7.1.8 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 500 words).

Response:

The institution believes in equality of all cultures and traditions as is evident from the fact that the students belonging to different religious, racial and cultural identities study together harmoniously. Though the institution has diverse socio-cultural background and different linguistic, we do not have any intolerance towards cultural, regional, linguistic, communal socio economic and other diversities.

Celebration of various days and events promoted the spirit of national integration. The very prime age in which students should understand the meaning of secularism starts as an adult in the college age. Hence maintaining communal harmony by loving their classmates irrespective of their caste, colour, creed and religion is rooted in them along with studies. Every student is equally treated and an environment of toleration and belief is also maintained. Extension activities, projects, field visits, educational tours helped the students to develop an inclusive environment and feel supported where they are extended a sense of belonging regardless of identity.

To build a nation of youth, the College, Jeevan Vikas Mahavidyalaya organizes and conducts several activities to build and promote an environment for ethical, cultural, and spiritual values among the students and staff. To develop the emotional and religious feelings among all, commemorative days are celebrated with the initiative and support of the management for not only recreation and amusement but also to generate the feeling of oneness and social harmony.

The college and staff jointly celebrate the cultural and regional festivals, like, Induction program, Teachers' day, orientation and farewell program, plantation, Youth day, Women's day, Yoga day, Lord Ganesha Festivals, *Kojagiri* Celebration, folk dances etc. Motivational lectures of eminent persons of the field are arranged for making them responsible citizens following the national values of social and communal harmony and national integration. Besides academic and cultural activities, the college has made provision for sports activities constructing Indoor Stadium.

The village adoption by the college in which all stakeholders of the community are involved find suitable place in all activities and thus there is representation of communal harmony. 'Mission Oxygen Programme' through Tree Plantation adds in harmony towards socioeconomic diversity. Adoption of 'Orphan students' by the college makes socioeconomic balance.

Socio Economic

In tune with the name of college, the college imparts education to the poor, downtrodden masses and to the last man of the society. We have students from diversified background. The needs of poor / downtrodden students are fulfilled by college i.e. Free admission, Scholarships (Government as well as institution sponsored scholarship).

Linguistic

The mediums of instruction are Marathi and English. We also have Hindi language for catering needs of non- Marathi Students. The classrooms are responsive and the diversity of language is dealt with, though it is not a major issue, as almost all the students are from the same state.

Cultural Amalgamation

The secular aspect is preserved by our college since the establishment. The institute acknowledges the diversity of the student population and understands the importance of promoting cultural awareness. Teachers are interested in fostering cultural awareness and needs. Festivals of every religion are celebrated with enthusiasm by involving students of every community in our college. The multi-cultural competency is developed among the students by learning about different cultures, a way of practicing traditions, traditional cooking, ethnic designing and stitching, developing and performing arts.

In this way the institute's efforts/initiatives are providing an inclusive environment for everyone.

CONCEPT NOTE

Literary pieces in Indian Writing in English have raised the quandaries of women in the social structure from various aspects. R. K. Narayana, Bhabhani Bhattacharya, Nayantara Sahgal, Anita Desai, Shashi Deshpande, Namita Gokhale, Shobha De, Manju Kapur, and Arundhati Roy are a few prominent names who have given space to women's plight. Considering the exploitation of the past in all its contours, it is herewith taken up to fight it down under all given circumstances. As such equality being the birthright of any individual, a woman too is entitled to all the liberty to choose her lifestyle, her profession, and her general behavioral pattern.

Indian novelists can be said to be highly conscious of the women's liberation movement. They have portrayed women and their stories with the consciousness of the injustice meted out to women by society. These novels have a feminist undercurrent. If carefully looked at these fictional female characters, a large number of them rebel against the existing social setup. They disregard the idea of being submissive, suffering, and sacrificing. These protagonists in the novels of Indian women novelists often rebel rather than submit and die through suffocation. They conform to the social setup but do not lose their identity and strength of mind. They are confident, enterprising, ambitious, and individualistic. New Women who demand attention equality, and peace not on compromising terms but on terms at par with men.

Introduction

On 12th March 2024, the Department of English at Antyoday Mahavidyalaya, Devgram, organized a one-day study tour to Gurukunj Ashram, Mojari. The tour was a part of the National Education Policy (NEP) Syllabus, designed to give students a deeper understanding of the literature of saints, particularly focusing on the works of Rashtasant Tukadoji Maharaj. The study tour aimed to provide students with practical insights into the rich literary and cultural heritage associated with the saints of Maharashtra.

Objectives

The primary objective of the study tour was to immerse students in the study of saint literature, with a particular emphasis on the works of Rashtasant Tukadoji Maharaj. The tour also aimed to expose students to the various operations within the ashram, including its publication department,

and to provide them with a holistic understanding of the ashram's contribution to literature and society.

Highlights of the Study Tour

- **Visit to Various Departments:** The students visited different departments within the Gurukunj Ashram. The focus was on the publication department, where students learned about the process of publishing literary works, particularly those related to the teachings and writings of Rashtrasant Tukadoji Maharaj. They gathered valuable information on how the ashram preserves and disseminates the saint's literary contributions.
- **Interaction with Trustees:** The trustees of Gurukunj Ashram provided students with an overview of the ashram's operations and its mission. They discussed the ashram's role in promoting the teachings of saints and preserving their literature. The students were informed about the historical significance of the ashram and its impact on the local and global community.
- **Visit to the Old-Age Home:** As part of the study tour, students also visited the old-age home located within the ashram premises. They interacted with the senior citizens residing there, asking them about their experiences and the reasons for staying at the ashram. This interaction provided students with a unique perspective on the social and emotional aspects of aging, and the role such institutions play in society.
- **Literature Collection:** Throughout the tour, students collected various important pieces of information and materials related to the literature of saints. They were particularly interested in understanding the thematic elements and the spiritual teachings encapsulated in the works of Rashtrasant Tukadoji Maharaj.

