STUDENTS SATISFACTORY SURVEY REPORT

FEEDBACK ANALYSIS (2019-2020)

Jeevan Vikas Mahavidyalaya is a multi-faculty, multidisciplinary, renowned and one of the famous and old college in the vidarbha region with a huge bright history. Total approximate 615 students from different streams of Arts, Commerce, and Science are enrolled for different courses in the academic session 2019-2020. The college stand milestone in developing the future of many students as it has facilities for Undergraduate, Post graduate along with many Certificate courses, students from different villages belongs to different tahsils like Narkhed, Warud, Katol and Padurna prefer to take admission and learn.

FEEDBACK COLLECTION STRATEGIES:

The college is always engaged in planning student centre activity every year for their academic upliftment, developing social responsibility and social awareness among the students. In order to achieve institutional Excellency, college takes feedback from its all stakeholder like its faculty, alumni, parents, employers and most importantly from student. As a part of these, the college yearly conducts satisfactory survey for all its stake holders and always tries to solve their problems and difficulty by means of feedback collection and acting on suggestions. This report is highlighting some of the key findings of student satisfactory survey feedback given by students for the academic year 2019-2020.

Students with graduation in all four streams and post-graduation in one streams of Arts registered their reply by their own mail on Google form. All the total 89 respondent reply through their mail for multiple choice-based questioner which include different questions from academic, institutional and faculties' background with more emphasis on teaching - learning process.

A) STATUS OF STUDENT SATISFACTORY SURVEY:

Various aspects have been included in student's satisfactory survey analysis with special emphasis on availability and status of basic facilities, infrastructure availability, teaching and learning strategies, students' empowerment and development of various skills for the uplift and better future developments among students. A questionnaire had been developed with wide and diverse range of questions which were framed to exactly pin point the strength and loop hole in academic programming.

The students satisfactory survey was divided broadly into three categories viz.,

1) Status of Teachers Role, Duties and responsibilities:

Overall survey about the teachers' role in academic, teaching and other curricular activities found excellent in most of the aspects with some area of scope for better achievements. Teacher approach to teaching and communication skilled with subject preparedness are highly appreciated by all the students. They also admit the Excellency of teachers informing about expected competencies within students with courses and program outcome. Few suggestions like increasing multiple tests and more used of ICT tools while teaching and explaining in classes.

Mostly (more than 90%) students assigned the task given by guardian teachers and enjoy concept learning through practical applications. They also satisfied with the strength and encouragement to uplift everyone to overcome every level of challenges. However, there are some areas of scope (14%) for faculty members to strengthen the tie with students to identify their weakness and for enhancing their learning experiences (09%) by adopting more students' centric methods, their participations in learning and problem-solving methodology. Even planning more educational Tours, Industrial visit, cultural event will minimize the barrier of communication among students and teachers and helpful for developing healthy atmosphere for teaching and learning process.

2) Status of institution Role, Duties and Responsibilities:

Students are happy, satisfied and highly inspire with institution role in various concerned. The institution promotes internship, student exchange program and field visit activity which are benefited in all the fields for the future exposure of students. More than 93% of students appreciate the sincere efforts of institutions to provide multiple opportunities to learn and grow and also admit (more than 91%) facilities for cognitive, social and emotional growth.

Students are strongly agree (88%) regarding with efforts of institution concerning to keeping high quality of teaching and learning. However, institution has more scope (11%) in conducting soft skill, life skill and employment-oriented programs. It also needs to take more efforts to engage students in the monitoring review and continuous quality improvement of the teaching and learning process.

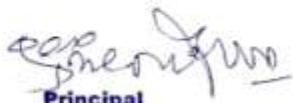

3) Students' remarks / suggestions about all academic and facilities concerned:

Overall students found satisfied and happy with the institution role, duties, and responsibilities along with academic staffs. They fearlessly reported their responses and appreciated all the academic, curricular and extracurricular aspects. However, there are some suggestions from students which are mentioned below.

