This is to notify that the principal has decided to start Bridge Course in Jeevan Vikas Mahavidyalaya, Devgram for 1st year students in the month of August.

Following persons are hereby nominated as the In-charge of the Computer Science Course for the session 2023-24.

1) Sheetal D. Raut , Head, Faculty of Computer Science Department – M. No. 8830956824

The purpose/objective of the course

- To prepare students before starting the University prescribed course Syllabus for BSc,

A bridge course for newly admitted students of UG & PG is conducted every year before the commencement of the first semester classes. The main objective of the course is to bridge the gap between subjects studied at school level and subjects they would be studying in Graduation. The syllabus for the course is frame din suchawaythat they get basic knowledge on the subjects which they would be learning through graduation. Accordingly, the Bridge Course has been prepared with the dual objective of reviewing the studies done by the students in the previous academic year and helping them to learn the curriculum ofthe present class in this academic year. During the first week after the commencement of theclasses, the bridge course curriculum is delivered to the students in various disciplines. Computerknowledge is required in all science subjects. It is one of the fundamental subjects in the BSc.course. Almost all branch of science required a knowledge of computer programming. Students are unaware of programming languages. To bridge this gap and tostrengthen the fundamentals of the students, a project on computer science is incorporated as bridgecourse.Itwouldenablethestudentstograspthconcepts ofcomputer sciencequicklyandefficiently.

✓ REPORT

A bridging **course** is a university-preparation **course** with an academic curriculum that is offered to mature **students** as a means of preparing for the intellectual challenges of a university education. Our department conducted a bridge course for BSc students on date 15th July to 31st July.

Newly admitted students have attended this course for the up gradation of basic foundation of the graduation syllabus. During this interaction of few days with the faculty, the students came out of their hesitation and it was the best platform for the students to interact with the faculty members, making it responsible for them to build strong relationships with faculty, advisers and other students.

NOTIFICATION DATE: 14thJuly 2020

This is to notify that the principal has decided to start Bridge Course in Jeevan Vikas Mahavidyalaya, Devgram for 1st year students in the month of August.

Following persons are hereby nominated as the In-charge of the Computer ScienceCourse for the session 2020-21.

- 1) Sheetal D. Raut(Computer Science Dept.) – [8830956824]

The purpose/objective of the course –

- To prepare students before starting the University prescribed course Syllabus for BSc,

A bridge course for newly admitted students of UG & PG is conducted every year before the commencement of the first semester classes. The main objective of the course is to bridge the gap between subjects studied at school level and subjects they would be studying in Graduation. The syllabus for the course is framed such that they get basic knowledge on the subjects which they would be learning through graduation. Accordingly, the Bridge Course has been prepared with the dual objective of reviewing the studies done by the students in the previous academic year and helping them to learn the curriculum of the present class in this academic year. During the first week after the commencement of the classes, the bridge course curriculum is delivered to the students in various disciplines. Computer knowledge is required in all science subjects. It is one of the fundamental subjects in the BSc. course. Almost all branches of science require a knowledge of computer programming. Students are unaware of programming languages. To bridge this gap and to strengthen the fundamentals of the students, a project on computer science is incorporated as a bridge course. It would enable the students to grasp the concepts of computer science quickly and efficiently.

Bridge Course (Computer Science)2023-2024

- **CONCEPT**- A bridge course for newly admitted students is conducted every year before the commencement of the first semester classes. Bridging courses are short, focused learning programs designed to help high school students to enter higher education institutions and graduate students to the post graduate students.
- **NECESSITY**- It is observed that NCERT syllabus as it is about 20-30% vast than the previous state board syllabus. While those who have studied ICSE or CBSE in school are not much affected, but those from the State syllabus may find it difficult. Bridge course helps students to open up, think creatively and become responsible and independent students.
- **AIMS and OBJECTIVE**-The main objective of the course is to bridge the gap between subjects studied at Pre-university level and subjects they would be studying in BSc and MSc classes
- **DURATION**-15 Days
- **TIME** - Monday to Saturday

✓ **REPORT**

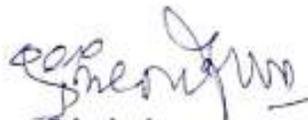

A bridging course is a university-preparation course with an academic curriculum that is offered to mature students as a means of preparing for the intellectual challenge so fauniversity education.

Our department conducted a bridge course for BSc student son date 15th July to 31st July.

Newly admitted students have attended this course for the up gradation of basic foundation of the graduation syllabus. During this interaction of few days with the faculty, the students came out of their hesitation and it was the best platform for the students to interact with the faculty members, making it responsible for them to build strong relationships with faculty, advisers and other students.

रस्ते वाहतुकीचे नियम पाळा

नमस्कार मित्रानो...!

आपण कसे आहात. आपण चांगलेच असाल. मी पोलीस सहाय्यक निरीक्षक मनोज चौधरी, जलालखेडा पोलीस स्टेशन जलालखेडा.

आज आपण अत्यन्त ज्वलंत असा प्रश्न असलेल्या विषयावर संवाद साधणार आहोत. आज देशाच्या स्वातंत्र्याला ७५ वर्ष पूर्ण झालेले आहेत. आपण नवनवीन प्रगतीचे आयाम स्थापित केलेले आहेत. जीवनाच्या वेगवेगळ्या क्षेत्रात आपल्या देशाचे नाव सुवर्णाक्षरांनी कोरलेले आहे. वैश्विक कीर्तीचे नवनवे कीर्तिमान आपण स्थापित केलेले आहेत. आज देश विकासाचे पंख लावून अक्षरशः उड्डाण करायला लागलेला आहे. या देशाच्या रक्त वाहीन्या असलेले रस्ते आज कधी नव्हे ते देशाच्या अनेक भागाशी जोडले गेलेले आहेत. परंतु ऐवढे सर्व असतानाही अत्यन्त दुःखाची गोष्ट म्हणजे, या देशाची तरुण पिढी मात्र अत्यन्त जबाबदारीच्या वयातही बेजबाबदारपणे वागताना दिसते आहे. आजची ही भान हरवलेली पिढी मागचा पुढचा कसलाही विचार न करता आपलं आयुष्य पणाला लावून रस्त्यावर वेगाशी स्पर्धा करायला लागलेली आहे. रस्त्यावरून दुचाकी, चारचाकी वाहने भरधाव वेगात उडवून ती आज बेभान झालेली दिसून येत आहे. रस्त्यावरून भरधाव वेगात वाहने चालविताना कितीतरी निष्पाप लोकांचे जीव घेतले जात आहेत. एखाद्या निष्पाप माणसाचा जीव घेण्याचा अधिकार आजच्या तरुण पिढीला कुणी दिलेला आहे. रस्त्यावरून चालतांना एका बेसावध क्षणी आजची तरुण पिढी आपले सर्वस्व गमावून जीव देत आहेत. यासाठी सरकारनी कितीही नियम केले तरी प्रत्येक पावलपावली तुमच्यावर कोणीही पळत ठवू

शकत नाही. होय आणि पाळत जरी ठेवली तरीही कोणतीही वेळ सांगून येत नाही. अशावेळी आपण सावध राहून इतरांनाही स्वध करण्याची हीच वेळ आहे. हीच वेळ इतरांनाही जीवनदान देण्याची आहे. हीच वेळ इतरांचेही प्राण वाचवण्याची आहे.

मित्रांनो तुम्हास कदाचित ठाऊक नसेल की, भारतात दरवर्षी किती लोक रस्ते अपघातात मृत्युमुखी पडतात. तर या प्रश्नांचे उत्तर आहे देशात दररोज ४०० लोक रस्ते अपघातात मृत्युमुखी पडतात. सन २०१९ या वर्षात एकूण २३५,९२९ इतके रस्ते अपघात झालेले होते. यात ९२,८३७ ऐवढ्या लोकांचे रस्ते अपघात जीव गेलेत. मृत्युमुखी पडणाऱ्यांचे हे प्रमाण ३९.३४% ऐवढे असून देशात होणाऱ्या एकूण रस्ते अपघाताच्या १८% ऐवढे रस्ते अपघात महाराष्ट्रात होतांना दिसून येते. महाराष्ट्रात रस्ते अपघातात २०१९ या वर्षात १२५६५ इतके लोक मृत्युमुखी पडलेले दिसून आले. महाराष्ट्रातील एकूण १८ राष्ट्रीय व २९१ राज्य महामार्ग अशा एकूण ३३७०० किलोमीटर महामार्गात हे अपघात होतांना दिसून येतात. देशात दहशतवादी हल्ल्यात एका वर्षात मृत्युमुखी पडणाऱ्यांच्या संख्येपेक्षा ही संख्या जास्त आहे. यासाठी रस्ते सुरक्षा अत्यंत आवश्यक असून या रस्ते अपघात मृत्यू पावणारे सर्वाधिक लोक हे पायी चालणारे व दुचाकी स्वार हेच असतात. ३ लाखांपेक्षा जास्त लोक हे अपघातामुळे जखमी होतात. यातही आपल्या नागपूर जिल्ह्यात या अपघाताचे प्रमाण दिवसेंदिवस वाढत चाललेले आहे.

मित्रहो यातील सर्वात जास्त रस्ते अपघात हे शहरी भाग व राष्ट्रीय तसेच राज्य महामार्गावर होतांना दिसून येतात. याउलट ग्रामीण भागात खच खळगे, रस्त्यात खड्डे असूनही ग्रामीण भागात होणाऱ्या रस्ते अपघाताचे प्रमाण अत्यंत कमी आहे. आपल्या नागपूर जिल्ह्याचाच विचार केला तर सन २०२१ मध्ये ९६९ ऐवढे रस्ते अपघात झालेले असून ४४५ अपघातात ४६६ इतके लोक मृत्युमुखी पडताना दिसून आलेले आहे. तर ९०१ लोक गंभीर जखमी झालेले आहेत. यासाठीच नागपूर ग्रामीण पोलीस विभागाच्या वतीने जिल्हा पोलीस अधीक्षक विजयकुमार मगर साहेब यांनी शालेय मुलांना वाहतुकीचे नियम व त्या संबंधीचे धडे देण्यासाठी विशेष उपक्रम सुरु केलेला आहे . याच कार्यक्रमाचा हा एक भाग आहे.

शिकाऊ लायसन्स धारकांकरिता वाहतुकीचे सर्वसाधारण नियम

- कलम ११२: वाहन चालकाने वेग मर्यादेचे उल्लंघन करू नये.

- कलम ११३: भार क्षमतेपेक्षा जादा मालाची वाहतूक करू नये.
- कलम ११९: वाहतूक चिन्हांचे व संकेतांचे उल्लंघन करू नये.
- कलम १२१: वाहन चालविताना योग्य इशाऱ्यांचा वापर करावा.
- कलम १२२: वाहन धोकादायक स्थितीत उभे करून ठेऊ नये.
- कलम १२३: वाहनाच्या बाहेरील भागावर बसून प्रवाशांची वाहतूक करू नये.
- कलम १२५: चालकास अडथळा होईल अशा ठिकाणी प्रवासी किंवा एखादी वस्तू ठेऊ नये.
- कलम १२६: योग्य ती काळजी घेतल्याशिवाय कोणत्याही सार्वजनिक ठिकाणी वाहन उभे करू नये.
- कलम १२८: राज्य व राष्ट्रीय महामार्गावर शिरस्त्राण (हेल्मेट) परिधान न करता वाहन चालविणे.
- कलम १३०: रस्त्यावर वाहन तपासणीच्या वेळी वाहनाशी संबंधित सर्व प्रमाणपत्रे सादर करणे.
- कलम १३२: गणवेशधारी वाहतूक अधिकाऱ्याने थांबण्याचा इशारा दिल्यानंतर वाहन थांबविणे.
- कलम १३४: अपघात घडल्यानंतर संबंधित महिती २४ तासांच्या आता पोलिसांना कळविणे व अपघातग्रस्तांना योग्य ती मदत करणे.
- कलम १८५: दारू किंवा अंमली पदार्थांच्या नशेत वाहन चालवू नये.
- कलम १८६: मानसिक किंवा शारीरिकदृष्ट्या अपात्र असताना वाहन चालवू नये.
- म.मो.वा.नि. २५० अ: वाहन चालवित असताना मोबाईल फोनचा वापर करू नये.
- अपघात झाल्यास १०८ क्रमांकावर कॉल करून तात्काळ माहिती देणे.

वाहतुकीच्या नियम संदर्भातील घ्यावयाची काळजी

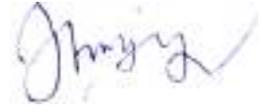

प्रत्येकच वाहन मालकांनी व चालकांनी एक गोष्ट लक्षात ठेवणे आवश्यक असून ती म्हणजे प्रत्येक वाहनाचे नोंदणीकरण करणे हे कायद्याने बंधनकारक आहे. वाहनाचा मालक ज्या विभागात वास्तव्यास आहे, त्याच विभागाचे आर.टी.ओ. कार्यालयात त्या वाहनाचे नोंदणीकरण करणे महत्वाचे आहे. नोंदणी न करता मोटार वाहन सार्वजनिक ठिकाणी चालवल्यास मो.व. कायदा कलम ३९/१९२ प्रमाणे दंडात्मक कारवाई होऊ शकते. आर.टी.ओ. कार्यालयाचे नोंदवहीत वाहनाचा मालक म्हणून ज्या व्यक्तीची नोंद झालेली आहे, त्या व्यक्तीवर त्या वाहनाबाबत जबाबदारी टाकली जाते. वाहन मालकाने राहण्याचा पत्ता बदलल्यास ३० दिवसांच्या आत नवीन पत्ता आर.टी.ओ. कार्यालयात कळविणे बंधनकारक आहे. एका आर.टी.ओ. कार्यालयात एखादे वाहन नोंदणी

केल्यानंतर त्या वाहनाची देशात इतरत्र ते वाहन पुन्हा नोंदणी करण्याची आवश्यकता नाही. परंतु एका राज्यामध्ये नोंदणी केलेले वाहन एक वर्षापेक्षा अधिक काळासाठी अन्य राज्यामध्ये ठेवण्यात आले असेल तर अशा वेळी वाहनाच्या मालकाने पुन्हा नोंदणी करणे आवश्यक आहे (क ४७ मो.वा. कायदा)

वाहनाचे नोंदणीकरण करतेवेळी अर्जासोबत खालील कागदपत्रे जोडणे आवश्यक आहे.

