Session: 2019-2020

TITLE OF ACTIVITY : National Mathematics Day

Main Points of the Programme:

The Department of Mathematics Jeevan Vikas Mahavidyalaya, Devgram organized on National Mathematics Day on the topic "Mathematics". National mathematics day is celebrated every year on 22nd December honouring the birth anniversary of mathematical genius Srinivasa Ramanujan- The man who knew infinity. The students of 1st year B.Sc. (Mathematics) participated actively in PPT Presentation on topics of Mathematics. Some of the topics presented by the students are Matrices, Complex Number, Linear Equation, Maximum and Minimum, Analytic Function and Application of mathematics in Differential equations and Fourier analysis. . For that many problems we organized PPT Presentation on Mathematics for giving knowledge about mathematics for improving the problem solving quality of students.

➤ **Introduction:** The department of microbiology had organized a seminar on January 29, 2020, focusing on the Krebs cycle, a fundamental topic in biochemistry. The seminar aimed to enhance students understanding of this critical metabolic pathway and provide platform for them to present their research insights.

➤ **Seminar summary**

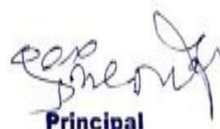

• **Preparation**

In preparation for the seminar, the student named took the topic Krebs cycle. Topic included the discovery and history of the Krebs cycle, the chemical reaction involved, its role in cellular metabolism, and its significance in health and disease. The students prepared from the reference book and we also helped her /her to present topic provided.

वन्यजीव संरक्षण-संवर्धन काळाची गरज

प्राचार्य डॉ. भोंगाडे, वन्यजीव सप्ताहचे आयोजन

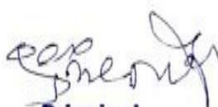

जलालखेडा, वार्ताहर. 'वन्यजीव सप्ताह' आणि 'नेस्ट फ्रॉम वेस्ट' या सारख्या नावीन्यपूर्ण कार्यक्रमां साबरे होत असल्याने विद्यार्थ्यांना निसर्ग आणि प्राणीमात्र यांचे महत्त्व समजून घेणे, विद्यार्थ्यांची निसर्गा विषयी ओढ आणि प्राण्यांशी बांधिलकी वाढणे व त्यातूनच त्यांची भूतदया जागृत होते. शिवाय सतत निसर्ग आणि प्राण्यांसाठी कार्यरत राहिल्याने निसर्ग आणि प्राणी संपत्ती टिकून राहते, असे मत प्राचार्य डॉ. देवेंद्र भोंगाडे यांनी व्यक्त केले. प्राणीशास्त्र विभागातर्फे जीवन विकास महाविद्यालय, देवग्राम येथे 'दु:ओलेजीकल सोसायटी-2022 स्थापना' व 'वन्यप्राणी संरक्षण' या विषयावर आयोजित कार्यक्रमात अतिथी व्याख्यानात मार्गदर्शन करताना ते बोलत होते.

प्रमुख अतिथी जवाहरलाल नेहरू कॉलेज, वाडीच्या प्राणीशास्त्र विभागप्रमुख डॉ. मनीषा भातकुलकर यांनी वन्यप्राणी संरक्षणाचे महत्त्व, कायदे व उपाययोजना यांवर विद्यार्थ्यांना मार्गदर्शन केले. यावेळी प्रा.सुमित गुरचर यांनी अतिथींचा परिचय देत झुलेजीकल सोसायटी-2022 स्थापनेची घोषणा केली. प्राणीशास्त्र विभागातर्फे 'नेस्ट फ्रॉम वेस्ट' अंतर्गत विद्यार्थ्यांनी टाकाक वस्तू पाहून पक्ष्यांची घट्टी तयार केली होती. विद्यार्थ्यांनी वन्यप्राणी छायाचित्रणाचे तसेच 'प्राण्यांचे स्पेसीमन' प्रदर्शन आयोजित केले होते. कार्यक्रमाचे प्रास्ताविक प्रा.काजल मडकवाडे, संचालन खुशी राऊत तर आभार प्रदर्शन श्रद्धा बागाडे यांनी केले. कार्यक्रमांती 'आम्ही सन' निरमांच्या संपत्तीचे रक्षणकर्ते, त्याची हाणी होणार नाही, काळजी घेऊ' यासंबंधी कराराच्या बॅनरवर सन प्राध्यापक, विद्यार्थी व कर्मचाऱ्यांनी स्वाक्षरी केले.