“TEERORISM: CHALLENGES AND ISSUES”

About the Seminar:

Terrorism is not a new phenomenon. It has now become a global problem. Every nation is facing and trying to curtail its roots but at the same time terrorist organizations are also upgrading their means and object. The issues of terrorism are multifarious and well debated. It is well realized that terrorism is an alternative to fulfil the objectives of the minds of innocent humanities. It has become accepted view that the object of terrorist is to create panic and fear in the minds of the people. It becomes common behaviour of terrorist groups to display their dissatisfaction. The terrorist activities are anti-thesis to the humanism, yet humanists show compassion towards terrorists. Pleading in favour of terrorists and showing sympathy towards them is the striking action for the administration and becomes a major concern for the regional and world leaders to solve the problem. In this regard, Human Rights are considered as those minimal rights, without which one can't subsist as human being. The protection of Human Rights has been treated as most crucial for the common man and the terrorists as well. Human Rights are concerned with life, liberty, dignity and equality. These rights are alive in the international treaties and guaranteed by the signatories to the people living in different regions of the world. India being the signatory of U.D.H.R. and peace loving country has always tried her best to undermine the problem and to curb the menace by passing several legislative Acts in the context of terrorism. Much criticism has been labelled against such uncivilized features of those laws. The Indian judiciary has never remained silent and expressed its firm view to avoid the evil effects of the law. Nevertheless, the govt. has adopted certain policies to achieve welfare measures and tried to provide security and peace. In this context media and other agencies have major role to create confidence and inspire people to make the democracy meaningful. There must be a congenial atmosphere on this globe to live a liveable life. In this view, this Two- day seminar on “Terrorism: Issues and Challenges” shall generate energy for social and humane action through churning of thoughts of various academicians, intellectuals, researchers and persons of media across the country. We hope innovative and thought provoking ideas would be discussed during the seminar to suggest remedies to the policy making agencies again to strengthen their policies for the international peace and humanity.

OBJECTIVES OF THE SEMINAR

1. To know the reasons of terrorism.

ABOUT THE SEMINAR

Terrorism is not a new phenomenon. It has now become a global problem. Every nation is facing and trying to curtail its roots but at the same time terrorist organizations are also upgrading their means and object. The issues of terrorism are multifarious and well debated. It is well realized that terrorism is an alternative to fulfil the objectives of the minds of innocent humanites. It has become accepted view that the object of terrorists is to create panic and fear in the minds of the people. It becomes common behaviour of terrorist groups to display their dissatisfaction. The terrorist activities are anti-thesis to the humanism, yet humanists show compassion towards terrorists. Prejudging in favour of terrorists and showing sympathy towards them is the striking action for the administration and becomes a major concern for the regional and world leaders to solve the problem. In this regard, Human Rights are considered as those minimal rights, without which one can't subsist as human being. The protection of Human Rights has been treated as most crucial for the common man and the terrorists as well. Human Rights are concerned with life, liberty, dignity and equality. These rights are alive in the international treaties and guaranteed by the signatories to the people living in different regions of the world. India being the signatory of U.D.H.R. and peace loving country has always tried her best to undermine the problem and to curb the menace by passing several legislative Acts

OBJECTIVES OF THE CONFERENCE

In the context of terrorism, Much criticism has been labelled against such undivulged features of those laws. The Indian judiciary has remained silent and expressed its firm view to avoid the evil effects of the law. Nevertheless, the govt. has adopted certain policies to achieve welfare measures and tried to provide security and peace. In this context media and other agencies have major role to create confidence and inspire people to make the democracy meaningful. There must be a congenial atmosphere on this globe to live a viable life. In this view, this Two-day seminar on 'Terrorism: Issues and Challenges' shall generate energy for social and humane action through churning of thoughts of various academicians, intellectuals, researchers and persons of media across the country. We hope innovative and thought provoking ideas would be discussed during the seminar to suggest remedies to the policy making agencies again to strengthen their policies for the international peace and humanity.

OBJECTIVES OF THE SEMINAR

This seminar is carried out with the following objectives-

1. To know the reasons of terrorism.
2. To understand the success and failure of government in the eradication of terrorism.
3. To analyse the role of government and media about terrorism.
4. To form strategies in the eradication of terrorism.

PROGRAMME REPORTS

SESSION 2021-2022

Students Survey on

"Spreading State Government Schemes and Their Implementation in Rural Society"

Duration: 28 March 2022 to 31 March 2022

1. Introduction

From March 28 to March 31, 2022, Jeevan Vikas Mahavidyalaya, Devgram, conducted a comprehensive survey on the topic "**Spreading State Government Schemes and Their Implementation in Rural Society.**" This initiative aimed to assess the awareness and effectiveness of various state government schemes among rural communities. The survey was part of an academic exercise for the students of the Department of Political Science.