- गाडी खरेदी केल्याची पावती (सेल सर्टिफिकेट)
- रहिवासी दाखला.
- विम्याचे प्रमाणपत्र (इन्सुरन्स सर्टिफिकेट)
- परदेशातून गाडी गमावलेली असल्यास कस्टम पावती.
- नोंदणीकरणाची पावती हरवली किंवा नष्ट झालेली असल्यास गाडीच्या मालकाने संबंधित पोलीस ठाणे व आर.टी.ओ. कार्यालय यांना कळवणे आवश्यक आहे. त्यानंतर संबंधित आर.टी.ओ. कार्यालयास अर्ज दिल्यानंतर त्याची दुसरी प्रत मिळू शकते.

जीवन विकास महाविद्यालय, देवग्राम (थुंगावदेव)

शारीरिक शिक्षण विभाग

रस्ता सुरक्षा अभियान

अहवाल २०२०-२०२१

जीवन विकास महाविद्यालय देवग्राम येथे शारीरिक शिक्षण विभागा अंतर्गत रस्ता सुरक्षा अभियान उदघाटन सोहळ्याचे आयोजन दिनांक 10/02/2021 ला सकाळी 10:30 वाजता करण्यात आले. त्यावेळी प्रमुख उपस्थिती म्हणून जलालखेडा पोलीस स्टेशनचे ठाणेदार श्री मंगेश काळे तसेच महाविद्यालयाचे प्राचार्य डॉ. देवेंद्र भोंगाडे उपस्थित होते. ठाणेदार श्री मंगेश काळे यांनी आज मानवी जीवनात रस्ता सुरक्षा अभियाना विषयी मानवी व धकाधकीच्या काळात काय महत्त्व आहे याचे उद्बोधन विद्यार्थ्यांना समजावून सांगितले जर रस्ता सुरक्षा अभियान आपण आपल्या अंगात उतरविले तर दुर्घटना तर होणार नाही व आपल्या जीवनात आनंद राहील.

आजच्या आधुनिक आधुनिक जीवनात माणसाला शिस्तीची फार गरज आहे कारण आज वाहनाची संख्या खूप प्रमाणात वाढलेली आहे. व चालक गाडी चालवित आहे त्यांनीसुद्धा याकडे भान ठेवलेत पाहीजे. आज भरधाव वाहने चालवतात व भान न ठेवता गाड्या पळवतात या चुकीमुळे दुसऱ्यांचे प्राण जात आहे. त्यासाठी चालक-मालक हा जबाबदार घटक आहे हे आपल्याच प्रमाणे अपघाताचे प्रमाण कमी करण्यासाठी प्रत्येक वाहनचालकाने वाहतुकीच्या नियमांचे पालन करणे आवश्यक आहे. या अभियानाच्या माध्यमातून लोकांच्या मनात रस्ते अपघात रस्ते सुरक्षा या विषयी जनजागृती करता येईल.

कार्यक्रमाचे अध्यक्ष महाविद्यालयाचे प्राचार्य डॉ. देवेंद्र भोंगाडे यांनी आपल्या अध्यक्षीय भाषणातून विद्यार्थ्यांना रस्ता सुरक्षा अभियाना बाबत प्रत्येक वाहन चालकाने वाहतुकीच्या नियमांचे काटेकोरपणे पालन करून वाहन चालवावे त्यामुळे रस्ता अपघाताचे प्रमाण कमी करता येईल अशी या माध्यमातून रस्ते सुरक्षा अभियान यशस्वी करता येईल असे सांगितले या कार्यक्रमाच्या आयोजनासाठी महाविद्यालयातील शारिरीक शिक्षण विभाग तसेच सर्व शिक्षक व शिक्षकेतर कर्मचाऱ्यांनी सहकार्य केले होते या कार्यक्रमाचे सूत्रसंचालन डॉ. मंगेश आचार्य यांनी केले व मान्यवर पाहण्यांचे आभार प्राध्यापक प्रणाली इंगळे यांनी केले अशाप्रकारे रस्ता सुरक्षा अभियान महाविद्यालयात राबवण्यात आले होते.

NOTIFICATION DATE: 14thJuly 2020

This is to notify that the principal has decided to start Bridge Course in Jeevan Vikas Mahavidyalaya, Devgram for 1st year students in the month of August.

Following persons are hereby nominated as the In-charge of the Computer Science Course for the session 2020-21.

1) Sheetal D. Raut(Computer Science Dept.) – [8830956824]

The purpose /objective of the course –

1. To prepare students before starting the University prescribed course Syllabus for BSc,

A bridge course for newly admitted students of UG & PG is conducted every year before the commencement of the first semester classes. The main objective of the course is to bridge the gap between subjects studied at school level and subjects they would be studying in Graduation. The syllabus for the course is framed in such a way that they get basic knowledge on the subjects which they would be learning through graduation. Accordingly, the Bridge Course has been prepared with the dual objective of reviewing the studies done by the students in the previous academic year and helping them to learn the curriculum of the present class in this academic year. During the first week after the commencement of the classes, the bridge course curriculum is delivered to the students in various disciplines. Computer knowledge is required in all science subjects. It is one of the fundamental subjects in the BSc. course. Almost all branch of science required a knowledge of computer programming. Students are unaware of programming languages. To bridge this gap and to strengthen the fundamentals of the students, a project on computer science is incorporated as bridge course. It would enable the students to grasp the concepts of computer science quickly and efficiently.

Bridge Course (Computer Science) 2023-2024

- **CONCEPT**- A bridge course for newly admitted students is conducted every year before the commencement of the first semester classes. Bridging courses are short, focused learning programs designed to help high school students to enter higher education institutions and graduate students to the post graduate students.
- **NECESSITY**- It is observed that NCERT syllabus as it is about 20-30% vast than the previous state board syllabus. While those who have studied ICSE or CBSE in school are not much affected, but those from the State syllabus may find it difficult. Bridge course helps students to open up, think creatively and become responsible and independent students.
- **AIMS and OBJECTIVE**- The main objective of the course is to bridge the gap between subjects studied at Pre-university level and subjects they would be studying in BSc and MSc classes

- **DURATION**-15 Days
- **TIME** – Monday to Saturday

✓ **REPORT**

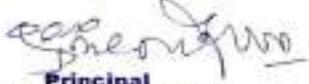

A bridging course is a university-preparation course with an academic curriculum that is offered to mature students as a means of preparing for the intellectual challenges of a university education.

Our department conducted a bridge course for BSc students on date 15th July to 31st July.

Newly admitted students have attended this course for the upgradation of basic foundation of the graduation syllabus. During this interaction of few days with the faculty, the students came out of their hesitation and it was the best platform for the students to interact with the faculty members, making it responsible for them to build strong relationships with faculty, advisers and other students.

Activity Report Session 2021 – 2022

- **TITLE OF ACTIVITY** : How to create Roadmap and its Implementation
- **Topic / Themes** : Roadmap for College Department & Its Implementation
- **Date & Time** : 12th July, 2021.
- **Place** : Jeevan Vikas Mahavidyalaya, Devgram
- **Aim** : Setting goals to determine academic quality and administrative readiness

Guests

- Chairperson : Dr. Devendra S. Bhongade, Principal, JVM, Devgram
- Chief Guest : Dr. Sunilkumar Navin, Principal, Nabira College, Devgram
- Guest of Honor : Dr. Raju Shrirame, Vice Principal, JVM, Devgram
- Anchoring : Dr. Pranali N. Ingole
- Vote of Thanks: Dr. Yogesh M. Sarode, NAAC, Coordinator, IQAC, JVM, Devgram
- **Participants/ Beneficiaries** : 45 Faculty Members, JVM, Devgram
- **Organized by** : IQAC, Department, J. V. M. Devgram
- **Main Points of the Program** :
A roadmap is a strategic plan that outlines the steps needed to achieve a specific goal or objective. Here's a general outline to create a roadmap with innovative features:

- 1. Define the objective:** Clearly specify the goal or objective you want to achieve.
- 2. Assess the current state:** Evaluate your current situation, strengths, weaknesses, opportunities, and threats (SWOT analysis).
- 3. Identify key milestones:** Determine the significant achievements or checkpoints that indicate progress toward your objective.
- 4. Establish timelines:** Assign realistic deadlines to each milestone, considering resources and potential obstacles.
- 5. Allocate resources:** Assign personnel, budget, and other necessary resources to each milestone.
- 6. Prioritize and focus:** Prioritize tasks and focus on the most critical ones first.
- 7. Monitor progress:** Regularly track and assess progress, adjusting the roadmap as

needed.

8. Implement innovative features:

1. Incorporate emerging technologies or trends relevant to your objective.
2. Introduce novel approaches or methodologies to enhance the process.
3. Encourage experimentation and learning from failures.

- **Implementation Detail Report:**
- **Executive Summary**

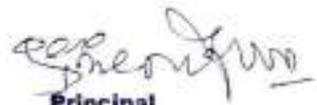

1. Brief overview of the roadmap and its objectives.
2. Current State Assessment
3. SWOT analysis and current challenges.
4. Milestones and Timelines
5. Detailed list of milestones, deadlines, and responsible personnel.
6. Resource Allocation
7. Breakdown of resources assigned to each milestone.
8. Innovative Features
9. Description of novel approaches, technologies, or methodologies implemented.
10. Progress Monitoring and Evaluation
11. Plan for tracking progress, addressing obstacles, and adapting the roadmap.

Conclusion

1. Recap of the roadmap's objectives, milestones, and innovative features.
2. Example of Innovative Features:
3. Utilizing AI-powered tools for data analysis and prediction.
4. Implementing a blockchain-based system for secure data management.
5. Integrating virtual or augmented reality for enhanced training or simulation.
6. Leveraging cloud computing for scalable infrastructure and collaboration.
7. Incorporating gamification elements for engagement and motivation.
8. By incorporating innovative features and regularly reviewing progress, your roadmap will be a dynamic and effective tool for achieving your objectives.

- **Organized by** : IQAC, Department, J. V. M. Devgram
- **Main Points of the Program** :
A roadmap is a strategic plan that outlines the steps needed to achieve a specific goal or objective. Here's a general outline to create a roadmap with innovative features:

- 1. Define the objective:** Clearly specify the goal or objective you want to achieve.
- 2. Assess the current state:** Evaluate your current situation, strengths, weaknesses, opportunities, and threats (SWOT analysis).
- 3. Identify key milestones:** Determine the significant achievements or checkpoints that indicate progress toward your objective.
- 4. Establish timelines:** Assign realistic deadlines to each milestone, considering resources and potential obstacles.
- 5. Allocate resources:** Assign personnel, budget, and other necessary resources to each milestone.
- 6. Prioritize and focus:** Prioritize tasks and focus on the most critical ones first.
- 7. Monitor progress:** Regularly track and assess progress, adjusting the roadmap as

needed.

8. Implement innovative features:

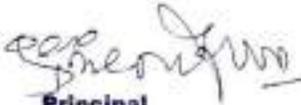

4. Incorporate emerging technologies or trends relevant to your objective.
 5. Introduce novel approaches or methodologies to enhance the process.
 6. Encourage experimentation and learning from failures.
- **Implementation Detail Report:**
 - **Executive Summary**
12. Brief overview of the roadmap and its objectives.
 13. Current State Assessment
 14. SWOT analysis and current challenges.
 15. Milestones and Timelines
 16. Detailed list of milestones, deadlines, and responsible personnel.
 17. Resource Allocation
 18. Breakdown of resources assigned to each milestone.
 19. Innovative Features
 20. Description of novel approaches, technologies, or methodologies implemented.
 21. Progress Monitoring and Evaluation
 22. Plan for tracking progress, addressing obstacles, and adapting the roadmap.

Conclusion

9. Recap of the roadmap's objectives, milestones, and innovative features.
10. Example of Innovative Features:
11. Utilizing AI-powered tools for data analysis and prediction.
12. Implementing a blockchain-based system for secure data management.
13. Integrating virtual or augmented reality for enhanced training or simulation.
14. Leveraging cloud computing for scalable infrastructure and collaboration.
15. Incorporating gamification elements for engagement and motivation.
16. By incorporating innovative features and regularly reviewing progress, your roadmap will be a dynamic and effective tool for achieving your objectives.