“Educational Tour”
Session 2023- 24

Title: Educational Tour at Nagpur dated on 12th March 2024.

Introduction: The visit began with a guided tour led by experienced botanists and garden staff. They provided insightful information about the history of the botanical garden, its mission, and the diverse plant collections it houses. Students were introduced to various sections of the garden, each representing different biomes and ecosystems.

Objective: The purpose of this visit was to provide students with hands-on experience, expand their botanical knowledge, and foster an understanding of the importance of conserving plant diversity. The primary purpose of educational tour is to enhance classroom learning. They provide an opportunity for students to see, touch, and experience what they have learned in the classroom. It is a great and effective way to learn specific subjects beyond textbooks and lectures. To a certain extent, we can say that study tours are an essential part of the learning process. They enhance classroom, promote social and emotional development, and expose students to real-life situations. Therefore, educational tour should be an integral part of every student's educational experience.

- **TITLE OF ACTIVITY :** SEMINAR TOPICS OF MATHEMATICS
- **Main Points of the Programme:**

The Department of Mathematics Jeevan Vikas Mahavidyalaya, Devgram organized Seminar on 28th October 2023 at 11 PM in the Smart Room. Generally student says that mathematics is a tough subject and they take time to understand, analyze and then solve math problems. Every after solving the problem, many students fall to get accurate answers, the analytical work will not have value unless the student can translate the numbers into conclusion and then communicate it. This skill is not only valued at graduate and post graduate level but it is highly valued in professional. That is the reason reports are graded for their analytical content and communicative skills. For that many problems we organized seminars on basic mathematics for giving knowledge about basic mathematics for improving the problem solving quality of students.

In seminar every students was given 10 minutes time for seminar. In that 10 minutes, we distribute that time into $8 + 2 = 10$. For power point presentation we give 8 minutes and for discussion or questioning give 2 minutes.

❖ **Best Practice**

Title of Best Practice: “Service-Learning Program (*Sikho aur Sikhao*)”

- **Objectives** :
 - ❖ To impart the vital skills and foundational knowledge of Mathematics.
 - ❖ To deepen the skills gained through the course work.
 - ❖ To critically understand the society and develop consciousness in order to motivate them to serve the mankind.
 - ❖ It is an innovative initiation taken by the department of Mathematics to promote a value-based education to the nearby school students in and around the college.
 - ❖ The college motivates staff & students to actively participate in community service for the neighborhood school students.
- **Duration** : Whole Academic session
- **Beneficiary** : All the students of the mathematics.
- **Nature of Best Practice**
 - ❖ The department of Mathematics conducts Service-Learning Programme to classes of nearby School, as a service to the student community with staff and students of the department under the supervision of the Head of the department. The high moral values, standards, self-belief and motivation are inculcated to them by the unprecedented circumstances and numerous problems. In order to provide the best possible experience to the students, the Service-Learning Program sought out community partnerships with the nearby schools that fit the learning goals specification.
- **Problems Encountered and Resources Required:**
 - ❖ Initially the responses to the Service-Learning Programme by the school students were not attractive. Students didn't show much interest to the programme. Attendance was also poor. Slowly, they started showing interest and participated actively to the service learning programme and also benefited due to continuous motivation.
- **Outcomes**
 - Through this programme, both students and staff were benefited. Staff found new teaching methodology and students had a completely new method of learning. Their

mathematical skills developed and also their interest in Mathematics increased. The Service-Learning program bridged both the college and the school. The Service-Learning program strived to achieve partnerships that are beneficial to the student, and the community ensured a mutually beneficial experience.

▪ **Measure**

- ❖ The frequency of library books of mathematics increases.
- ❖ Student's teaching skill is enhanced.

1.1.3.1 Introduction

On 9th of August 2023, the Department of English at Jeevan Vikas Mahavidyalaya, Devgram, Tah. Narkhed, Dist. Nagpur, organized an Expert's Meet titled "ENGLISH LANGUAGE AND FUTURISTIC OPPORTUNITIES IN GLOBAL SCENARIO." This event was a significant part of the Students' Induction Programme, aimed at welcoming new students and providing them with valuable insights into the evolving role of the English language in the global context.