2. Programme Overview

Survey Duration: 28 March 2022 to 31 March 2022

Participants: Students of B.A. Part-I, B.A. Part-II, B.A. Part-III

Coordinator: Dr. Mangesh Acharya, Head of the Department of Political Science

3. Objectives of the Survey

- To evaluate the awareness of state government schemes among rural residents.
- To assess the implementation and impact of these schemes on rural society.
- To gather feedback on the effectiveness and reach of these schemes.

4. Methodology

- **Participants:** The survey involved students from all three years of the B.A. program. Each student was assigned specific rural areas within the district to conduct the survey.
- **Tools:** A structured questionnaire was designed to capture various aspects of the schemes, including awareness, accessibility, and effectiveness.
- **Data Collection:** The students visited rural households and interacted with residents to gather data. The survey was conducted through face-to-face interviews and filled questionnaires.

5. Key Activities

- **Preparation:** Dr. Mangesh Acharya oversaw the preparation of the questionnaire and trained students on survey techniques and ethical considerations.
- **Fieldwork:** Students were actively engaged in the field from March 28 to March 31, collecting data from diverse rural locations.
- **Data Compilation:** After the fieldwork, students compiled the data, and preliminary analysis was conducted under the supervision of Dr. Acharya.

6. Findings and Insights

- **Awareness:** The survey revealed varying levels of awareness about state government schemes among rural residents. Some schemes were well-known, while others had limited reach.
- **Implementation:** The effectiveness of implementation varied. While some schemes were successfully integrated into the community, others faced challenges such as bureaucratic delays or lack of local infrastructure.
- **Feedback:** Residents provided feedback on the usefulness of the schemes and suggested improvements, including better communication and more localized implementation strategies.

7. Discussion and Analysis

The survey highlighted the crucial role of effective communication and local involvement in the successful implementation of government schemes. The findings indicated that while many schemes have potential benefits, their impact is often limited by factors such as lack of awareness, accessibility issues, and administrative inefficiencies.

8. Conclusion

The student survey on state government schemes provided valuable insights into their implementation and impact in rural society. It not only offered practical experience for students but also contributed to a better understanding of the challenges and opportunities associated with government schemes in rural areas.

9. Acknowledgments

The Department of Political Science extends its gratitude to all participating students for their dedication and hard work. Special thanks to Dr. Mangesh Acharya for his leadership and guidance throughout the survey process.

**Two-day National Seminar on
“TEERORISM: CHALLENGES AND ISSUES”
December 10-11, 2021**

About the Seminar:

Terrorism is not a new phenomenon. It has now become a global problem. Every nation is facing and trying to curtail its roots but at the same time terrorist organizations are also upgrading their means and object. The issues of terrorism are multifarious and well debated. It is well realized that terrorism is an alternative to fulfil the objectives of the minds of innocent humanities. It has become accepted view that the object of terrorist is to create panic and fear in the minds of the people. It becomes common behaviour of terrorist groups to display their dissatisfaction. The terrorist activities are anti-thesis to the humanism, yet humanists show compassion towards terrorists. Pleading in favour of terrorists and showing sympathy towards them is the striking action for the administration and becomes a major concern for the regional and world leaders to solve the problem. In this regard, Human Rights are considered as those minimal rights, without which one can't subsist as human being. The protection of Human Rights has been treated as most crucial for the common man and the terrorists as well. Human Rights are concerned with life, liberty, dignity and equality. These rights are alive in the international treaties and guaranteed by the signatories to the people living in different regions of the world. India being the signatory of U.D.H.R. and peace loving country has always tried her best to undermine the problem and to curb the menace by passing several legislative Acts in the context of terrorism. Much criticism has been labelled against such uncivilized features of those laws. The Indian judiciary has never remained silent and expressed its firm view to avoid the evil effects of the law. Nevertheless, the govt. has adopted certain policies to achieve welfare measures and tried to provide security and peace. In this context media and other agencies have major role to create confidence and inspire people to make the democracy meaningful. There must be a congenial atmosphere on this globe to live a liveable life. In this view, this Two- day seminar on “Terrorism: Issues and Challenges” shall generate energy for social and humane action through churning of thoughts of various academicians, intellectuals, researchers and persons of media across the country. We hope innovative and thought provoking ideas would be discussed during the seminar to suggest remedies to the policy making agencies again to strengthen their policies for the international peace and humanity.

OBJECTIVES OF THE SEMINAR

This seminar is carried out with the following objectives-

1. To know the reasons of terrorism.

ABOUT THE SEMINAR

Terrorism is not a new phenomenon. It has now become a global problem. Every nation is facing and trying to curtail its roots but at the same time terrorist organizations are also upgrading their means and object. The issues of terrorism are multifarious and well debated. It is well realized that terrorism is an alternative to fulfil the objectives of the minds of innocent humanites. It has become accepted view that the object of terrorists is to create panic and fear in the minds of the people. It becomes common behaviour of terrorist groups to display their dissatisfaction. The terrorist activities are anti-thesis to the humanitarianism, yet humanists show compassion towards terrorists. Prejudging in favour of terrorists and showing sympathy towards them is the striking action for the administration and becomes a major concern for the regional and world leaders to solve the problem. In this regard, Human Rights are considered as those minimal rights, without which one can't subsist as human being. The protection of Human Rights has been treated as most crucial for the common man and the terrorists as well. Human Rights are concerned with life, liberty, dignity and equality. These rights are alive in the international treaties and guaranteed by the signatories to the people living in different regions of the world. India being the signatory of U.D.H.R. and peace loving country has always tried her best to undermine the problem and to curb the menace by passing several legislative Acts