खेलो इंडीया
नागपूर विद्यापीठ आंतर महाविद्यालयीन मलखांब व रोप मलखांब (मुले/मुली)

अहवाल
२०२१-२२

जीवन विकास महाविद्यालय, देवग्राम येथे खेलो इंडीया मलखांब व रोपमलखांब स्पर्धा नागपूर विद्यापीठ आंतर महाविद्यालयीन क्रिडा स्पर्धा दि. 14/12/2021 ला घेण्यात आल्या. त्या कार्यक्रमाकरीता अध्यक्ष म्हणून लाभलेले महाविद्यालयाचे प्राचार्य डॉ. देवेंद्र भोंगाडे व प्रमुख पाहुणे म्हणून लाभलेले जलालखेडा पोलीस स्टेशनचे ठाणेदार पीएसआय श्री हरीशचंद्र गावडे उपस्थित होते. नागपूर विद्यापीठातून 19 मुले व मुलींनी प्रत्यक्षात सहभाग घेतला, अध्यक्षीय भाषणातून डॉ. देवेंद्र भोंगाडे यांनी शारीरिक शिक्षण हा काळाची गरज आहे. शिक्षणासोबतच शारीरिक शिक्षण व खेळ आजच्या नवीन पिढीला फार आवश्यक आहे. असे सांगितले. नवीन पीढी ही फीजीकल फिटनेस मध्ये फार कमी आहे. नियमीत व्यायाम करावा व आपले शरीर सुदृढ ठेवावे सोबतच योगा प्राणायाम करावा व आपले शरीर सुदृढ राहिले तर मन शांत राहते व नवीन ऊर्जा तयार होते जसे आई हे पहीला आपला गुरू आहे तसेच खेळाडूसाठी त्यांचे मार्गदर्शक हे दूसरे गुरू आहे. खेळाडूना यश संपादन करावचे असेल तर त्यांना मेहनत करावी लागेल मेहनतीशिवाय यश संपादन करू शकत नाही. कारण ग्रामीण क्षेत्रात इतकी सुंदर स्पर्धा घेणे ही तारेवरची कसरत आहे.

कार्यक्रमाचे प्रमुख पाहुणे म्हणून लाभलेले जलालखेडा पोलीस स्टेशनची ठाणेदार श्री हरीशचंद्र गावडे यांनी विद्यार्थ्यांना खेळाविषयी आकर्षक व स्पर्धा याविषयी सखोल मार्गदर्शन केले. आज पोलीस डिपार्टमेंट असो की डीएसपी असो यासाठी फिजीकल फिटनेस फार महवाचे आहे. हे सर्व आपण आपल्यासाठी करतो आहे. म्हणून जीवनात आपण आपणासाठी करतो हे लक्षात घेवून आपण आपल्या जिवनात स्वतः प्रकाश टाकावे हे सर्व विद्यार्थ्यांना आवर्जून सांगतो. जीवनात मेहनत करणे हे आपले आद्य कर्तव्य आहे. शरीर सुदृढ राहिले तर मन सुदृढ राहते.

तसेच रोवटच्या दिवशी समारोप समारंभाचे अध्यक्ष म्हणून लाभलेले महाविद्यालयाचे उपप्राचार्य डॉ. राजू श्रीरामे व प्रमुख पाहुणे म्हणून लाभलेले डॉ. मंगेश आचार्य उपस्थित होते. कार्यक्रमाच्या यशस्वीतेकरीता डॉ. योगेश सरोदे, प्रा. प्रविण घासूरे, डॉ. राजकिशोर गुप्ता, डॉ. राजू इंगळे, प्रा. प्रणाली इंगळे शिक्षकेत्तर कर्मचारी देवेंद्र वासाडे, अनिल चौधरी, उमेश वाझाडे, अनिल गोडे यांनी अथक परिश्रम घेतले.

NOTIFICATION DATE: 14th July 2020

This is to notify that the principal has decided to start Bridge Course in Jeevan Vikas Mahavidyalaya, Devgram for 1st year students in the month of August.

Following persons are hereby nominated as the In-charge of the Computer Science Course for the session 2020-21.

- 1) Sheetal D. Raut(Computer Science Dept.) – [8830956824]

The Purpose / Objective Of The Course –

- To prepare students before starting the University prescribed course Syllabus for BSc,

A bridge course for newly admitted students of UG & PG is conducted every year before the commencement of the first semester classes. The main objective of the course is to bridge the gap between subjects studied at school level and subjects they would be studying in Graduation. The syllabus for the course is framed in such a way that they get basic knowledge on the subjects which they would be learning through graduation. Accordingly, the Bridge Course has been prepared with the dual objective of reviewing the studies done by the students in the previous academic year and helping them to learn the curriculum of the present class in this academic year. During the first week after the commencement of the classes, the bridge course curriculum is delivered to the students in various disciplines. Computer knowledge is required in all science subjects. It is one of the fundamental subjects in the BSc course. Almost all branches of science require a knowledge of computer programming. Students are unaware of programming languages. To bridge this gap and to strengthen the fundamentals of the students, a project on computer science is incorporated as a bridge course. It would enable the students to grasp the concepts of computer science quickly and efficiently.

Bridge Course (Computer Science) 2023-2024

- **CONCEPT**- A bridge course for newly admitted students is conducted every year before the commencement of the first semester classes. Bridging courses are short, focused learning programs designed to help high school students to enter higher education institutions and graduate students to the post graduate students.
- **NECESSITY**- It is observed that NCERT syllabus as it is about 20-30% vast than the previous state board syllabus. While those who have studied ICSE or CBSE in school are not much affected, but those from the State syllabus may find it difficult. Bridge course helps students to open up, think creatively and become responsible and independent students.
- **AIMS and OBJECTIVE**- The main objective of the course is to bridge the gap between subjects studied at Pre-university level and subjects they would be studying in BSc and MSc classes
- **DURATION**- 15 Days
- **TIME** - Monday to Saturday
- **SYLLABUS**-

✓ REPORT

A bridging course is a university-preparation course with an academic curriculum that is offered to mature students as a means of preparing for the intellectual challenges of a university education.

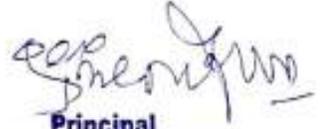

Our department conducted a bridge course for BSc students on date 15th July to 31st July.

Newly admitted students have attended this course for the upgradation of basic foundation of the graduation syllabus. During this interaction of few days with the faculty, the students came out of their hesitation and it was the best platform for the students to interact with the faculty members, making it responsible for them to build strong relationships with

faculty, advisers and other students.

STATE LEVEL SEMINAR

“Role of Social Research in Human life”

Monday, 17 April 2023

Organized by

UG & PG Department of Economics, JVM, Devgram

Convener & Chief Organizer

Dr. Devendra Bhongade

Principal, JVM

Organizing Secretary

Dr. Raju Shrirame

Head, Department of Economics

Respected Sir/ Madam,

Social research in humanities in today's time is of paramount importance and unique. This is because, social research is concerned with human needs. Society as a whole is considered a laboratory for studying this research problem. Economics has been closely related to the economic tendencies and economic transactions and behavior of human beings in the society. While studying the behavior of human factors, its changing preferences, its changing desires and aspirations and the social problems that arise from it, the importance of social research is very important to find out what are the reasons behind these problems. How important is the role of social research in economics and while doing research in the social field, it has become very necessary to examine different hypotheses and the tests of those hypotheses, to use statistical tools in social research, to bring out that research in a more scientific manner using this statistical tool. Which method of research should be used while doing social science? In order to find the correct answers to many unanswered questions such as what research plan should be determined for this, today's state level conference has been organized by the Department of Economics of our college keeping in mind the importance of social research in human life and to outline this existing problems. This college offers undergraduate and postgraduate level courses in Economics and students tend to pursue Economics for graduation and postgraduate degrees. In the future, a research center for Economics is also coming up in the college. Considering this scenario and the need, the College has taken an initiative to organize this seminar. We hope, in future the College will come forward as a model college in the university sphere and give opportunity to the research attitude of the students.

Objectives:

- To encourage the research of the students.
- To further develop the spirit of research at the root of the social problem.
- To do more projects in human life in the future.
- To encourage the perspective and research at the place of the students.
- To increase the level and quality of social research.

**BLOOD GROUP
DETECTION AND
AWARENESS PROGRAM
2023**

Introduction:

The Department of Microbiology at **Antyoday Mahavidyalaya, Devgram** organized a blood group detection activity aimed at promoting awareness and understanding of blood groups among the college community. The activity was held on **10th APRIL 2023** provided an opportunity for students, faculty, and staff to learn about their blood types and the importance of knowing them in medical emergencies, blood transfusions, and organ transplantations. Through this initiative, the department sought to empower individuals with knowledge about their own health and contribute to the promotion of public health awareness within the college. By offering free blood group testing services, the activity aimed to address common misconceptions and myths surrounding blood types, and encourage a culture of blood donation and volunteerism among students and staff. Additionally, the event served as a platform for collaboration between the Department of Microbiology and other departments within the college, fostering interdisciplinary cooperation in the promotion of health education and community outreach. Overall, the blood group test activity was designed to engage participants in a meaningful dialogue about the significance of blood groups in healthcare and to underscore the role of education in fostering a healthier and more informed community.

Materials Required

- Toothpicks
- Blood sample
- Alcohol Swabs
- Lancet
- Clean glass slide
- Sterile cotton balls
- Biohazard disposal container
- Monoclonal Antibodies (Anti-A, B, and D)

All this equipment will be readily available in a blood test tool kit.

Procedure

- First, take a glass slide and mark three circles on it after cleaning the slide.
- Unpack the Monoclonal Antibodies (MAB) kit. Now with the help of a dropper, add the Anti-A, Anti-B and Anti-D in the first, second and third circle respectively in a sequential order.
- Keep the slide aside safely without disturbing.
- Now you need to wipe the ring finger with the alcohol swabs and rub gently near the fingertip, where the blood sample will be collected.
- You need to prick the ring fingertip with the lancet and wipe off the first drop of the blood.
- As blood starts flowing out, allow it to fall on the three circles of the glass slide by gently pressing the fingertip.
- We must apply pressure on the pricked part in order to stop the blood flow. Use the cotton ball if required.
- Mix the blood sample gently with the help of a toothpick and wait for a minute to observe the result.

Precautions

Discard the alcohol swabs, lancet, cotton balls and toothpick after their use. Drop all the materials, including the glass slide into the biohazard disposal container after observing the result.

As mentioned above, there are four major blood groups and eight different blood types, collectively called the ABO Blood Group System. The groups are known to be based on the presence or absence of two specific antigens and antibodies– A and B:

- Group A- Antigen A and Antibody B.
- Group B- Antigen B and Antibody A.
- Group AB- Antigen A and B both and no Antibodies
- Group O- No Antigens and both A and B Antibodies.

Promoting blood Donation

Promoting blood group tests and blood donation is crucial for several reasons. Firstly, knowing one's blood type can save lives in emergencies, ensuring compatibility for transfusions. Secondly, encouraging regular blood donations helps maintain an adequate supply for medical treatments, surgeries, and emergencies. Additionally, raising awareness fosters a culture of altruism and community support, ultimately saving countless lives.

Findings:

- **Increased Awareness:** The activity significantly raised awareness among students about the significance of blood groups in medical emergencies.
- **Participation:** A large number of students actively participated in the blood group testing, indicating a positive response to health-related initiatives.
- **Knowledge Gain:** Many students reported gaining knowledge about the different blood groups and their compatibility, fostering a culture of informed decision-making.
- **Conclusion:**

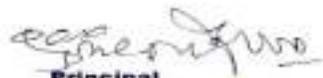

The blood group test activity proved to be a valuable educational experience for students, fostering a sense of responsibility towards their health and community. Moving forward, continued efforts to promote blood donation and health awareness are essential for building a healthier and more informed society.

- **Organised by :** UG & PG Department of Economics
- **Main Points of the Programme:** A total of 60 students took admission for the Community College course of Banking and Financial Services. 30 students were enrolled in 2 batches. While teaching in this way, the students were classified into two batches. Their prescribed course is for a total duration of 01 month and its duration is 30 days from 1st September 2022 to 30th September 2022. As per this course, teaching was done on the central component of Modern Exploitation Services and Core Banking System. According to the teaching of this course, it was seen that all these students benefited from it. Specially, for this purpose, the students created such accounts to carry

out financial transactions on their own according to the cashless payment system during their 30-day tenure. Hence special emphasis was laid on this along with Banking and Centralized Banking Services. The result was that all these students accordingly expressed their confidence to act as pioneers by taking their own initiative to create awareness about cashless banking in the society. In this course the emphasis was on practical things. In fact, this program can be said to be the biggest achievement.

Activity Report Programme Report 2022 – 2023

TITLE OF PROGRAM: Career Guidance for students on Personality development

Topic/ Themes : "Career Guidance for Competitive Examination & Career Counseling"

Date & Time : Tenure – One Day At 22th September 2022

Classes Time : 10.00 A.M.to 12.00 P. M.

Place : Jeevan Vikas Mahavidyalaya, Devgram

Aim : Encourages The Students To Understand Themselves And The Issues That Trouble Them, And Guides Them To Resolve Their Problems. These Problems Can Be Personal, Emotional, Social, Family, Peer, Academic, Sexual, Etc.

Objective : Objectives of Career Guidance

The objectives of career guidance are to provide individuals with the tools, information, and resources needed for self exploration, Goal setting and planning, personal and professional growth, Decision making and adaptability. In this section we are going to further understand each of these parameters.