- 1) Repair water cooler for clean drinking water facility
- 2) More frequency and Regular unit test
- 3) Strong wi-fi connection is needed

STUDENTS SATISFACTORY SURVEY REPORT

FEEDBACK ANALYSIS (2021 -2022)

Jeevan Vikas Mahavidyalaya is a multi-faculty, multidisciplinary, renowned and one of the famous and old college in the vidarbha region with a huge bright history. Total approximate 778 students three different streams of Arts, Commerce, and Science are enrolled for different courses in the academic session 2021-2022. The college stand milestone in developing the future of many students as it has facilities for Undergraduate, Postgraduate along with many Certificate courses, students from different villages belongs to different tahsils like Narkhed, Warud, Katol and Padurna prefer to take admission and learn.

FEEDBACK COLLECTION STRATEGIES:

The college is always engaged in planning student centre activity every year for their academic upliftment, developing social responsibility and social awareness among the students. In order to achieve institutional excellence, college take feedback from its all stakeholder like its faculty, alumni, parents, employer and most importantly from student. As a part of these, the college yearly conducts satisfactory survey for all its stake holders and always tries to solve their problems and difficulty by means of feedback collection and acting on suggestions. This report is highlighting some of the key findings of student satisfactory survey feedback given by students for the academic year 2021-2022.

Students with graduation in all four streams and post-graduation in one streams of Arts registered their reply by their own mail on Google form. All the total 151 respondent reply through their mail for multiple choice-based questioner which include different questions from academic, institutional and faculties' background with more emphasis on teaching - learning process.

A) STATUS OF STUDENT SATISFACTORY SURVEY:

Various aspects have been included in student's satisfactory survey analysis with special emphasis on availability and status of basic facilities, infrastructure availability, teaching and learning strategies, students' empowerment and development of various skills for the uplift and better future developments among students. A questioner had been developed with wide and diverse range of questions which were framed to exactly pin point the strength and loop hole in academic programming.

The students satisfactory survey was divided broadly into three categories viz.,

1) Status of Teachers Role, Duties and responsibilities:

Overall survey about the teachers' role in academic, teaching and other curricular activities found excellent in most of the aspects with some area of scope for better achievements. Teacher approach to teaching and communication skilled with subject preparedness are highly appreciated by all the students. They also admit the Excellency of teachers informing about expected competencies within students with courses and program outcome. Few suggestions like increasing multiple tests and more used of ICT tools while teaching and explaining in classes.

Mostly (more than 90%) students assigned the task given by guardian teachers and enjoy concept learning through practical applications. They also satisfied with the strength and encouragement to uplift everyone to overcome every level of challenges. However, there are some areas of scope for faculty members to strengthen the tie with students to identify their weakness and for enhancing their learning experiences by adopting more students' centric methods, their participations in learning and problem-solving methodology. Even planning more educational Tours, Industrial visit, cultural event will minimize the barrier of communication among students and teachers and helpful for developing healthy atmosphere for teaching and learning both.

2) Status of institution Role, Duties and Responsibilities:

Students are happy, satisfied and highly inspire with institution role in various concerned. The institution promotes internship, student exchange program and field visit activity which are benefited in all the fields for the future exposure of students. More than 96% of students appreciate the sincere efforts of institutions to provide multiple opportunities to learn and grow and also admit (more than 92%) facilities for cognitive, social and emotional growth.

Students are strongly agree (97%) regarding with efforts of institution concerning to keeping high quality of teaching and learning. However, institution has more scope (10%) in conducting soft skill, life skill and employment-oriented programs. It also needs to take more efforts to engage students in the monitoring review and continuous quality improvement of the teaching and learning process.

3) Students' remarks / suggestions about all academic and facilities concerned:

Overall students found satisfied and happy with the institution role, duties, and responsibilities along with academic staffs. They fearlessly reported their responses and appreciated all the academic, curricular and extracurricular aspects. However, there are some suggestions from students which are mentioned below.