1.1.3.2 Objective

The primary objective of the Expert's Meet was to enlighten students about the increasing importance of English in the global arena, exploring its role across various professional fields, and highlighting the potential opportunities it offers for the future. The session aimed to motivate students to enhance their English language skills, thereby improving their prospects in the global job market.

1.1.3.3 Highlights of the Event

- **Welcome Address:** The event commenced with a warm welcome address by Dr. Yogesh Sarode, Head of the Department of English and Organizer & Host of the event. Dr. Sarode emphasized the critical role of English as a global lingua franca and its significance in today's interconnected world.
- **Guest of Honour and Chief Guest Addresses:**
 - **Chief Guest:** Dr. Nitin Mathankar, Principal of Late Vasant Rao Kolhatkar Arts and Commerce College, Rohana, Dist. Wardha, delivered an inspiring address. Dr. Mathankar highlighted the importance of mastering the English language for academic and professional success and shared his experiences on leveraging English skills in higher education and career advancement.
 - **Guest of Honour:** Dr. Nilesh Thakre, Head of the Department of English at Hutatma Rashtriya Arts & Science College, Ashti (Wardha), spoke about the transformative power of English in shaping global perspectives. Dr. Thakre

discussed the integration of English language proficiency in various academic disciplines and its impact on students' overall development.

- **Chairperson's Address:** Dr. Devendra Bhongade, Principal of Jeevan Vikas Mahavidyalaya, Devgram, addressed the gathering as the Chairperson. Dr. Bhongade underscored the role of the Department of English in fostering linguistic skills and preparing students for the challenges of a globalized world. He expressed pride in the institution's efforts to provide comprehensive educational experiences.
- **Expert Sessions:** The Expert's Meet featured insightful talks from the distinguished guests, focusing on various aspects of the English language and its future opportunities.
 - **Dr. Nitin Mathankar:** Discussed the evolution of the English language and its pivotal role in global communication. He elaborated on the historical development of English and its establishment as a medium of instruction and business worldwide.

1.1.4 Report on Study Tour at Gurukunj Ashram, Mojari

Event Date : 12th March 2024

Venue : Gurukunj Ashram, Mojari

Organized by : Department of English, Antyoday Mahavidyalaya, Devgram, District Nagpur

Objective : To study the literature of saints, with a special focus on Rashtrasant Tukadoji Maharaj

Attendance : Over 50 UG and PG students, along with staff members

1.1.4.1 Introduction

On 12th March 2024, the Department of English at Antyoday Mahavidyalaya, Devgram, organized a one-day study tour to Gurukunj Ashram, Mojari. The tour was a part of the National Education Policy (NEP) Syllabus, designed to give students a deeper understanding of the literature of saints, particularly focusing on the works of Rashtrasant Tukadoji Maharaj. The study tour aimed to provide students with practical insights into the rich literary and cultural heritage associated with the saints of Maharashtra.

1.1.4.2

1.1.4.3 Objectives

The primary objective of the study tour was to immerse students in the study of saint literature, with a particular emphasis on the works of Rashtrasant Tukadoji Maharaj. The tour also aimed to expose students to the various operations within the ashram, including its publication department, and to provide them with a holistic understanding of the ashram's contribution to literature and society.

1.1.4.4 Highlights of the Study Tour

- **Visit to Various Departments:** The students visited different departments within the Gurukunj Ashram. The focus was on the publication department, where students learned about the process of publishing literary works, particularly those related to the teachings and writings of Rashtrasant Tukadoji Maharaj. They gathered valuable information on how the ashram preserves and disseminates the saint's literary contributions.
- **Interaction with Trustees:** The trustees of Gurukunj Ashram provided students with an overview of the ashram's operations and its mission. They discussed the ashram's role in promoting the teachings of saints and preserving their literature. The students were informed about the historical significance of the ashram and its impact on the local and global community.
- **Visit to the Old-Age Home:** As part of the study tour, students also visited the old-age home located within the ashram premises. They interacted with the senior citizens residing there, asking them about their experiences and the reasons for staying at the ashram. This interaction provided students with a unique perspective on the social and emotional aspects of aging, and the role such institutions play in society.
- **Literature Collection:** Throughout the tour, students collected various important pieces of information and materials related to the literature of saints. They were particularly interested in understanding the thematic elements and the spiritual teachings encapsulated in the works of Rashtrasant Tukadoji Maharaj.