- **Self-Exploration:** One of the primary objectives of career guidance is to help individuals explore and understand themselves better. Career counselors facilitate self-assessment by identifying an individual's interests, values, skills, personality traits, and motivations. This self-exploration process enables individuals to gain clarity about their strengths, weaknesses, and areas of passion, which in turn guides their career decisions.
- **Goal Setting and Planning:** Setting realistic and achievable career goals is another crucial objective of career guidance. Career counselors help individuals identify short-term and long-term career objectives based on their self-assessment and career exploration. They guide individuals in creating a roadmap to achieve their goals by breaking them down into actionable steps. Through strategic planning, individuals can navigate their career paths effectively and stay focused on their objectives.
- **Personal and Professional Growth:** Another objective of career guidance is to foster personal and professional growth. Career counselors encourage individuals to continuously develop their knowledge, skills, and competencies. They provide resources, such as workshops, networking events, and mentorship opportunities, to support individuals in their growth journey. By promoting ongoing learning and development, career guidance ensures individuals stay competitive and adaptable in the evolving job market.

STATE LEVEL SEMINAR

“Role of Social Research in Human life”

Monday, 17 April 2023

Organized by

UG & PG Department of Economics, JVM, Devgram

Convener & Chief Organizer

Dr. Devendra Bhongade

Principal, JVM

Organizing Secretary

Dr. Raju Shrirame

Head, Department of Economics

Respected Sir/ Madam,

Social research in humanities in today's time is of paramount importance and unique. This is because, social research is concerned with human needs. Society as a whole is considered a laboratory for studying this research problem. Economics has been closely related to the economic tendencies and economic transactions and behavior of human beings in the society. While studying the behavior of human factors, its changing preferences, its changing desires and aspirations and the social problems that arise from it, the importance of social research is very important to find out what are the reasons behind these problems. How important is the role of social research in economics and while doing research in the social field, it has become very necessary to examine different hypotheses and the tests of those hypotheses, to use statistical tools in social research, to bring out that research in a more scientific manner using this statistical tool. Which method of research should be used while doing social science? In order to find the correct answers to many unanswered questions such as what research plan should be determined for this, today's state level conference has been organized by the Department of Economics of our college keeping in mind the importance of social research in human life and to outline this existing problems. This college offers undergraduate and postgraduate level courses in Economics and students tend to pursue Economics for graduation and postgraduate degrees. In the future, a research center for Economics is also coming up in the college. Considering this scenario and the need, the College has taken an initiative to organize this seminar. We hope, in future the College will come forward as a model college in the university sphere and give opportunity to the research attitude of the students.

Objectives:

- To encourage the research of the students.
- To further develop the spirit of research at the root of the social problem.
- To do more projects in human life in the future.
- To encourage the perspective and research at the place of the students.
- To increase the level and quality of social research.

ग्रामीण महिलांचे प्रश्न अधिक बिकट

डॉ. राजू श्रीरामे
यांचे प्रतिपादन

• काटोल, १२ जानेवारी

शहरापेक्षा ग्रामीण भागातील विशेषतः आदिवासी महिलांचे प्रश्न बिकट आहेत. त्यावर आता संपूर्ण पत्रपत्रे लक्ष देत लोडगा काढायला हवा असे प्रतिपादन उपप्राचार्य डॉ. राजू श्रीरामे यांनी केले.

जीवन विकास महाविद्यालय देवग्राम येथे महिला अध्ययन केंद्राच्या वतीने आयोजित क्रांतीज्योती सावित्रीबाई फुले जयंती सोहळ्यात त्या बोलत होत्या. पाप्रसंगी प्रा. गायत्री डवरे, प्रा.कांचन चव्हाण, प्रा. रजनी गेडाम, प्रा. प्रणाली इंगोले उपस्थित होते. यावेळी डॉ. राजू श्रीरामे यांनी ग्रामीण भागातील महिलांच्या विश्वावर प्रकाश टाकला. त्यांच्या अडचणी समजून घेत त्यावर लोडगा काढण्याची

गरज असल्याचेही स्पष्ट केले. जेव्हा ग्रामीण भागातील महिला सुखी होतील तोच दिवस सर्वांसाठी लाभदायक ठरेल असेही त्यांनी स्पष्ट केले.

कार्यक्रमाचे प्रास्ताविक प्रा. रजनी गेडाम यांनी केले. क्रांतीज्योती सावित्रीबाई फुले म्हणजे समाजाच्या सत्कार्याचा आदर्श होत्या. यावेळी प्रा. कांचन चव्हाण, प्रा. गायत्री डवरे यांनीही आपले विचार मांडले. प्रमुख अतिथी म्हणून उपस्थित असलेल्या महिला अध्ययन केंद्राच्या विभागप्रमुख प्रा. प्रणाली इंगोले यांनी सावित्रीबाई फुले यांच्या सामाजिक कार्याचा परिचय देत सामाजिक बांधिलकी जपण्याचे आवाहन पाप्रसंगी केले. कार्यक्रमाची रूपरेखा प्रा. कु. रजनी गेडाम यांनी स्पष्ट केली. प्रा. सुधमा पराये यांनी कार्यक्रमाचे सूत्रसंचालन केले तर प्रा. प्रियंका बोडखे यांनी आभार मानले.

 - **Vote of Thanks** : Ku. Neha Bagde
- **Participants/Beneficiaries** : 52 Students
- **Outcome** : Seminar can increase the knowledge about fundamental principle of physics and to search for new phenomena.
- **Organized by** : Department of Physics
- **Main points of the program** : Generally student says that Physics is a tough subject and they take time to understand, analyze and then solve all queries in Physics. Seminar can increase the knowledge about fundamental principle of Physics and to search new phenomena and then communicate it. This skill is not only valued at graduate and post graduate level but it is highly valued in professional. That is the reason reports are graded for their analytical content and communicative skills. For that many queries we organized seminars on fundamental physics for giving knowledge about basic physics for improving the problem solving quality of students.

In seminar every students was given 7 minutes time for seminar. In that 7 minutes, we distribute that time into $5 + 2 = 7$. For power point presentation we give 5 minutes and for discussion or questioning give 2 minutes.

Session 2023 – 2024

Activity Report

TITLE OF PROGRAM: Physical & Metal Health Yoga Camp

Topic/ Themes : "Special Coaching About Yoga & Meditation "

Date & Time : Tenure – Two Day - 12th November 2023 to 13 November 2023

Classes Time : 7.00 A.M.to 9.00 A. M.

Place : Jeevan Vikas Mahavidyalaya, Devgram

Aim : The aim of yoga is to promote holistic health and well-being, including physical, mental, and emotional health. The ultimate goal of yoga is to achieve self-realization and spiritual enlightenment, which is often described as a state of unity with the divine or higher consciousness.

Guest :

Chairperson : Dr, Devendra Bhongade , Principal, J V M , Devgrm

Chief Guest : Dr. Mahendra Sawant, Member, SAI

Co ordinator : Dr. Dipak Arajpure, Director, Sport & Physical Education

Participants / Beneficiaries : 220 Students of UG & PG Department of College

Outcomes: The objectives of yoga can be broken down into several categories:

Physical Health: Yoga aims to improve physical health by increasing flexibility, strength, balance, and cardiovascular health.

Mental Health: Yoga aims to promote mental health by reducing stress and anxiety, improving focus and concentration, and enhancing overall emotional well-being.

Spiritual Growth: Yoga aims to promote spiritual growth by cultivating self- awareness

Organised by : Department of Sport & Physical Education

Main Points of the Programme: Stress can be extremely devastating to both your body and your mind. Though usually just brushed aside, if it builds up it can cause some serious health problems. Yoga is known to help you manage and even lower stress.

Here is a detailed report of the Physical and Mental Health Yoga Camp:

Programme Details

- Date: November 12-13, 2023
- Time: 7:00 AM - 9:00 AM
- Place: Jeevan Vikas Mahavidyalaya, Devgram
- Participants: 220 UG and PG students
- Guests: Dr. Devendra Bhongade (Principal),
Dr. Sachin Walke
Dr. Dipak Arajpure (Director, Sport & Physical Education)

Introduction

Jeevan Vikas Mahavidyalaya, Devgram, organized a two-day Physical and Mental Health Yoga Camp on November 12-13, 2023. The camp aimed to promote holistic health and well-being among students, focusing on physical, mental, and emotional health.

Aims and Objectives

Aim: To promote holistic health and well-being through yoga and meditation.

Objectives:

1. Improve physical health through yoga practices.
2. Reduce stress and anxiety, promoting mental well-being.
3. Enhance emotional intelligence and spiritual growth.
4. Foster self-awareness and self-realization.

Vision and Mission

Vision: Empowering students with holistic well-being for a healthy and balanced life.

Mission: To integrate yoga and meditation into students' daily lives, promoting overall wellness.

Programme Outcome

The yoga camp benefited 220 UG and PG students, achieving the following outcomes:

1. Improved physical flexibility and strength.
2. Reduced stress and anxiety levels.
3. Enhanced focus, concentration, and emotional well-being.
4. Increased self-awareness and spiritual growth.

Special Features

- Expert guidance from Dr. Sachin Walke (SAI Member) and Dr. Dipak Arajpure (Director, Sport & Physical Education).
- Comprehensive yoga and meditation sessions.
- Interactive sessions on stress management and emotional intelligence.

Importance of the Programme

In today's fast-paced world, stress and anxiety are prevalent. Yoga offers a holistic approach to well-being, improving physical, mental, and emotional health. This program helped students develop coping mechanisms for stress and cultivated self-awareness.

Success Story

The camp received overwhelming feedback from participants, citing improved physical flexibility, reduced stress levels, and enhanced mental clarity.

Importance of Yoga in Modern Human Life

Yoga Offers Numerous Benefits:

- Reduces stress and anxiety.
- Improves physical health.
- Enhances mental clarity and focus.
- Fosters emotional intelligence and self-awareness.

Conclusion

The Physical and Mental Health Yoga Camp successfully promoted holistic well-being among students. The Department of Sport & Physical Education plans to conduct regular yoga sessions, integrating wellness into students' daily lives.

Concluding Summary

The two-day yoga camp achieved its objectives, benefiting 220 students. Expert guidance, comprehensive sessions, and interactive discussions made the program a success. Yoga's importance in modern life cannot be overstated, and Jeevan Vikas Mahavidyalaya is committed to promoting wellness through such initiatives.

NOTIFICATION DATE: 14thJuly 2020

This is to notify that the principal has decided to start Bridge Course in Jeevan Vikas Mahavidyalaya, Devgram for 1st year students in the month of August.

Following persons are hereby nominated as the In-charge of the Computer Science Course for the session 2020-21.

- 1) Sheetal D. Raut(Computer Science Dept.) – [8830956824]

The purpose/objective of the course –

- To prepare students before starting the University prescribed course Syllabus for BSc,

A bridge course for newly admitted students of UG & PG is conducted every year before the commencement of the first semester classes. The main objective of the course is to bridge the gap between subjects studied at school level and subjects they would be studying in Graduation. The syllabus for the course is framed in such a way that they get basic knowledge on the subjects which they would be learning through graduation. Accordingly, the Bridge Course has been prepared with the dual objective of reviewing the studies done by the students in the previous academic year and helping them to learn the curriculum of the present class in this academic year. During the first week after the commencement of the classes, the bridge course curriculum is delivered to the students in various disciplines. Computer knowledge is required in all science subjects. It is one of the fundamental subjects in the BSc. course. Almost all branches of science require a knowledge of computer programming. Students are unaware of programming languages. To bridge this gap and to strengthen the fundamentals of the students, a project on computer science is incorporated as a bridge course. It would enable the students to grasp the concepts of computer science quickly and efficiently.

Bridge Course (Computer Science)2023-2024

- **CONCEPT**- A bridge course for newly admitted students is conducted every year before the commencement of the first semester classes. Bridging courses are short, focused learning programs designed to help high school students to enter higher education institutions and graduate students to the post graduate students.
- **NECESSITY**- It is observed that NCERT syllabus as it is about 20-30% vast than the previous state board syllabus. While those who have studied ICSE or CBSE in school are not much affected, but those from the State syllabus may find it difficult. Bridge course helps students to open up, think creatively and become responsible and independent students.
- **AIMS and OBJECTIVE**-The main objective of the course is to bridge the gap between subjects studied at Pre-university level and subjects they would be studying in BSc and MSc classes
- **DURATION**-15Days
- **TIME** - Monday to Saturday
- **SYLLABUS** - For BSc:
UNIT 1-

Programming Structure: Sequence, Selection, Iteration and Modular. **Problem Solving techniques:** Development Tools: Algorithm, Flowcharts and Pseudo code (Definition and its characteristics) **Developing Algorithm and Drawing flowcharts**

UNIT 2-

C Character set, Tokens, Identifier, Keywords, Variables, Data types, Qualifiers. Operators and Expressions: Arithmetic, Relational, Logical, Bit-Wise, Increment, Decrement, Conditional and Special operators. typedef, Type Conversion, Constants, Declaring Symbolic Constants, Character Strings, Enumerated Data Types, Operator Precedence and Associativity. Library functions. : Maths, string handling Functions. Control Structure: Compound Statement, Selection Statement: if, if-else, Nested if, switch. Iteration statement: for, while, do..while, Nested loops, Jump statement: break, continue, goto. (Special emphasis on problem solving)

UNIT 3-

Arrays: Need, Types: Single and Two Dimensional Array.

Strings: Strings Manipulation, Arrays of Strings, Evaluation order

Function: Function Components, Return Data type, Parameter Passing, Return by Reference, Default Arguments, Recursive Functions, Arrays with Functions, Storage Classes. (Special emphasis on problem Solving)

UNIT 4-

Structure: Declaration, Definition, Accessing structure members, Initialization, Nesting of Structures.

Union: Unions, Differences between Structure and Union

Pointer: Introduction, Address Operator (&), Pointer variables, void pointers, Pointer Arithmetic, Pointers to Pointers.