OBJECTIVES OF THE CONFERENCE

In the context of terrorism, Much criticism has been labelled against such undivulged features of those laws. The Indian judiciary has remained silent and expressed its firm view to avoid the evil effects of the law. Nevertheless, the govt. has adopted certain policies to achieve welfare measures and tried to provide security and peace. In this context media and other agencies have major role to create confidence and inspire people to make the democracy meaningful. There must be a congenial atmosphere on this globe to live a viable life. In this view, this Two-day seminar on 'Terrorism: Issues and Challenges' shall generate energy for social and humane action through churning of thoughts of various academicians, intellectuals, researchers and persons of media across the country. We hope innovative and thought provoking ideas would be discussed during the seminar to suggest remedies to the policy making agencies again to strengthen their policies for the international peace and humanity.

This seminar is carried out with the following objectives-

1. To know the reasons of terrorism.

Letter of Appreciation

Dear Leader,

On behalf of 'Pledge for Life' team, we would like to thank you and your NSS unit for supporting the **Spitting Kills Campaign**.

During this Corona crisis, experts determined that spitting spreads the virus. Chewing tobacco, gutkha, khaini, etc cause the urge to spit and hence the Government, under the Disaster Management Act 2005 gave the order to stop spitting in public places and the Prime Minister, Shri Narendra Modi, himself, urged the public to do so too.

The National Service Scheme (NSS) is supporting the Spitting Kills campaign wherein NSS Volunteers created awareness among public on the issue. This appreciation letter is issued because your NSS Unit got more than 100 persons to fill in the Spitting Kills weblink.

Your timely action is saving the spread of Covid-19 as well as reducing the usage of chewing tobacco. We now look forward to your getting thousands more to fill the weblink.

Thank you for your service to society,

Arvind Mathur

डॉ. राजाराव पी. आर.

ग्रामीण भागाचा कायमस्वरूप कराराचा असेल तर शिक्षणाची गंगा घराघरात वापना हवी. तसे पाहता शिक्षण कुठलेही असो, त्यातून माणूस घडवा अशाच पद्धतीच्या गुणवत्तापूर्ण शिक्षणाची आज गरज असल्याचे प्रतिपादन अरविंद सहकारी बँकेचे मुख्य कार्यकारी अधिकारी डॉ. राजाराव पी.आर. यांनी केले.

नरखेड तालुक्यात 100 टक्के लसीकरणाचे उद्दिष्ट पूर्ण

जलालखेडा, वार्ताहर. जीवन विकास महाविद्यालयाच्या राष्ट्रीय सेवा योजनेच्या वतीने 22 ते 28 मे या कालावधीत लसीकरण आपल्या दारी तसेच जनजागृती सप्ताह सभविषयात आला. या मोहीमेत नरखेड तालुक्यातील प्रत्येक गावातील रासेयो स्वयंसेवकांची निवड करून त्यांना प्रशिक्षण देत लसीकरणतून चांगलेल्या व्यक्तींचे सर्वेक्षण

करण्यात आले. सर्वेक्षणातील मोहीमेचा समारोपीय कार्यक्रम यादीनिहाय ग्रामीण भागातील 360 नुकताच पार पडला. दरम्यान व्यक्तींचे लसीकरण करण्यात आले. मान्यवरांच्या इम्ते जलालखेडा

प्राथमिक आरोग्य केंद्रातील आरोग्य कर्मचाऱ्यांचा सत्कार करण्यात आला. जीवन विकास महाविद्यालयाच्या संस्कारजन्य शिक्वणीमुळे सामाजिक दायित्व ओळखून 100 टक्के लसीकरण पूर्ण करण्यास रासेयो स्वयंसेवकांनी सिंहाचा वाटा उचलला, असे गौरवोद्गार गिरीश पालिवाल यांनी काढले. याप्रसंगी डॉ. टेवेंट भोगटे यांनीही मार्गदर्शन केले.

समुपदेशनामुळे ३६० लोकांचे झाले लसीकरण

राष्ट्रीय सेवा योजनेच्या विद्यार्थ्यांचे फलित

♦ जलालखेडा, १ जून

एखादी गोष्ट पटवून देण्याची ताकद समुपदेशनात नक्कीच असते. याच ताकदीचा सदुपयोग करीत जीवन विकास महाविद्यालयाने राष्ट्रीय सेवा योजनेतील विद्यार्थ्यांना घेऊन जो प्रयोग केला, तो हटके होता. परिणामी तातुक्पातील ३६० लोकांनी कोरोनाची लस टोचून घेतली. हा सर्व चमत्कार समुपदेशनामुळे झाल्याचे सांगत उप विभागीय पोलिस अधिकारी नागेश जाधव यांनी या उपक्रमाचे कौतुक

केले. जीवन विकास महाविद्यालय देवग्राम, प्राथमिक आरोग्य केंद्र जलालखेडा, पोलिस स्टेशन यांच्या संयुक्त विद्यमाने लसीकरण आपल्या दारी तथा जनजागृती सप्ताहाचा समारोपीय सोहळा मंगळवार १ जून २०२१ रोजी पार पडला. याप्रसंगी परिविक्षाधीन उप विभागीय अधिकारी सुजीतकुमार क्षीरसागर, डॉ. प्रशांत वेखडे, गिरीश पालीवाल, ठाणेदार हरीशचंद्र गावडे, प्राचार्य डॉ. देवेंद्र भोंगाडे उपस्थित होते. २२ ते २८ मे २०२१ या काळात राष्ट्रीय सेवा योजनेच्या विद्यार्थ्यांना घरोघरी जाऊन लसीकरणाविषयी जनजागृतीचे ध्येय सोपविण्यात आले होते. त्यानुसार सर्व

