college timing but the faculty adjusted all these. The extra resources required for this purpose was made available by the college with the help of management. It was possible because of visionary leadership of principal, management's support, committed faculties and inspired students.