File handling: Hierarchy of File Stream Classes, Opening & closing a file, Testing for errors, File Modes, File pointers and their manipulations, Sequential Access, Random Access, Command Line arguments.

✓ REPORT

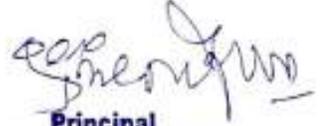

A bridging course is a university-preparation course with an academic curriculum that is offered to mature students as a means of preparing for the intellectual challenges of a university education.

Our department conducted a bridge course for BSc students on date 15th July to 31st July.

Newly admitted students have attended this course for the up gradation of basic foundation of the graduation syllabus. During this interaction of few days with the faculty, the students came out of their hesitation and it was the best platform for the students to interact with the faculty members, making it responsible for them to build strong relationships with faculty, advisers and other students.

Session 2023 – 2024

Tour Report

Department of Physics

Title: Educational Tour at Nagpur dated 12th March 2024.

Objective: The primary purpose of educational tour is to enhance classroom learning. They provide an opportunity for students to see, touch, and experience what they have learned in the classroom. It is a great and effective way to learn specific subjects beyond textbooks and lectures. To a certain extent, we can say that study tours are an essential part of the learning process. They enhance the classroom, promote social and emotional development, and expose students to real-life situations. Therefore, educational tour should be an integral part of every student's educational experience.

Main Content: Educational tours form a valuable part of the curriculum point of view for students. Making educational tours a necessary part of students' academics is an effective idea to motivate them to learn more.

The primary benefits of educational tours are that provides a platform for experiential learning and explore them. This cannot be fulfilled only with the help of books and classroom learning. Such a knowledge transformation can happen only with the help of Educational Tours.

For this purpose, department of Physics planned the educational tour for B. Sc. students under the guidance of Principal Dr. Devendra Bhongade.

The Raman Science Centre and Raman Planetarium Complex at Nagpur is an interactive science center affiliated with Mumbai's Nehru Science Centre. The center was developed to promote a scientific attitude, portray the growth of science and technology and their applications in industry and human welfare, and hold science exhibits. The center is named after famous Nobel Prize winner Indian physicist Chandrasekhara Venkata Raman.

RAMAN SCIENCE CENTRE

A large Science Park, sprawling over 6 acres of lush green beautiful landscape provided the student with an opportunity to relax in bright surroundings, away from the hustle & bustle of the city life and allowed the students to play with an array of outdoor exhibits on physical science. Pet animal cages, aviaries and Medicinal Plant Garden also enrich the environment.

Science Park-Fun-Science Center

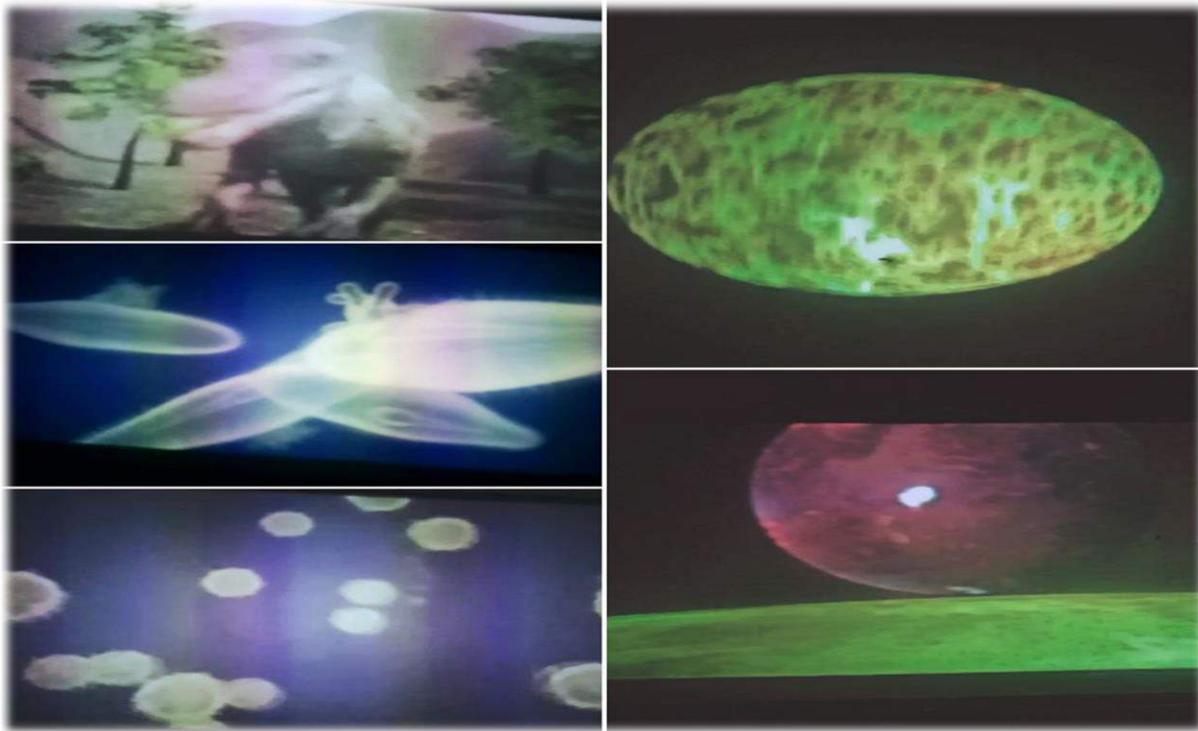

This exhibition provided students to hands on experience for exploring the scientific principles. Some of the attractive exhibits were Floor piano, Virtual Book, Visible effect of Invisible, Coriolis Force, Is It a Drop or Flow of water, Plasma Globe, Giant Soap Bubble, Spiral Musical Tubes, Reading in Dot Matrix Way, Mirror Maze, Dropping coins, Diamond is forever, Positive shadow, See Your Back, Resonance etc.

3-D Science Show

With this unique facility students enjoyed viewing 3-D films using a stereo projection system and specially aligned polarized spectacles. The Science of astronomy emerged because of intense study of sky by mankind. With the progress of civilization newer and better than ever

instruments were developed for astronomical observations which intensified star gazing and

widened human knowledge on celestial bodies.

Report on the Seven-day Faculty Development Programme (FDP) on "Research Methodology"

Introduction

The Faculty Development Programme (FDP) on "Research Methodology" was organized from June 16 to June 22, 2019. The FDP aimed at enhancing the research skills of faculty members, providing them with comprehensive insights into research methodologies, and equipping them with the necessary tools and techniques to conduct high-quality research.

Objectives

The primary objectives of the FDP were:

1. To introduce participants to various research methodologies.
2. To provide hands-on experience in using research tools and software.
3. To enhance the analytical skills of the participants.
4. To foster a research-oriented mind-set among faculty members.
5. To discuss the ethical aspects of research.

Participants

The FDP saw participation from a diverse group of faculty members from various academic institutions. A total of 85 participants attended the programme, including assistant professors, associate professors, and research scholars from different disciplines.

Resource Persons

The programme featured esteemed resource persons with extensive experience in research and academia. Some of the notable speakers included:

 - Feedback and Discussion
- **Valedictory Session**
 - Distribution of Certificates
 - Feedback from Participants
 - Closing Remarks by the Organizing Committee

Key Highlights

- **Interactive Sessions:** The sessions were highly interactive, with participants engaging in discussions, group activities, and Q&A sessions.
- **Hands-on Training:** Participants received hands-on training in using various research tools and software, enhancing their practical skills.
- **Expert Guidance:** The resource persons provided expert guidance and valuable insights, making the sessions highly informative and enriching.

Feedback

The feedback from the participants was overwhelmingly positive. They appreciated the well-structured programme, the expertise of the resource persons, and the practical approach to learning. Participants expressed their intent to apply the knowledge gained in their future research endeavours.

Conclusion

The Seven-day FDP on "Research Methodology" was a resounding success, achieving its objectives of enhancing the research capabilities of faculty members. The programme not only provided theoretical knowledge but also practical skills essential for conducting high-quality research. The organizing committee expressed its gratitude to all participants and resource persons for their active involvement and contributions.

Acknowledgments

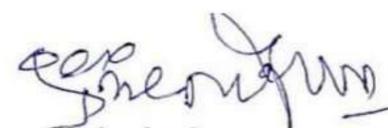

The organizing committee would like to thank:

- The esteemed resource persons for their valuable time and expertise.
- The participants for their enthusiastic participation and engagement.

Overview

Jeevan Vikas Mahavidyalaya, Devgram, organized a one-day National Level Seminar on the “Revised Parameters of Accreditation Framework” on the 16th of July, 2019. The seminar aimed to provide insights into the updated accreditation parameters, enabling academic institutions to better understand and implement these changes.

Inaugural Session

The seminar commenced with an inaugural session led by Dr. Devendra Bhongade, Principal of Jeevan Vikas Mahavidyalaya. In his opening remarks, Dr. Bhongade emphasized the importance of accreditation in maintaining and enhancing the quality of education. He highlighted the need for academic institutions to stay updated with the revised parameters to achieve and sustain high standards of education.

Keynote Addresses

Dr. Manala Hirwade from Nagpur delivered the first keynote address, providing a comprehensive overview of the revised accreditation framework. Dr. Hirwade discussed the key changes and their implications for higher education institutions. She emphasized the

importance of aligning institutional goals with the new accreditation criteria to ensure continuous improvement and excellence in education.

Dr. Sunil Kumar Navin, Principal of Nabira Mahavidyalaya, Katol, presented the second keynote address. He focused on the practical aspects of implementing the revised parameters. Dr. Navin shared best practices and strategies for institutions to effectively meet the new criteria. He also discussed the role of leadership and governance in driving quality assurance processes.

Dr. Yogesh Banginwar from Pulgaon concluded the keynote sessions with an engaging presentation on the challenges and opportunities presented by the revised accreditation framework. Dr. Banginwar highlighted the importance of a collaborative approach involving faculty, administration, and students in the accreditation process. He also stressed the need for continuous professional development to keep up with evolving standards.

Interactive Session

Following the keynote addresses, an interactive session was held where participants had the opportunity to engage with the resource persons. This session facilitated a lively discussion on various aspects of the revised accreditation parameters, allowing participants to seek clarifications and share their perspectives.

Conclusion

The one-day National Level Seminar on “Revised Parameters of Accreditation Framework” at Jeevan Vikas Mahavidyalaya was a resounding success. The seminar provided valuable insights and practical guidance on the updated accreditation criteria, equipping participants with the knowledge and tools to enhance their institution’s quality standards. One-day State Level Workshop on “Intellectual Property Rights”

Jeevan Vikas Mahavidyalaya, Devgram, tah. Narkhed, Dist. Nagpur-441301 (Maharashtra)

Date: 17-08-2019 (Time 10.00 am to 5.00 pm)

Chair Person

- **Dr. Devendra Bhongade**, Principal, Jeevan Vikas Mahavidyalaya, Devgram

Resource Persons

- **Dr. Mangala Hirwade**, Nagpur
 - **Dr. Devendra Kale**, Warud
 - **Dr. Adil Jiwani**, Katol
 - **Dr. Rushikesh Lavhale**, Warud
-

Overview

Jeevan Vikas Mahavidyalaya, Devgram, organized a one-day state level workshop on “Intellectual Property Rights” on August 17, 2019. The workshop aimed to enhance the understanding of intellectual property rights among educators, researchers, and students, and to provide insights into the practical aspects of intellectual property management.

Inaugural Session

The workshop commenced with an inaugural session led by Dr. Devendra Bhongade, Principal of Jeevan Vikas Mahavidyalaya. In his opening remarks, Dr. Bhongade emphasized the importance of intellectual property rights in today’s knowledge-driven economy. He highlighted the need for academic institutions to be well-versed in intellectual property laws to protect and commercialize their innovations.

Keynote Addresses

Dr. Mangala Hirwade from Nagpur delivered the first keynote address, providing an overview of intellectual property rights. Dr. Hirwade discussed the different types of intellectual property, including patents, copyrights, trademarks, and trade secrets. She also

emphasized the importance of safeguarding intellectual property to foster innovation and economic growth.

Dr. Devendra Kale from Warud presented the second keynote address. He focused on the legal aspects of intellectual property rights and the procedures for obtaining and enforcing these rights. Dr. Kale shared practical examples and case studies to illustrate the complexities involved in intellectual property law.

Dr. Adil Jiwani from Katol provided insights into the commercialization of intellectual property. His presentation covered strategies for licensing, technology transfer, and collaboration with industry partners. Dr. Jiwani emphasized the role of academic institutions in bridging the gap between research and commercialization.

Dr. Rushikesh Lavhale from Warud concluded the keynote sessions with a presentation on the challenges and opportunities in managing intellectual property. He discussed common pitfalls and best practices for intellectual property management, and highlighted the resources available to support institutions and individuals in this domain.

Interactive Session

Following the keynote addresses, an interactive session was held where participants had the opportunity to engage with the resource persons. This session facilitated a lively discussion on various aspects of intellectual property rights, allowing participants to seek clarifications and share their experiences.

Conclusion

The one-day state level workshop on “Intellectual Property Rights” at Jeevan Vikas Mahavidyalaya was a resounding success. The workshop provided valuable insights and practical guidance on intellectual property management, equipping participants with the knowledge and tools to protect and commercialize their innovations. The active participation and engagement of attendees reflected the workshop's impact and relevance.