विद्यार्थ्यांनी घरोघरी जात नेमके कुणी लसीकरण केलेले नाही, याविषयी सर्वेक्षण केले. ज्यांनी लस टोचून घेतलेली नाही, त्यांना त्याचे महत्त्व पटवून देण्यात आले. कोरोना विषाणू कसा कपटी आणि धूर्त आहे ही बाब

समजावून सांगितली. लोकांना लसीचे महत्त्व पटवून दिल्याने ग्रामीण भागात राहणाऱ्या ३६० लोकांनी तत्काळ प्राथमिक आरोग्य केंद्रात जाऊन लसीकरण करून घेतले. आपण असाच प्रयत्न कायम ठेवला तर

प्रत्येकजण लस टोचून घेईल. याकरिता व्यवस्थित नियोजन करावे लागेल, याकडे प्राचार्य डॉ. देवेंद्र भोंगाडे यांनी लक्ष वेधले. कार्यक्रमात डॉ. दीपक अरजपुरे, डॉ. राजू श्रीरामे, प्रवीण धारपुरे, योगेश सरदे, राजकिशोर गुप्ता, देवेंद्र वासाडे, नागेश दोबळे, धनराज पांडव, दिनेश पांगुळ, वंदना ईश्वरकर, जयश्री सावरकर, लीलाधर परीसे, कुषण नाटकर, प्रमोद बोर्डे, अंकुश बोबडे, प्रवीण मेश्राम, तुप्ती बढीये, पवन वानखेडे, रीना बढीये, नम्रता पांगुळ, समिक्षा पांगुळ, सीरम कनरि, जीवन दंडारे उपस्थित होते.

मै उम प्रभूका सेवक हूँ, जिसे अज्ञानी लोग मनुष्य कहते है !

सप्रेम नमस्कार.....!

आजच्या वैश्वीकरणाला काळात देशातील युवापिढी भौतिक विकासाच्यामागे वाटचाल करीत असताना आपले वैचारिक अडिछाल विमरत चाललेली आहे. या भारतीय समाजातील आजचा तर्क्य भौतिक विचार व आध्यात्मिक अडिछाल या विचारांच्याद्वारात अडकलेला दिसून येतोय. अशाही स्थितीत जागतिक व्यामर्पीटावर आजचाभारत विद्यगुक्त वनण्याच्या दिशेने खडतर वाटचाल करीत आहे. हे राष्ट्रनिर्माणाचेकार्य करताना राष्ट्राच्या उभारणीत अनेक महान विभूतींनी महत्वपूर्ण योगदानदिलेले. त्यात स्वामी विवेकानंद हे अग्रस्थानी आहेत. स्वामी विवेकानंदांच्या बहुगामी विचारजीतलेच्या चिंतनशीलतेतून भारताच्या विद्यव्यापी कर्तुत्वला नवी चालना मिळानी याकरिता भविष्यातील या राष्ट्राच्या निर्मितीसाठी स्वामीजींच्या चिरंतन विचारांचा वारसा आजच्या विद्यमान युवापिढीला देणे आवश्यक झालेले आहे. स्वामीजींचे विचार मानवी जीवनाकरिता अनमोल आणि वैश्वियमान असून भारतीय सामाजिक, राजकीय व्यवस्थेचा आल्या आहे. त्यांच्या याच विचारांना केंद्रस्थानी ठेवून नव्याभारताच्या उभारणीला चालना मिळानी याकरिता आमच्या महाविद्यालयात “स्वामी विवेकानंदांच्या विचारातील मौलिकता व आजचा भारतीय समाज” या थीमकान्वेत एकदिवसीय राष्ट्रीय अंतरविद्याशास्त्रीय परिसंवादाचे आयोजन करण्यात आलेले आहे.

प्रस्तुत परिसंवादाना अपण आपल्या महाविद्यालयातील प्राध्यापकांना व विद्याप्यांना नामांकन करून महागामी होण्यासाठी प्रोत्साहित करणे, ही विनंती.

प्रत्येक नागरिकांनी संविधानात दिलेले अधिकार आणि कर्तव्य जोपासली पाहिजे असे मत यावेळी डॉ. मंगेश आचार्य यांनी मांडले. डॉ. बाबासाहेब आंबेडकर यांची परिस्थिती प्रतिकूल असून सुद्धा प्रदीर्घ अभ्यासातून खूप छान संविधान आपल्या देशाला दिले आहे, म्हणूनच इतर देशापेक्षा आपल्या देशात लोकशाही खंबीरपणे टिकून आहे, असे

महाविद्यालयाचे उपप्राचार्य डॉ. राजू श्रीरामे यांनी म्हटले.