1.1.4.5 Supervision and Guidance

The entire study tour was conducted under the guidance and supervision of Dr. Yogesh Sarode, Head of the Department of English, Antyoday Mahavidyalaya, Devgram. Dr. Sarode ensured that the students maximized their learning experience by facilitating discussions and encouraging active participation throughout the tour.

1.1.4.6 Conclusion

The study tour to Gurukunj Ashram, Mojari, on 12th March 2024, was a resounding success. The students gained a profound understanding of the literature of saints, particularly the works of Rashtrasant Tukadoji Maharaj. The visit provided them with both academic and emotional enrichment, as they were able to connect with the literature on a deeper level and understand the

societal imp act of such institutions. The experience was invaluable for the students, contributing

significantly to their academic growth and cultural awareness.

Organization of Economics Study Tour

Correspondent

Katol. A one-day study tour was organized by the Economics Degree Department and Post Graduate Department of Antyodaya College, Devgram. On this occasion, degree level Economics students visited the processing unit of Gopinath Cotton Ginning and Pressing Industries Pvt. Ltd.

On this occasion, cotton based production methods, cottonseed oil processing unit, manufacturing unit, management and administration unit were inspected. On this occasion, students were given information about various units related to raw material, concrete material, knotting, slip process. On this occasion, Ashish Agarkar, Plant Incharge, Technician, Pilot, Operator, Assistant Processing Unit

Gave information about how the process works with a demonstration. On this occasion, economics students asked many questions related to management, administration and production unit. The plant in-charge answered all these questions. On this occasion, the plant in-charge said that only the creative education of this new education policy will create real students. Along with this, these students conducted a survey of the citizens of Jalalkheda under the socio-economic survey of the citizens who are beneficiaries of various financial schemes of the Maharashtra Government. 45 students participated in it. The study tour and field visit revealed how the university's curriculum and skill development have been properly integrated under the New Education Policy 2020. The study tour was planned by Dr. Juneja.

BEST PRACTICE-1

CAP (CAREER, ACADEMIC & PHYSICAL) BUILDING PROJECT

Best Practice: 1

CAP (Career, Academic & Physical) Building Project for Students

A. Title of the Practice

CAP (Career, Academic & Physical) Building Project

B. Goal

To make career, academic and physical development of the students so that they should become ideal citizens by imbibing moral values.

C. The Practice

The college started CAP project with the help of society by keeping in mind the Vision and Mission of the institution.

Need of the Practice

To make overall development of the students to earn his livelihood and to make the responsible citizen of the country.

In this project, seven wings are formed as-

1. Career Academy
2. Sport Academy
3. CERT (Central Education Research & Training)
4. Beautification & Maintenance
5. Extension Services
6. Village Building
7. Alumni Welfare.

For character, academic and physical building of students houses are created which contribute for students' all-round development. In each wing, individual coordinator is appointed who gives motivation to the faculty and students which helps to improve their performance. An evaluation scale has been made for measuring the performance of each wing. After every month, principal of the college takes review of these coordinators and give suggestions from time to time. Through this project regular evaluation of the faculty and students is carried out. Separate data is maintained by these wings related to teachers' action plan, action plan of sport teacher, students' performance, teacher's evaluation, analysis of teachers' evaluation report etc. The principal with the help of

project director and coordinators give remedial suggestions whenever required to the concerned teacher and for student's point of view regarding teaching methods. Action plans for teachers are made where focus is given on self-up gradation of the teachers in terms of teaching skills and their routine work. Similarly, these wings prepare Action Plan for students for their overall development.

The details of wings are as follows-

1. Career Academy

This wing works on career building of the students in various fields. The students are selected on the basis of their interest and accordingly they are aligned to the related academy. After

Joining the Wing, these students are guided according to their interest & capability and efforts are taken for students' career planning. By considering the need of soft skills for their bright career, students are encouraged to take part in various skill-oriented activities, cultural activities, oratory competitions, drafting, proof-reading, carpentry, police-training; banking and other competitive examinations etc.

2. Sports Academy

The objective of this academy is to maintain good health and prepare students for job opportunities through sports quota in government and various non-government organizations. As per the interest of the student, he/she is inducted in sports academy. This academy conducts activities for the preparation of students in pre-police training; military; para-military forces etc.; also regularly organizes various sports such as Kabaddi, Kho-Kho, Volley-ball, Tennis, Athletics, Cricket, Mal-khamb, Weight- lifting, Karate, Yoga etc. The students are also participated in university, zonal, state and national level sports including club activities according to their interest & capability.