- 1) Allotment of a greater number of projects.
- 2) More frequency and Regular unit test.
- 3) More number of fans in classrooms

STUDENTS SATISFACTORY SURVEY REPORT FEEDBACK ANALYSIS (2023-2024)

Jeevan Vikas Mahavidyalaya is a multi-faculty, multidisciplinary, renowned and one of the famous and old college in the vidarbha region with a huge bright history. Total approximate 1139 students from different streams of Arts, Commerce and Science are enrolled for different courses in the academic session 2023-2024. The college stand milestone in developing the future of many students as it has facilities for Undergraduate, Postgraduate along with many Certificate courses, students from different villages belongs to different tahsils like Narkhed, Warud, Katol and Padurna prefer to take admission and learn.

FEEDBACK COLLECTION STRATEGIES:

The college is always engaged in planning student centre activity every year for their academic upliftment, developing social responsibility and social awareness among the students. In order to achieve institutional Excellency, college take feedback from its all stakeholder like its faculty, alumni, parents, employers and most importantly from student. As a part of these, the college yearly conducts satisfactory survey for all its stake holders and always tries to solve their problems and difficulty by means of feedback collection and acting on suggestions. This report is highlighting some of the key findings of student satisfactory survey feedback given by students for the academic year 2023-2024.

Students with graduation in all three streams and post-graduation in three streams of Arts, Commerce and Science registered their reply by their own mail on Google form. All the total 83 respondent reply through their mail for multiple choice-based questioner which include different questions from academic, institutional and faculties' background with more emphasis on teaching - learning process.

A) STATUS OF STUDENT SATISFACTORY SURVEY:

Various aspects have been included in student's satisfactory survey analysis with special emphasis on availability and status of basic facilities, infrastructure availability, teaching and learning strategies, students' empowerment and development of various skills for the uplift and better future developments among students. A questioner had been developed with wide and diverse range of questions which were framed to exactly pin point the strength and loop hole in academic programming.

The students satisfactory survey was divided broadly into three categories viz.,

1) Status of Teachers Role, Duties and responsibilities:

Overall survey about the teachers' role in academic, teaching and other curricular activities found excellent in most of the aspects with some area of scope for better achievements. Teacher approach to teaching and communication skilled with subject preparedness are highly appreciated by all the students. They also admit the Excellency of teachers informing about expected competencies within students with courses and program outcome. Few suggestions like increasing multiple tests and more used of ICT tools while teaching and explaining in classes.

Mostly (more than 94%) students assigned the task given by guardian teachers and enjoy concept learning through practical applications. They also satisfied with the strength and encouragement to uplift everyone to overcome every level of challenges. However, there are some areas of scope for faculty members to strengthen the tie with students to identify their weakness and for enhancing their learning experiences by adopting more students' centric methods, their participations in learning and problem-solving methodology. Even planning more educational Tours, Industrial visit, cultural event will minimize the barrier of communication among students and teachers and helpful for developing healthy atmosphere for teaching and learning both.

2) Status of institution Role, Duties and Responsibilities:

Students are happy, satisfied and highly inspire with institution role in various concerned. The institution promotes internship, student exchange program and field visit activity which are benefited in all the fields for the future exposure of students. More than 96% of students appreciate the sincere efforts of institutions to provide multiple opportunities to learn and grow and also admit (more than 91%) facilities for cognitive, social and emotional growth.

Students are strongly agree (96.4%) regarding with efforts of institution concerning to keeping high quality of teaching and learning. However, institution has more scope (11%) in conducting soft skill, life skill and employment-oriented programs. It also needs to take more efforts to engage students in the monitoring review and continuous quality improvement of the teaching and learning process.

3) Students' remarks / suggestions about all academic and facilities concerned:

Overall students found satisfied and happy with the institution role, duties, and responsibilities along with academic staffs. They fearlessly reported their responses and appreciated all the academic, curricular and extracurricular aspects. However, there are some suggestions from students which are mentioned below.

- 1) Need of updating curriculum for modern needs for future employment.
- 2) Strong Network connection is needed
- 3) Syllabus should include opportunities to students like internship in the industry and field work experiences.