कार्यक्रमाचे प्रास्ताविक प्रा. दिनेश पांगुळ यांनी केले. अत्यंत सुंदर निवेदन वजा सूत्रसंचालन प्रा. कु. किरण

निकम यांनी तर मान्यवरांचे आभार प्रा. कु. निकिता रोकडे यांनी मानले. प्रस्तुत कार्यक्रमासाठी सर्वांचे सहकार्य लाभले. याप्रसंगी व्यासपीठावर कार्यक्रमाचे अध्यक्ष म्हणून महाविद्यालयाचे प्राचार्य डॉ. देवेंद्र भोंगाडे होते प्रमुख वक्ते डॉ. मंगेश आचार्य राज्यशास्त्र विभाग प्रमुख तर प्रमुख पाहुणे महाविद्यालयाचे उपप्राचार्य डॉ. राजू श्रीरामे, प्रा. प्रीतम सुखदेवे आदी मान्यवर उपस्थित होते.

चारित्र्य निर्मितीसाठी रासेयो शिबिर गरजेचे

♦ काटोल, २४ मार्च

प्रत्येक विद्यार्थी हा ज्ञानसंपन्न आणि चरित्रवान असायला हवा, अशीच आपल्या शिक्षण व्यवस्थेची अपेक्षा आहे. पण याकरिता संबंधित विद्यार्थ्यांनी थोडाफार पुढाकार घ्यायला हवा. हा पुढाकार त्यांनी राष्ट्रीय सेवा योजना शिबिरासाठी नक्कीच घ्यावा. कारण या शिबिराच्या माध्यमाने मुलांना शिस्तीचे, एकतेचे आणि समाजहिताचे धडे दिले जातात. म्हणूनच चारित्र्य निर्मिती करायची तर रासेयो शिबिरात यावे, अशी भूमिका डॉ. मंगेश आचार्य पांनी मांडली. राष्ट्रसंत तुकडोजी महाराज नागपूर विद्यापीठाच्या वतीने जलालखेडा येथे आयोजित केलेल्या रासेयो शिबिराविषयी ते बोलत होते.

२५ ते ३० मार्च या काळात जलालखेडा येथे जीवन विकास महाविद्यालयाच्या वतीने शिबिर घेतले जाणार आहे. त्यापूर्वी त्यांनी विद्यार्थ्यांशी संवाद साधत राष्ट्रीय सेवा योजना शिबिर किती महत्त्वाचे असते यावर प्रकाश टाकला. यावेळी प्राचार्य डॉ. देवेंद्र भोंगाडे, डॉ. राजू श्रीरामे, डॉ. योगेश सरोदे, डॉ. मंगेश निंभोरकर, डॉ. प्रवीण

घारपुरे, डॉ. तुप्ती भोंगाडे, डॉ. प्रणाली इंगोले, डॉ. दीपक अरजपुरे, प्रा. काजल मरकवाडे, डॉ. देवेंद्र वासाडे, डॉ. नागेश दोबळे, डॉ. अंकुश बोबडे, प्रा. धनराज पांडव, प्रा. दिनेश पांगुळ, अनिल चौधरी, राजू इंगळे, रवी चौधरी उपस्थित होते. जेव्हा विद्यार्थी एकत्र येतात, तेव्हा त्यांचे विचार, आचार एकमेकांना कळतात. अनेकांकडे विविध गुण

असतात. त्याही गुणांचे अवलोकन इतर विद्यार्थ्यांना होते. तेही त्यातून काही तरी चांगला माग निवडतात. अर्थात रासेयो शिबिर म्हणजे नवीन ज्ञान मिळविण्याचा राजमार्ग असल्याने यात तुम्हा सहभागी व्हा अन् स्वतःची उन्नती साधा असेही आवाहन यावेळी उपस्थित शिक्षकांनी केले.

माणूस घडावा अशाच शिक्षणाची गरज

डॉ. राजाराव पी. आर.
यांचे प्रतिपादन

• काटोल, २२ फेब्रुवारी

ग्रामीण भागाचा कायमस्वरूप कराराचा असेल तर शिक्षणाची गंगा घराघरात वापना हवी. तसे पाहता शिक्षण कुठलेही असो, त्यातून माणूस घडवा अशाच पद्धतीच्या गुणवत्तापूर्ण शिक्षणाची आज मरज असण्याचे प्रतिपादन अरविंद सहकारी बँकेचे मुख्य कार्यकारी अधिकारी डॉ. राजाराव पी.आर. यांनी केले.

जीवन विकास महाविद्यालय देवग्राम येथे नॅक पुरस्कृत दोन दिवसीय राष्ट्रीय सर्वांसिखे आयोजन करण्यात आले होते. त्यावेळी डॉ. राजाराव पी.आर. बोलत होते.

यासंगी मुंबई विद्यापीठाचे कुलसचिव डॉ. अजय देशमुख, डॉ. निरिता विश्वधम, डॉ. आरती राऊत, प्राचार्य डॉ. विजय थोटे, डॉ. निरिनि माधनकर, प्रा. प्रमोद पावेंकर, प्राचार्य डॉ. देवेंद्र भोंगडे, डॉ. योगेश सरोदे, डॉ. भास्कर विधे, डॉ. राजेंद्र जाणे, प्राचार्य डॉ. सुनीलकुमार नवीन, धनराज शेटे उपस्थित होते.