Title: Jeevan Vikas Mahavidyalaya Hosts Three-Day Online FDP on Modern Tools of ICT and File Keeping

Date: December 14, 2020

Location: Devgram, Tah. Narkhed, Dist. Nagpur-441301 (Maharashtra)

Jeevan Vikas Mahavidyalaya, a premier institution in Devgram, successfully organized a three-day online Faculty Development Programme (FDP) for non-teaching staff from December 10 to 13, 2020. The programme focused on "Modern Tools of ICT and File Keeping," aiming to enhance the technological skills and file management capabilities of the participants.

The sessions were held from 10:00 AM to 1:00 PM daily, providing comprehensive training on various aspects of ICT tools and techniques. The event was chaired by Dr. Devendra Bhongade, Principal of Jeevan Vikas Mahavidyalaya, with Dr. Mangesh Acharya, IQAC Coordinator, and Dr. Pranali Ingole, FDP Coordinator, overseeing the programme.

Resource Persons:

- Miss Shital Raut, Devgram
- Dr. Devendra Kale, Warud
- Mr. Rushikesh Lavhale, Warud

The resource persons delivered insightful sessions on the use of modern ICT tools, advanced applications, and effective file keeping techniques. Their expertise and interactive teaching methods were highly appreciated by the participants.

Dr. Devendra Bhongade, in his opening remarks, emphasized the importance of ICT proficiency in today's educational environment. He highlighted the necessity of continuous learning and adaptation to new technologies for non-teaching staff to ensure efficient institutional operations.

Dr. Mangesh Acharya discussed the role of IQAC in promoting quality assurance and improvement in educational institutions. He stressed the need for regular training programmes to keep the staff updated with the latest advancements in technology and administrative practices.

Dr. Pranali Ingole expressed her gratitude to the resource persons and participants for their enthusiastic involvement in the FDP. She mentioned that such programmes are crucial for the professional development of non-teaching staff and contribute significantly to the overall growth of the institution.

The participants, comprising administrative and support staff from various departments, actively engaged in the sessions and appreciated the practical knowledge imparted by the resource persons. They expressed their satisfaction with the content and delivery of the programme and requested more such training sessions in the future.

The three-day FDP concluded with a feedback session, where participants shared their experiences and provided valuable suggestions for future programmes. Certificates of participation were awarded to all attendees.

Jeevan Vikas Mahavidyalaya remains committed to fostering a culture of continuous improvement and professional development among its staff, ensuring the highest standards of efficiency and effectiveness in its operations.

Overview:

The Seven-day Faculty Development Programme (FDP) on "Outcome Based Education" was successfully conducted from 25th to 31st July 2020 at Jeevan Vikas Mahavidyalaya, Devgram. The FDP aimed to enhance the teaching skills and knowledge of faculty members, focusing on the principles and practices of Outcome Based Education (OBE).

Day 1:

The event was inaugurated by Dr. Devendra Bhongade, Principal of JVMD, who emphasized the importance of OBE in modern education. Dr. Mangesh Acharya provided an overview of the FDP and its objectives. The first session was conducted by Dr. Mangesh Acharya, who introduced the concept of OBE and its significance.

Day 2:

Dr. Yogesh Sarode presented on designing curriculum and assessments aligned with OBE. The interactive session included case studies and practical examples to help participants understand the application of OBE in different disciplines.

Day 3:

Dr. Pranali Ingole discussed the methods of implementing OBE in classrooms. She highlighted the role of teachers in creating an outcome-focused learning environment and shared best practices for effective teaching.

Day 4:

Dr. Pravin Gharpure covered the topic of assessment strategies in OBE. He explained various formative and summative assessment techniques and how they can be used to measure learning outcomes effectively.

Day 5:

Dr. Rajkishor Gupta and Dr. Devendra Kale jointly conducted a session on the challenges and solutions in OBE implementation. They shared their experiences and provided practical tips to overcome common obstacles.

Day 6:

Dr. Dipak Arajpure and Mr. Prashant Dakhole focused on the use of technology in OBE. They demonstrated various tools and platforms that can facilitate outcome-based learning and assessment.

Day 7:

The final day included presentations by Mr. Ankush Bobde, Mr. Nagesh Dhobale, and Mr. Pritam Sukhadeve on case studies and success stories of OBE implementation. The FDP concluded with a feedback session, where participants shared their experiences and suggestions.

Feedback:

Participants appreciated the comprehensive coverage of OBE topics and the interactive nature of the sessions. They expressed their readiness to implement the learned practices in their teaching methods.

Conclusion:

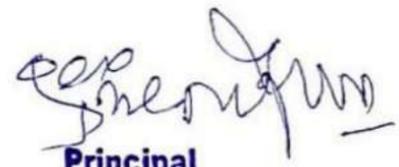

The Seven-day FDP on "Outcome Based Education" was a resounding success, providing valuable insights and practical knowledge to the faculty members. The event was instrumental in equipping them with the necessary tools and techniques to enhance their teaching practices and improve student learning outcomes.

JEEVAN VIKAS MAHAVIDYALAYA HOSTS SEVEN-DAY ONLINE FDP ON RESEARCH PAPER WRITING

Jeevan Vikas Mahavidyalaya, Devgram, Tah. Narkhed, Dist. Nagpur, Maharashtra – (JVMD) successfully conducted a Seven-Day Online Faculty Development Programme (FDP) from 05 to 12 August 2021. The FDP, titled “A Step by Step Guide to Write a Good Research Paper,” provided participants with an in-depth understanding of the research paper writing process.

Programme Overview

The FDP was chaired by Dr. Devendra Bhongade, Principal of JVMD, and organized with the coordination of Dr. Mangesh Acharya, IQAC Coordinator, and Dr. Yogesh Sarode, FDP Coordinator. The sessions, held daily from 10:00 AM to 1:00 PM, featured a comprehensive curriculum designed to guide participants through the various stages of research paper writing.

Distinguished Resource Persons

The programme featured a team of esteemed resource persons:

- **Dr. Anil Dodewar** from Nagpur, who provided insights on the basics of research paper writing and identifying research gaps.
- **Dr. Yogesh Banginwar** from Pulgaon, who guided participants on formulating research questions and hypotheses.
- **Dr. Shrikant Thakre** from Bharsingi, who covered literature review and research design.
- **Mr. Devendra Wasade** from Devgram, who focused on data collection and analysis techniques.
- **Dr. Kalyanee Thakre**, Head of the Department of Mathematics at JVMD, who elaborated on structuring and writing the research paper.

- **Dr. Raju Shrirame** from JVMD, who provided expert advice on referencing and citation practices.
- **Dr. Vijay Rahangadale** from Bharsingi, who concluded the programme with tips on finalizing and presenting research papers effectively.

Participant Engagement

The FDP received positive feedback from participants who valued the practical approach and interactive sessions. The comprehensive coverage of topics, from initial research design to final presentation, equipped participants with the tools needed to produce high-quality research papers. The programme was praised for its clarity, relevance, and the expertise of the resource persons.

Future Prospects

The success of this FDP underscores Jeevan Vikas Mahavidyalaya's commitment to advancing academic excellence and supporting the professional development of its faculty. The institution remains dedicated to offering valuable educational programs that contribute to the growth and effectiveness of educators.

Jeevan Vikas Mahavidyalaya (JVMD) successfully conducted a Three-Day Faculty Development Programme (FDP) on "How to Use Excel" from 12 to 15 January 2022. The programme was designed to enhance the technical skills of faculty members, enabling them to efficiently use Excel for academic and administrative tasks.

Programme Overview:

The FDP was inaugurated by Dr. Devendra Bhongade, Principal of JVMD, who emphasized the importance of digital literacy and technical proficiency in modern education. The event was coordinated by Dr. Mangesh Acharya and Dr. Pranali Ingole, who ensured the smooth execution of the programme.

Day 1: Introduction to Excel and Basic Functions

- **Resource Person:** Miss Shital Raut
- **Highlights:**
 - Overview of Excel interface and features
 - Basic functions and formulas
 - Data entry and formatting techniques
 - Practical exercises to familiarize participants with basic Excel operations

Day 2: Advanced Functions and Data Analysis

- **Resource Person:** Dr. Devendra Kale
- **Highlights:**
 - Advanced formulas and functions
 - Data analysis tools including PivotTables and PivotCharts
 - Use of conditional formatting and data validation
 - Hands-on practice sessions to reinforce learning

Day 3: Data Visualization and Practical Applications

- **Resource Person:** Dr. Kalyanee Thakre
- **Highlights:**
 - Techniques for data visualization using charts and graphs
 - Practical applications of Excel in academic and administrative tasks
 - Best practices for managing and organizing large datasets
 - Interactive workshops to apply knowledge in real-world scenarios

Participant Feedback:

The FDP was well-received by the participants, who appreciated the comprehensive coverage of Excel functionalities and the practical approach adopted by the resource persons. The interactive sessions and hands-on exercises were particularly beneficial in enhancing the participants' proficiency in using Excel.

Conclusion:

The successful completion of the FDP on "How to Use Excel" highlights JVMD's commitment to providing continuous professional development opportunities for its faculty members. The programme not only equipped participants with essential technical skills but also encouraged the integration of digital tools in their daily academic and administrative activities.

Three-Day Faculty Development Programme on "How to Use Excel" Successfully Conducted at Jeevan Vikas Mahavidyalaya

Devgram, Tah. Narkhed, Dist. Nagpur-441301 (Maharashtra), January 12-15, 2022 – Jeevan Vikas Mahavidyalaya (JVMD) successfully conducted a highly engaging and informative Three-Day Faculty Development Programme (FDP) on "How to Use Excel" from January 12 to 15, 2022. The programme aimed at enhancing the digital proficiency of faculty members in using Microsoft Excel for academic and administrative purposes.

Inaugural Session The FDP was inaugurated by the esteemed Chairperson, Dr. Devendra Bhongade, Principal of JVMD. In his opening remarks, Dr. Bhongade emphasized the importance of digital literacy and the role of Excel in streamlining various academic and research activities.

Programme Coordinators The programme was meticulously coordinated by Dr. Mangesh Acharya, IQAC Coordinator, and Dr. Pranali Ingole, FDP Coordinator. Both coordinators ensured a seamless execution of the sessions, addressing any queries and providing support to the participants.

Resource Persons The sessions were conducted by a panel of expert resource persons:

- **Miss Shital Raut:** An expert in data analysis and visualization, who introduced participants to the basic and advanced features of Excel.
- **Dr. Devendra Kale:** A seasoned academician, who demonstrated practical applications of Excel in academic research.
- **Dr. Kalyanee Thakre:** A faculty member at JVMD, who focused on the use of Excel for administrative tasks and data management.

Programme Highlights Over the course of three days, participants were engaged in hands-on training sessions covering a range of topics including:

- Basic and Advanced Excel Functions
- Data Analysis and Visualization
- Using Excel for Research Data Management
- Practical Applications of Excel in Academic and Administrative Work

Feedback and Closing Ceremony The FDP concluded with a feedback session where participants expressed their satisfaction and appreciation for the comprehensive coverage of topics and the expertise of the resource persons. The closing ceremony featured remarks from Dr. Mangesh Acharya and Dr. Pranali Ingole, who thanked the participants for their active involvement and encouraged them to apply the skills learned in their professional work.

Jeevan Vikas Mahavidyalaya, Devgram, Tah. Narkhed, Dist. Nagpur-441301 (Maharashtra)

Date: 26 to 29 September 2021

Time: 10:00 AM to 1:00 PM

In an effort to enhance the quality of education and align teaching methods with contemporary educational standards, Jeevan Vikas Mahavidyalaya (JVMD) organized a Three-Day Faculty Development Programme (FDP) on "Outcome-Based Education" from 26 to 29 September 2021.

The FDP was conducted under the leadership of Dr. Devendra Bhongade, Principal of JVMD, with Dr. Mangesh Acharya, IQAC Coordinator, and Dr. Pranali Ingole, FDP Coordinator, spearheading the event. The programme brought together a distinguished panel of resource persons who shared their expertise on various aspects of outcome-based education.

Resource Persons:

- **Dr. Raju Shrirame, JVMD**
- **Dr. Pravin Gharpure, JVMD**
- **Dr. Yogesh Sarode, JVMD**
- **Dr. Mangesh Acharya, JVMD**
- **Dr. Kalyanee Thakre, JVMD**
- **Mr. Pritam Sukhadeve**

The FDP aimed to equip faculty members with practical insights and tools to implement outcome-based education effectively. It covered critical topics such as curriculum design, student assessment, and teaching strategies that foster measurable learning outcomes.

Key Highlights of the Programme:

- **In-depth Sessions:** Resource persons delivered comprehensive sessions on the principles and practices of outcome-based education.
- **Interactive Discussions:** Participants engaged in interactive discussions and workshops, gaining hands-on experience in applying outcome-based techniques.
- **Networking Opportunities:** The programme provided a platform for faculty members to network and share best practices.

The FDP was well-received by attendees, who appreciated the opportunity to refine their teaching practices and enhance their understanding of outcome-based education. Feedback from participants highlighted the programme's effectiveness in addressing current educational challenges and providing practical solutions.

Report on One-Day Seminar on "Research Methodology"

Date: 25 July 2022

Time: 10:00 AM to 5:00 PM

1. Introduction

On 25 July 2022, Jeevan Vikas Mahavidyalaya (JVMD) organized a one-day seminar on "Research Methodology." The event was held at the college premises and aimed to enhance participants' understanding of research methods, data analysis, and academic writing. The seminar was attended by students, faculty members, and researchers from various institutions.