3. CERT Academy

The wing of Central Educational Research & Training (CERT) is the third wing of the project formed to improve teaching-learning quality of the institution. The wing works for academics, research and training point of view of the students. More focus is given on continuous evaluation of the students. The concerned In-charge teacher in consultation with the coordinator prepares planning and carries it out throughout the academic session and maintains related records in various formats. The Principal through Project Director frequently monitor their activities. Slow learners and advanced learners are counseled and guided properly to achieve their target. At the end of the session, it is observed that there is a noticeable change in the academic progress of the students and the same is reported to their parents through mentors.

4. Beautification & Maintenance

The aim of this wing is to maintain green, clean and healthy campus. In the beginning of the session, this wing prepares its planning and budget required for the said purpose and then continuously carries activities related to beautification and maintenance. This wing is important for its contribution for charming campus. This wing take care of activities related to green campus garden, nursery, mountain, different species of plants with the participation of students and teachers. It also cooperates in organizing activities for go-green, ban on plastic, noise and pollution-free campus; checks on dust-bins at important places. Many a times, the students of NSS help in this wing.

5. Extension Services

The objective of this wing is to carry out extension activities for healthy society with the help of students, staff and other stakeholders in the community to disseminate knowledge and technology to the public, particularly in areas such as agriculture, community development, health, and nutrition. These services aim to improve practices, increase productivity, and enhance the quality of life in communities. The wing organizes various extension activities to inculcate among students the sense of social responsibility. These extension activities help to make villagers aware about social problems such as malnutrition, situational disease. This wing

also conducts awareness rally with the participation of students, teachers and villagers. The activities of this wing focus on teaching farmers about new farming techniques, pest control, soil management, and sustainable agriculture practices. It often includes demonstrations, workshops, and one-on-one consultations. It also provides information and training on health care practices, nutrition, disease prevention, and healthy lifestyle choices through workshops, health camps and educational materials. Focus is also on promoting sustainable environmental practices and conservation efforts through education and community projects through NSS students. Many a times, the wing helps to bridge the gap between research and practical application by making scientific knowledge and new technologies accessible to the public through science exhibitions and melas. Extension services are often delivered to identify needs and provide relevant training and resources.

6. Village Building

The aim of this wing is to work and prepare for healthy and strong community which is the need of the hour. Under this wing, the College has adopted village Devgram, the nearest community under focus and carried out various healthy practices for its overall development with the help of students, staff, parents and gram-panchayat members. For this purpose, we have formed ward-wise eleven 'Seva- mandals. Each seva-mandal is geared-up with one employee who acts as a Coordinator. The Coordinator with the help of all the stakeholders regularly organizes meeting and plan for action to be taken considering the views of senior citizens and gram-panchayat. All the coordinators

communicate to Project Co-coordinator and thus the institution has established a rapport with the community. The teachers and NSS students have always an active role in this activity apart from other stakeholders in the community.

7. Alumni Welfare

The aim of the wing is to organize different programs for the alumni so that they can maintain their bond (relation) with college. The reputed alumni who have their names in the various fields come to the college to guide the students and to provide assistance in terms of finance, intellectual resources and directions for better performance in their fields. Many programs are conducted recently in the college.

D. Evidence of Success:

This practice proved very fruitful to us. The faculty of the college started upgrading their teaching-learning process making use of ICT (PPTs) in class room teaching. Every faculty members purchased his own laptop and prepared PPTs of different topics for upgrading the teaching method. It has positive impact on student performance. Some students of the college secured rank in university merit list. Competitive examinations are cracked by our students. Some students are able to win prizes in competitions organized by college and also university. The students of the college are excelling in various examinations. Number of students securing first class has increased. Most of the students became self-explanatory. Grasping of slow- learner are increased. Students take more interest in teaching –learning process. Maximum number of students is participating in games and sports at district, state, national level. Some students are able to win prizes in sport competitions organized by college and also university. The sports culture seems generating. The campus has also enriched.

E. Problems Encountered and Resources Required:

In the beginning, the college had to prepare faculty from this point of view. But their commitment and dedication materialized this work of great importance. Sometimes faculty had to devote extra time apart from regular college timing but the faculty adjusted all these. The extra resources required for this purpose was made available by the college with the help of management. It was possible because of visionary leadership of principal, management’s support, committed faculties and inspired students.