पूर्वी विद्यार्थ्यांमधे सोयी सुविधा कमी मिळायच्या. आता मात्र सोयी सुविधा अधिक प्रमाणात मिळत असल्याने त्यांचे अनेक लाभ होत आहेत. या स्थितीत कोष्टापूर्णा शिक्षण मुलांना देण्यासाठी प्रत्येकाने प्रयत्न करण्यात येत. यावेळी डॉ. राजाराव पी. आर. यांनी लक्ष वेधले. आधुनिक तंत्रज्ञानाने तर आजची पिढी

बरोबरच जगत होते आहे. या प्रगत पिढीकडून अपेक्षाही बंधू वाढत्या आहेत. यामुळे त्यांच्यात माणुसकी रुजविण्यासाठी शिक्षण प्रत्येक पातळीवर घाबला हवे यावरही डॉ. राजाराव पी.आर. यांनी भर दिला. गुणवत्ता असेल तर माणूस कुठल्याही क्षेत्रात स्वतःची छाप पाडू शकतो. शिक्षणावेळी तसेच आहे. ज्याला गुणवत्तापूर्ण शिक्षण मिळाले तो विद्यार्थी कुठल्याही क्षेत्रात जाऊन आपला नावसौकीक वाढवतो. अशाच गुणवत्तापूर्ण शिक्षणाची गरज असून, ते देण्याकरिता अधिक प्रयत्न करावेत असेही आवाहन डॉ. राजाराव पी. आर. यांनी केले. सर्वांसिखे संवाहन प्रवाली हुंगोले तर उपस्थित मान्यवरांचे अभार डॉ. योगेश सरोदे, यांनी मानले. 4 (त्या पुस्तका)

भाषा कुठलीही असो प्रभूत्व मिळवा

डॉ. योगेश सरोदे यांचे प्रतिपादन

◆ काटोल, २ डिसेंबर

आंतरराष्ट्रीय पातळीवर इंग्रजी भाषेला महत्त्व आहे. पण आपल्याकडे इंग्रजी म्हणताच अनेकजण घाबरतात. ही बाब लक्षात घेता इंग्रजी भाषा सोपी करून सांगण्यासाठी शिक्षकांनी प्रयत्न करायला हवेत. भाषा कुठलीही असो, त्यावर प्रभूत्व मिळवा असे विचार जीवन विकास महाविद्यालयाचे इंग्रजी विभाग प्रमुख

डॉ. योगेश सरोदे यांनी मांडले. आयस्पेल पूर्व महाराष्ट्र मंचच्या उद्घाटन सोहळ्यात ते बोलत होते. हा सोहळा आभासी पद्धतीने पार पडला. यात डॉ. अनुपमा वोहरा, डॉ.निहाल शेख, प्रा. सचदेवा, प्रा. प्रमोद ढेंगणे, डॉ. लक्ष्मीकांत कापगते, डॉ. प्रग्यासा उपाध्याय, डॉ. वीरेंद्र तुरकर सहभागी झाले होते.

यावेळी मला कान द्या, मी तुम्हाला इंग्रजीचे ज्ञान देतो अशा प्रकारचा प्रारंभ करीत डॉ. जी.ए.घनश्याम यांनी भाषा कशी सुधारावी यावर मार्गदर्शन केले.

इंग्रजीच्या शिक्षकांनी भाषांतरकार न बनता ती भाषा आदर्श कशी बनेल आणि त्यावर प्रभूत्व मिळवण्यासाठी काय करावे लागेल याविषयी विद्यार्थ्यांना धडे द्यायला हवेत.

इंग्रजी भाषा अध्ययनापूर्वी मर्यादित न ठेवता, ती सहज सोपी करून व्यवहारातही आणण्यासाठी प्रयत्न करावे लागेल असेही डॉ. योगेश सरोदे यांनी स्पष्ट केले. इंग्रजी भाषा चांगल्या प्रकारे येत असल्यास आंतरराष्ट्रीय पातळीवर अनेक संधी संबंधितांना प्राप्त होतात. एवढे या भाषेचे महत्त्व आहे. ◀(तभा वृत्तसेवा)

7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens (within 500 words).

Response:

The college has NSS unit for male & female students. It enables students to understand the community in which they are living. NSS students understand the needs and problems of the society. The sense of social and civic responsibility is definitely developed through NSS unit. The NSS unit help to develop character, comradeship, discipline, leadership, secular outlook, spirit of adventure and ideals of selfless service amongst the youth of the country. Through cultural and co-curricular activities such as values, rights, duties and responsibilities of citizens are inculcated in the students.

The College has adopted parent-society's CAP (Career, Academic & Physical) Building Project meant for the overall development of the students so that they should become ideal citizens of the Country. This project is basically started for inculcating values, principles and ideologies of great personalities for not only to students but teaching and non-teaching staff of our college. Many programmes, workshops, seminars, guest lectures are regularly conducted through this project. By knowing / studying the life journey of great personalities, students are inspired and motivated to become responsible citizen of India. The college begins with morning assembly in which national anthem and reading of preamble of constitution of India is carried out. Occasionally, the debate and quiz competitions are arranged on the life of great personalities to encourage and spread the ideologies and success path of great personalities.

The various Bachelors and Masters programmes sensitized the students for character development. The aim of curriculum is to inculcate values and attitudes among students that enhance personal and family growth. It sensitizes them to various social issues for the development of human society. Prescribed courses include papers or units dealing with issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability. Subjects of Humanities, Social Sciences and Science faculties include number of topics which inculcate cross cutting issues. Environmental Day, Forest Conservation Day, Wild Life Conservation Week are celebrated to respect nature for its values.