2. Objectives

The seminar aimed to:

- Provide a comprehensive overview of research methodology.
- Equip participants with practical skills in designing and conducting research.
- Discuss current trends and best practices in research.
- Facilitate interaction and knowledge exchange among researchers and academicians.

3. Inauguration

The seminar was inaugurated by the Chair Person, **Dr. Devendra Bhongade**, Principal of Jeevan Vikas Mahavidyalaya. Dr. Bhongade welcomed the participants and emphasized the importance of research methodology in academic and professional settings. His opening address set a positive tone for the day's proceedings.

4. Coordinators

The event was coordinated by:

- **Dr. Mangesh Acharya**, IQAC Coordinator, JVMD
- **Dr. Yogesh Sarode**, FDP Coordinator, JVMD

Both coordinators played a crucial role in organizing the seminar, managing logistics, and ensuring the smooth flow of the program.

5. Resource Persons

The seminar featured two distinguished resource persons:

- **Dr. Raju Shrirame**, an expert in research methodology and data analysis.
- **Dr. Yogesh Banginwar**, renowned for his contributions to academic research and publication.

Dr. Shrirame and Dr. Banginwar shared their extensive knowledge and practical insights on various aspects of research methodology, including research design, data collection techniques, and statistical analysis.

6. Seminar Sessions

Morning Session (10:00 AM - 1:00 PM):

- **Introduction to Research Methodology:** Dr. Raju Shrirame delivered a session covering the fundamental concepts of research methodology, types of research methods, and the significance of a structured approach to research.

Lunch Break (1:00 PM - 1:45 PM)

Afternoon Session (1:45 PM - 5:00 PM):

- **Advanced Research Techniques and Data Analysis:** Dr. Yogesh Banginwar conducted a detailed session on advanced research techniques, including qualitative and quantitative methods. The session also covered data analysis tools and techniques, with practical demonstrations.

7. Participant Engagement

The seminar was highly interactive, with opportunities for participants to engage in Q&A sessions, group discussions, and hands-on activities. The resource persons addressed various queries and provided practical examples to illustrate key concepts.

8. Feedback and Evaluation

Feedback was collected from participants through a feedback form. The responses indicated a high level of satisfaction with the seminar. Participants appreciated the clarity of the presentations, the relevance of the content, and the expertise of the resource persons.

Suggestions for improvement included providing more case studies and interactive sessions in future seminars.

9. Conclusion

The one-day seminar on “Research Methodology” was a successful event that achieved its objectives of enhancing participants' knowledge and skills in research. The contributions of the resource persons and the efforts of the coordinators were instrumental in the seminar’s success. The feedback received will be valuable for organizing future events.

10. Acknowledgments

We extend our gratitude to the Chair Person, Dr. Devendra Bhongade, for his support and encouragement. Special thanks to the coordinators, Dr. Mangesh Acharya and Dr. Yogesh Sarode, for their meticulous planning and execution. Our sincere appreciation goes to Dr. Raju Shrirame and Dr. Yogesh Banginwar for their valuable contributions as resource persons.

REPORT ON

ONE-DAY SEMINAR ON “HOW TO WRITE RESEARCH PAPER”

Organized by: Internal Quality Assurance Cell (IQAC)

Date: 17th August 2022

Time: 10:00 AM to 5:00 PM

Venue: Jeevan Vikas Mahavidyalaya, Devgram, Tah. Narkhed, Dist. Nagpur, Maharashtra

Participants: 90

Introduction:

A one-day seminar on "How to Write Research Paper?" was held on 17th August 2022, organized by the Internal Quality Assurance Cell (IQAC) of Jeevan Vikas Mahavidyalaya, Devgram. The seminar aimed to equip participants with knowledge and skills required to write and publish research papers in reputed journals.

Objectives of the Seminar:

- To introduce participants to the fundamentals of research paper writing.
- To familiarize them with structure, style, and citation standards for academic writing.
- To offer practical guidance on selecting appropriate research topics and journals for publication.

Inaugural Session:

The seminar commenced with a formal inauguration at 10:00 AM. Dr. Devendra Bhongade, Principal of Jeevan Vikas Mahavidyalaya, presided over the event as the Chairperson. He highlighted the importance of research in academic growth and encouraged the participants to engage actively in scholarly pursuits.

Resource Person:

Dr. Anil G. Dodewar, Associate Professor and Head, Department of English, Mahila Mahavidyalaya, Nagpur, was the invited resource person for the seminar. With his expertise in academic writing and editing, Dr. Dodewar provided valuable insights into various aspects of research paper writing. He is also the Editor of the National Online UPA Journal, which added practical dimensions to his presentation.

Sessions:

The seminar was divided into multiple sessions:

1. Introduction to Research Paper Writing: Dr. Dodewar started with an overview of the basics, covering the purpose, structure, and types of research papers. He explained the significance of originality and clarity in research.

2. Selecting a Research Topic: The session focused on how to choose relevant and contemporary research topics. Dr. Dodewar guided participants on aligning their research interests with current trends in their respective fields.

3. Structure and Formatting: This session dealt with the structural components of a research paper, including the title, abstract, introduction, literature review, methodology, results, and conclusion. Dr. Dodewar emphasized the need for clarity in writing and adherence to academic standards.

4. Citation and Referencing: Participants were introduced to various citation styles such as APA, MLA, and Chicago. The importance of ethical research practices, including plagiarism prevention and proper referencing, was stressed.

5. Submission and Publication: Dr. Dodewar concluded the seminar with practical tips on submitting research papers to journals. He discussed how to identify suitable journals, respond to peer reviews, and revise papers accordingly.

Interactive Session:

The seminar included an interactive session where participants asked questions related to their own research work. Dr. Dodewar provided personalized guidance, which was well-received by the audience.

Conclusion:

The seminar concluded with a vote of thanks by Dr. Mangesh Acharya, IQAC Coordinator, who appreciated the valuable contribution of Dr. Dodewar and acknowledged the participation of all attendees. Dr. Yogesh Sarode, FDP Coordinator, also expressed his gratitude towards the organizing committee and participants for making the seminar a success.

Feedback:

Participants expressed positive feedback, stating that the seminar had significantly enhanced their understanding of research paper writing. Many found the content highly relevant and immediately applicable to their academic endeavors.

Jeevan Vikas Mahavidyalaya, Devgram, successfully organized a one-day seminar on "How to Write Research Paper?" on 17th August 2022. The event was organized by the Internal Quality Assurance Cell (IQAC) to provide valuable insights to students and researchers on the essential components of writing and publishing research papers.

The seminar commenced at 10:00 AM, under the chairmanship of **Dr. Devendra Bhongade**, Principal of Jeevan Vikas Mahavidyalaya. In his inaugural speech, Dr. Bhongade emphasized the importance of quality research in academia and encouraged participants to engage actively in research activities.

The resource person for the seminar was **Dr. Anil G. Dodewar**, Associate Professor and Head of the Department of English, Mahila Mahavidyalaya, Nagpur. Dr. Dodewar, who is also the editor of the National Online UPA Journal, shared his vast experience in academic research. He guided the participants through various stages of writing research papers, including topic selection, structuring the paper, citation, and avoiding plagiarism. He also provided insights into how to select the right journals and navigate the submission process.

The seminar saw enthusiastic participation from 90 students, who actively engaged in the interactive sessions. The seminar's coordinators, **Dr. Mangesh Acharya** (IQAC Coordinator) and **Dr. Yogesh Sarode** (FDP Coordinator), ensured the smooth conduct of the event.

The program concluded with a vote of thanks delivered by Dr. Mangesh Acharya, expressing gratitude to the resource person, the chairperson, and all participants for making the seminar a success. The seminar ended at 5:00 PM, with participants expressing appreciation for the valuable knowledge they gained.

Workshop Overview:

On 22nd August 2022, the Internal Quality Assurance Cell (IQAC) of Jeevan Vikas Mahavidyalaya, Devgram, organized a one-day workshop titled "How to Develop Business Skills." The event saw enthusiastic participation from 87 students and staff members who were keen to enhance their entrepreneurial and business acumen.

The workshop was inaugurated by **Dr. Devendra Bhongade**, Principal of JVMD, who delivered an insightful speech on the importance of business skills in the modern economic landscape. He emphasized how crucial it is for students to develop practical knowledge and strategies to excel in the competitive business world.

Sessions Conducted:

1. Business Skills Fundamentals (10:30 AM – 12:00 PM):

The workshop commenced with a session led by **Dr. Arti Deshmukh**, who provided an in-depth introduction to essential business skills. She discussed the critical components required for running a successful business, including strategic planning, leadership, and financial management.

2. Developing an Entrepreneurial Mindset (12:00 PM – 1:30 PM):

Dr. Deshmukh engaged the participants in a thought-provoking session focused on fostering an entrepreneurial mindset. Through real-life case studies and examples, she explained the importance of innovation, risk-taking, and effective decision-making in business development.

Lunch Break (1:30 PM – 2:30 PM)

3. Communication and Leadership (2:30 PM – 4:00 PM):

In the afternoon session, Dr. Deshmukh discussed the role of communication and leadership in business success. The participants learned about the importance of effective communication in team management and client interactions, along with leadership strategies that drive business growth.

4. Group Activity: Business Plan Development (4:00 PM – 5:00 PM):

To wrap up the workshop, participants were divided into groups to develop their own business plans. Each group presented their ideas, focusing on aspects such as marketing strategies, financial planning, and potential risks. Dr. Deshmukh provided feedback and guidance, encouraging students to think critically and creatively.

Participant Feedback:

The workshop received excellent feedback from the participants. They appreciated the interactive nature of the sessions and the practical examples shared by **Dr. Arti Deshmukh**. Many students remarked that the hands-on activities and group discussions helped them better understand business concepts and boosted their confidence in pursuing entrepreneurial ventures.

Conclusion:

The one-day workshop on "How to Develop Business Skills" was a highly successful event. It provided students with the necessary tools to develop a strong foundation in business skills, helping them prepare for future challenges in their careers. REPORT ON ONE-DAY WORKSHOP ON “ENHANCING SOFT SKILLS”

Organized by: Internal Quality Assurance Cell (IQAC), Jeevan Vikas Mahavidyalaya, Devgram

Date: 6th September 2022

Time: 10:00 AM to 5:00 PM

Venue: Jeevan Vikas Mahavidyalaya, Devgram

Participants: 65

Introduction

The Internal Quality Assurance Cell (IQAC) of Jeevan Vikas Mahavidyalaya, Devgram, organized a one-day workshop on “Enhancing Soft Skills” on 6th September 2022. The workshop aimed to develop essential soft skills such as communication, teamwork, leadership, and time management among students, equipping them with the necessary skills to thrive in today’s competitive environment. The workshop was attended by 65 participants, including faculty members and students.

Chairperson’s Address

The workshop was inaugurated with an address by **Dr. Devendra Bhongade**, Principal of Jeevan Vikas Mahavidyalaya, Devgram, who served as the chairperson of the event. In his opening remarks, Dr. Bhongade emphasized the growing importance of soft skills in both personal and professional spheres. He highlighted how enhancing communication and interpersonal skills is key to success in the global job market and encouraged participants to actively engage in the workshop.

Workshop Sessions

Resource Person: Dr. Trupti Thakre

The workshop’s sessions were conducted by **Dr. Trupti Thakre**, Head of the Department of Mathematics, Jeevan Vikas Mahavidyalaya, Devgram. With her extensive experience in teaching and communication, Dr. Thakre designed interactive sessions to ensure maximum engagement.

1. Morning Session (10:00 AM - 1:00 PM):

○ Topic: Importance of Soft Skills in the Workplace

- Dr. Thakre opened the session by explaining the significance of soft skills in various professional settings, focusing on how skills like teamwork, adaptability, and problem-solving are critical to career advancement.
- The session included role-playing activities and case studies, where participants were asked to collaborate in teams to solve hypothetical workplace challenges.

2. Afternoon Session (2:00 PM - 5:00 PM):

○ Topic: Communication and Interpersonal Skills

- In this session, Dr. Thakre focused on developing effective communication strategies, including verbal and non-verbal communication techniques. She provided practical tips on active listening, empathy, and conflict resolution.
- The session concluded with a group activity where participants practiced delivering impromptu speeches, followed by feedback from the resource person and peers.

Workshop Highlights

- **Interactive Activities:** The workshop was highly interactive, with multiple group discussions, role-playing exercises, and individual presentations. These activities helped participants to put the theoretical knowledge they learned into practice.
- **Practical Takeaways:** Participants left with practical tools for improving their communication skills, building confidence, and enhancing their ability to work in teams.
- **Positive Feedback:** Many participants expressed their appreciation for the resource person's dynamic approach and the valuable insights gained from the workshop.

Coordinators' Role

The successful execution of the workshop was made possible by the efforts of the coordinators:

- **Dr. Mangesh Acharya**, IQAC Coordinator, Jeevan Vikas Mahavidyalaya, and
- **Dr. Yogesh Sarode**, FDP Coordinator, Jeevan Vikas Mahavidyalaya.

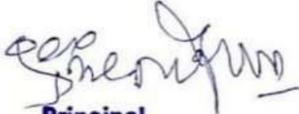

Both coordinators worked closely to ensure smooth logistical arrangements and active participation from the attendees. Their role in organizing the event contributed significantly to its success.

Conclusion

The one-day workshop on "Enhancing Soft Skills" was a fruitful endeavor that provided participants with a platform to improve their soft skills, particularly in communication and teamwork. The hands-on activities and insightful sessions by Dr. Trupti Thakre were well-received and appreciated by all attendees. The workshop not only enriched students with critical soft skills but also motivated them to continue developing these abilities for their future careers.