PARENTS FEEDBACK REPORT FEEDBACK ANALYSIS (2023-2024)

Jeevan Vikas Mahavidyalaya is a multi-faculty, multidisciplinary, renowned and one of the famous and old college in the vidarbha region with a huge bright history. Total approximate 1000 students from different streams of Arts, Commerce and Science are enrolled for different courses in the academic session 2023 –2024.

FEEDBACK COLLECTION STRATEGIES:

The Parents of the students in all the four stream of Arts, Commerce and Science registered their reply by their wards' mail on Google form. All the total 61 respondents reply through their mail for multiple choice-based questionnaire which include different questions from academic, institutional facilities and ambience.

A) STATUS OF FEEDBACK COLLECTED FROM THE PARENTS:

Various aspects have been included in Parents feedback analysis with special emphasis on availability and status of basic facilities, infrastructure availability, development of various skills for the uplift and better future developments in the Institutional facilities and Teaching Learning Process. A questionnaire had been developed with wide and diverse range of questions which were framed to exactly pin point the strength and loop hole in academic programming.

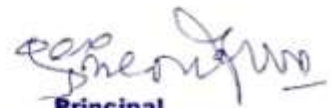

SURVEY REPORT:

Overall survey about the Parents Feedback found excellent in most of the aspects with some area of scope for better achievements. The infrastructural facilities, treatment given by Staff members and ambience in the institution are highly appreciated by all the Parents. However, there are some suggestions from Parents which are mentioned below.

- 1) Separate area for boys and girls in the Canteen
- 2) Cleanliness in the Girls and boys Common Room and in the washrooms.

FACULTIES FEEDBACK REPORT FEEDBACK ANALYSIS (2023-2024)

Jeevan Vikas Mahavidyalaya is a multi-faculty, multidisciplinary, renowned and one of the famous and old college in the vidarbha region with a huge bright history.

FEEDBACK COLLECTION STRATEGIES:

The faculties in all the four stream of Arts, Commerce and Science registered their reply by their own mail on Google form. All the total 30 respondents reply through their mail for multiple choice-based questionnaires which include different questions from academic, institutional facilities and ambience.

A) Status of Feedback Collected from the Teachers:

Various aspects have been included in Faculty feedback analysis with special emphasis on availability and status of basic facilities, infrastructure availability, development of various skills for the uplift and better future developments in the Institutional facilities and Teaching Learning Process. A questionnaire had been developed with wide and diverse range of questions which were framed to exactly pin point the strength and loop hole in academic programming.

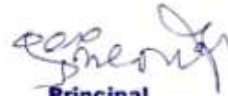

SURVEY REPORT:

Overall survey about the teachers Feedback found excellent in most of the aspects with some area of scope for better achievements. The infrastructural facilities, treatment given by superiors and ambience in the Institution are highly appreciated by all the Teachers. However, there are some suggestions from Faculties which are mentioned below.

- 1) Improvement of Menu in College Canteen
- 2) Conduction of workshops on NEP for Teachers
- 3) Increase of College Industry Interaction so that the placement in the industry can be increased.

Copy of the Resolution No.03 Passed in the College Staff Council meeting on dated 21/10/2020

Item No. 03.

To consider analysis report on online feedback for 2019-20 received from various stakeholders, such as students', teachers', parents', employers and alumni.

Resolution No.03

The Coordinator, College Feedback Committee of the College placed online feedback analysis report for consideration, approval & suggestions. The feedback analysis report was thoroughly discussed & analyzed the suggestions received from the various stakeholders. It was observed that, most of the stakeholders have expressed their satisfaction regarding the academic & infrastructure for the same. At some level positive suggestions have also been sought. The Staff Council of the college unanimously resolved that,

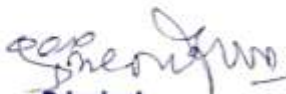

1. Repair water cooler for clean drinking water facility
2. More frequency and Regular unit test
3. Strong Wi-Fi connection is needed
4. There should be interaction between students and alumni