Dr. Trupti Thakre, Head of the Department of Mathematics, JVMD, served as the resource person for the workshop. Dr. Thakre led two interactive sessions focusing on the importance of soft skills and practical strategies for enhancing communication and interpersonal abilities.

Workshop Highlights:

- **Morning Session:** Dr. Thakre presented insights on the importance of soft skills in the workplace, followed by role-playing activities where participants tackled various workplace challenges.
- **Afternoon Session:** The focus shifted to developing communication and interpersonal skills through interactive exercises, including impromptu speech presentations.
- **Feedback Session:** Participants engaged in a feedback session to discuss their learning experiences and share insights.

The workshop was well-received, with participants expressing appreciation for the practical knowledge and skills gained. The event provided a valuable platform for students and faculty to develop and refine their soft skills, fostering a more effective and confident approach to professional interactions.

REPORT ON ONE-DAY WORKSHOP ON “EMPLOYMENT AVAILABILITY IN PACKAGING INDUSTRY”

Organized by: Jeevan Vikas Mahavidyalaya, Devgram, Tah. Narkhed, Dist. Nagpur

Date: 10th February 2023

Time: 10:00 AM to 5:00 PM

Participants: 55

Overview

On 10th February 2023, Jeevan Vikas Mahavidyalaya, Devgram, successfully organized a one-day workshop on “Employment Availability in Packaging Industry.” The workshop aimed to provide valuable insights into career opportunities in the growing packaging industry and equip students with the necessary knowledge and skills to pursue careers in this field.

Chairperson

Dr. Devendra Bhongade, Principal of Jeevan Vikas Mahavidyalaya, presided over the workshop, emphasizing the importance of industrial sectors like packaging in creating employment for graduates. In his inaugural address, Dr. Bhongade encouraged students to explore opportunities in this promising field and highlighted the relevance of skill-based education.

Coordinators

The workshop was meticulously coordinated by:

- **Dr. Mangesh Acharya**, IQAC Coordinator, JVMD, who supervised the event's execution, ensuring smooth communication and organization.
- **Dr. Raju Shrirame**, FDP Coordinator, JVMD, who facilitated the integration of the workshop into the institution's professional development program.

Resource Persons

Two eminent resource persons from Nabira Mahavidyalaya, Katol, were invited to share their expertise and experiences with the participants:

- **Dr. Adil Jiwani**, an expert in industrial applications, discussed the technical aspects of the packaging industry and the evolving trends that influence its growth. He explained how technological advancements have made packaging a dynamic and essential part of multiple sectors such as food, pharmaceuticals, and consumer goods.
- **Dr. Rajesh Daware** focused on employment opportunities within the industry, highlighting the increasing demand for skilled professionals. He provided a comprehensive overview of the different job roles available, from production management to quality control and marketing. He also emphasized the need for specialized training and certifications to enhance employability in the packaging sector.

Workshop Proceedings

The workshop commenced at 10:00 AM with an introduction to the packaging industry, followed by interactive sessions led by the resource persons. The participants, consisting of 55 students and staff members, were actively involved in discussions on industry requirements, job prospects, and the skills needed for a successful career in the field.

The key takeaways from the workshop included:

- Understanding the growing scope of the packaging industry in India and globally.
- Awareness of different job profiles, such as packaging technologists, design engineers, and quality inspectors.
- Insight into the technical and management skills required to thrive in the industry.
- Practical advice on how to prepare for job interviews and the importance of internships and hands-on experience.

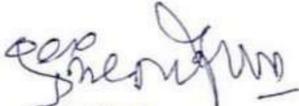

Conclusion

The workshop concluded at 5:00 PM with a vote of thanks by **Dr. Mangesh Acharya**, who expressed gratitude to the resource persons for their insightful contributions and to the participants for their enthusiastic involvement. The event was a great success, with participants gaining a clear understanding of the employment opportunities available in the packaging industry.

Jeevan Vikas Mahavidyalaya continues its commitment to providing students with exposure to emerging industries and equipping them with the skills needed for future career success.

ONE-DAY WORKSHOP ON "EMPLOYMENT AVAILABILITY IN PACKAGING INDUSTRY" HELD AT JEEVAN VIKAS MAHAVIDYALAYA, DEVGRAM

Devgram, Tah. Narkhed, Dist. Nagpur

10th February 2023

A one-day workshop on "Employment Availability in Packaging Industry" was successfully conducted at Jeevan Vikas Mahavidyalaya (JVMD), Devgram, on 10th February 2023. The event was organized to highlight career opportunities in the growing packaging industry and attracted 55 participants, including students and faculty members.

The workshop was chaired by **Dr. Devendra Bhongade**, Principal of Jeevan Vikas Mahavidyalaya. In his opening remarks, Dr. Bhongade emphasized the importance of aligning education with industrial needs, especially in sectors like packaging, which offer immense employment potential. He encouraged students to consider careers in this field and to enhance their skills for better employability.

The workshop was coordinated by **Dr. Mangesh Acharya**, IQAC Coordinator, and **Dr. Raju Shrirame**, FDP Coordinator at JVMD. They ensured the smooth execution of the program, which included insightful sessions delivered by two expert resource persons from Nabira Mahavidyalaya, Katol:

- **Dr. Adil Jiwani**, who presented an overview of the packaging industry, its current trends, and the technological advancements shaping its future.
- **Dr. Rajesh Daware**, who focused on employment opportunities within the packaging sector, outlining various job roles and the qualifications required to succeed in this field.

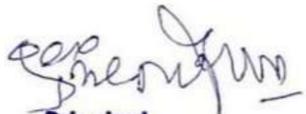

The workshop covered a wide range of topics, including the demand for skilled professionals in packaging, technical and management roles available, and the essential skills needed to thrive in the industry. The sessions were followed by an interactive Q&A where participants had the opportunity to clarify their queries and engage in meaningful discussions with the resource persons.

The event concluded with a vote of thanks delivered by **Dr. Mangesh Acharya**, who expressed gratitude to the resource persons, participants, and organizers for making the workshop a success. He reaffirmed the college's commitment to providing students with exposure to emerging career opportunities and industry-relevant education.

Jeevan Vikas Mahavidyalaya continues to organize such workshops to bridge the gap between academia and industry, thereby enhancing the employability of its students.

Report on the Seven-day Faculty Development Programme (FDP) on "Research Methodology"

Introduction

The Faculty Development Programme (FDP) on "Research Methodology" was organized from June 16 to June 22, 2023. The FDP aimed at enhancing the research skills of faculty members, providing them with comprehensive insights into research methodologies, and equipping them with the necessary tools and techniques to conduct high-quality research.

Objectives

The primary objectives of the FDP were:

1. To introduce participants to various research methodologies.
2. To provide hands-on experience in using research tools and software.
3. To enhance the analytical skills of the participants.
4. To foster a research-oriented mind-set among faculty members.
5. To discuss the ethical aspects of research.

Participants

The FDP saw participation from a diverse group of faculty members from various academic institutions. A total of 24 participants attended the programme, including assistant professors, associate professors, and research scholars from different disciplines.

Resource Persons

The programme featured esteemed resource persons with extensive experience in research and academia. Some of the notable speakers included:

- Dr. Satish Jadhav, Professor of Economics, Nagar Parishad Shivaji Mahavidyalaya, Mowad.
- Dr. Anil Dodewar, Head department of English, Mahila Mahavidyalaya, Nandanwan, Nagpur
- Dr. Jayant Jawanjale, Principal, Shri Pandharinath college, Narkhed
- Dr. Raju Shrirame, Vice-Principal Associate Jeevan Vikas Mahavidyalaya, Devgram

Programme Schedule

The FDP was structured into multiple sessions, each focusing on different aspects of research methodology. The schedule was as follows:

Day 1: June 16, 2023

- **Inaugural Session**
 - Welcome Address by the Programme Coordinator
 - Inaugural Speech by the Chief Guest
 - Keynote Address on "The Importance of Research Methodology"
- **Session 1: Introduction to Research Methodology**
 - Overview of Research Methodology
 - Types of Research
 - Formulating Research Questions and Hypotheses

Day 2: June 17, 2023

- **Session 2: Literature Review**
 - Importance of Literature Review
 - Sources of Literature
 - Conducting a Systematic Literature Review

Day 3: June 18, 2023

- **Session 3: Research Design and Sampling Techniques**
 - Research Design: Exploratory, Descriptive, and Experimental
 - Sampling Methods and Techniques
 - Determining Sample Size

Day 4: June 19, 2023

- **Session 4: Data Collection Methods**
 - Qualitative and Quantitative Data Collection Methods
 - Survey Design and Questionnaire Development

Day 5: June 20, 2023

- **Session 5: Data Analysis Techniques**
 - Descriptive and Inferential Statistics
 - Use of Software for Data Analysis (SPSS, R, etc.)
 - Interpreting Data and Drawing Conclusions

Day 6: June 21, 2023

- **Session 6: Writing and Publishing Research Papers**
 - Structure of a Research Paper
 - Writing a Research Proposal
 - Selecting Journals for Publication
 - Ethical Considerations in Research

Day 7: June 22, 2023

- **Session 7: Presentation of Research Findings**
 - Preparing Research Presentations
 - Presenting Research Findings Effectively
 - Feedback and Discussion
- **Valedictory Session**
 - Distribution of Certificates
 - Feedback from Participants
 - Closing Remarks by the Organizing Committee

Key Highlights

- **Interactive Sessions:** The sessions were highly interactive, with participants engaging in discussions, group activities, and Q&A sessions.
- **Hands-on Training:** Participants received hands-on training in using various research tools and software, enhancing their practical skills.
- **Expert Guidance:** The resource persons provided expert guidance and valuable insights, making the sessions highly informative and enriching.

Feedback

The feedback from the participants was overwhelmingly positive. They appreciated the well-structured programme, the expertise of the resource persons, and the practical approach to learning. Participants expressed their intent to apply the knowledge gained in their future research endeavours.

Conclusion

The Seven-day FDP on "Research Methodology" was a resounding success, achieving its objectives of enhancing the research capabilities of faculty members. The programme not only provided theoretical knowledge but also practical skills essential for conducting high-quality research. The organizing committee expressed its gratitude to all participants and resource persons for their active involvement and contributions.

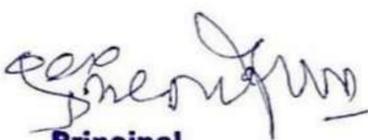

Acknowledgments

The organizing committee would like to thank:

- The esteemed resource persons for their valuable time and expertise.
- The participants for their enthusiastic participation and engagement.
- The supporting staff for their efforts in ensuring the smooth conduct of the programme.

News Report: Successful Completion of Seven-day Faculty Development Programme on "Research Methodology" at Jeevan Vikas Mahavidyalaya, Devgram

Date: June 16 - 22, 2023

Venue: Jeevan Vikas Mahavidyalaya, Devgram

Jeevan Vikas Mahavidyalaya, Devgram, successfully hosted a Seven-day Faculty Development Programme (FDP) on "Research Methodology" from June 16 to June 22, 2023. The FDP aimed at equipping faculty members with advanced research skills and methodologies, fostering a research-oriented mindset among the participants.

Programme Highlights

The FDP featured a comprehensive curriculum covering various aspects of research methodology, including literature review, research design, data collection, and data analysis techniques. The sessions were designed to provide both theoretical knowledge and practical skills, enabling participants to conduct high-quality research in their respective fields.

Esteemed Resource Persons

The programme boasted an impressive lineup of resource persons, each bringing extensive experience and expertise in their respective fields:

- **Dr. Devendra Kale, Warud:** An eminent researcher with numerous publications in national and international journals, Dr. Kale shared his insights on advanced research methodologies and statistical analysis.
- **Dr. Yogesh Banginwar, Head of Microbiology, Pulgaon, Wardha:** Dr. Banginwar's sessions focused on the application of microbiological research techniques, providing participants with a deeper understanding of scientific research processes.
- **Dr. Yogesh Sarode, Head, Department of English, JVMD:** Dr. Sarode delivered engaging sessions on conducting literature reviews and the importance of a strong theoretical framework in research.
- **Dr. Mangesh Acharya, Head, Department of Political Science, JVMD:** Dr. Acharya discussed the nuances of research design and sampling techniques, emphasizing the need for rigorous and ethical research practices.

Participant Feedback

The FDP saw enthusiastic participation from faculty members across various academic institutions. Participants praised the well-structured programme and the expertise of the resource persons. The hands-on training sessions were particularly appreciated for their practical approach, enabling participants to directly apply the knowledge gained in their research endeavors.

One of the participants, Dr. Anjali Deshmukh, remarked, "The FDP was extremely insightful and well-organized. The sessions on data analysis and research design were particularly beneficial. I am confident that the skills I have acquired during this programme will greatly enhance my research capabilities."

Conclusion

The Seven-day FDP on "Research Methodology" at Jeevan Vikas Mahavidyalaya, Devgram, concluded on a high note, successfully achieving its objectives of enhancing the research capabilities of faculty members. The programme not only provided theoretical insights but also practical skills essential for conducting high-quality research. The organizing committee expressed gratitude to all participants and resource persons for their active involvement and contributions.

Future Prospects

Following the success of this FDP, Jeevan Vikas Mahavidyalaya plans to organize more such programmes in the future, focusing on various aspects of academic and professional development. These initiatives aim to foster a culture of continuous learning and excellence in research among faculty members.

This FDP has set a benchmark for future programmes, demonstrating the importance of continuous professional development for faculty members in advancing academic research standards