As per the Academic Calendar, Constitution Day is celebrated on 26th November every year in the college. Constitution Rally is also organized to make students and community aware about constitutional obligations. Voting Awareness Rally, Road Safety Awareness Week and Swachha Bharat Abhiyan are some of the initiatives taken which make the students and citizens aware about the rights, duties and responsibilities. Activities such as reading of preamble, cultural programmes, celebration of days, birth and death anniversaries of visionary leaders, sensitize students and employees of the Institution to the constitutional obligations.

In Mission Oxygen programme, the NSS Unit of the college planted Neem trees in government premises of Narkhed taluka. During Covid period, the awareness about Covid-19, mask distribution and 'Lasikaran Aplya Dari' i.e. Vaccination at our door was effectively executed in the community in association with PHC Jalalkheda and Police Station, Jalalkheda. While celebrating 75th Independence of India, flag distribution, Har Ghar Tiranga Abhiyan, Bike rally, Street plays on the theme of freedom fighters, Samuhik

Rashtragan, Samuhik Patriotic song and rallies were carried out excellently in order to imbibe patriotic values among the students. The college students and faculty members implemented *Vidhi Pradhikaran Abhiyan* in the community about the awareness of social justice. The NSS Unit of the college specially focussed on Green, Clean and Healthy village scheme. Apart from these, the college regularly carried out awareness programmes related to plastic-free campus, tree plantation, peace rallies, women empowerment and addiction-free village.

The NSS units and Study Centres undertook initiatives like voting awareness rally, cultural programmes, and celebration of birth anniversaries of visionary leaders. Value based programs were conducted to sensitize students and employees to the constitutional obligations. A Code of Conduct was prescribed for all. Various National and International days and events were celebrated in the institute with great enthusiasm in various ways.

From the above activities, it is crystal clear that the institution sensitizes the students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens.

डॉ. देवेंद्र भोंगाडे : जीवन विकास महाविद्यालयात संविधान दिन

जलालखेडा, वार्ताहर. जीवन विकास महाविद्यालय देवग्राम येथे राष्ट्रीय सेवा योजना विभागाच्या वतीने संविधान दिन साजरा करण्यात आला. डॉ. बाबासाहेब आंबेडकर यांनी अनेक देशांच्या संविधानांच्या परिशिलनातून भारतीय संविधानाची निर्मिती केली आपल्या देशाच्या इतिहासात त्यांचे अत्यंत मोलाचे योगदान आहे. आज या संविधानामुळेच आपल्या देशात लोकशाही यशस्वी ठरली आहे. असे प्रतिपादन प्राचार्य देवेंद्र भोंगाडे यांनी यावेळी केले. जगातील सर्व देशांच्या तुलनेत आपल्या देशाचे संविधान विस्तृत असून ते लिखित आहे. अनेक वर्षांचा प्राचीन इतिहास या संविधानाचा आहे.

प्रत्येक नागरिकांनी संविधानात दिलेले अधिकार आणि कर्तव्य जोपासली पाहिजे असे मत यावेळी डॉ. मंगेश आचार्य यांनी मांडले. डॉ. बाबासाहेब आंबेडकर यांची परिस्थिती प्रतिकूल असून सुद्धा प्रदीर्घ अभ्यासातून खूप छान संविधान आपल्या देशाला दिले आहे, म्हणूनच इतर देशापेक्षा आपल्या देशात लोकशाही खंबीरपणे टिकून आहे, असे

महाविद्यालयाचे उपप्राचार्य डॉ. राजू श्रीरामे यांनी म्हटले.

कार्यक्रमाचे प्रास्ताविक प्रा. दिनेश पांगुळ यांनी केले. अत्यंत सुंदर निवेदन वजा सूत्रसंचालन प्रा. कु. किरण

भाषा कुठलीही असो प्रभूत्व मिळवा

डॉ. योगेश सरोदे यांचे प्रतिपादन

◆ काटोल, २ डिसेंबर

आंतरराष्ट्रीय पातळीवर इंग्रजी भाषेला महत्त्व आहे. पण आपल्याकडे इंग्रजी म्हणताच अनेकजण घाबरतात. ही बाब लक्षात घेता इंग्रजी भाषा सोपी करून सांगण्यासाठी शिक्षकांनी प्रयत्न करायला हवेत. भाषा कुठलीही असो, त्यावर प्रभूत्व मिळवा असे विचार जीवन विकास महाविद्यालयाचे इंग्रजी विभाग प्रमुख

डॉ. योगेश सरोदे यांनी मांडले. आयस्पेल पूर्व महाराष्ट्र मंचच्या उद्घाटन सोहळ्यात ते बोलत होते. हा सोहळा आभासी पद्धतीने पार पडला. यात डॉ. अनुपमा वोहरा, डॉ.निहाल शेख, प्रा. सचदेवा, प्रा. प्रमोद ढेंगणे, डॉ. लक्ष्मीकांत कापगते, डॉ. प्रग्यासा उपाध्याय, डॉ. वीरेंद्र तुरकर सहभागी झाले होते.

यावेळी मला कान द्या, मी तुम्हाला इंग्रजीचे ज्ञान देतो अशा प्रकारचा प्रारंभ करीत डॉ. जी.ए.घनश्याम यांनी भाषा कशी सुधारावी यावर मार्गदर्शन केले.

इंग्रजीच्या शिक्षकांनी भाषांतरकार न बनता ती भाषा आदर्श कशी बनेल आणि त्यावर प्रभूत्व मिळवण्यासाठी काय करावे लागेल याविषयी विद्यार्थ्यांना धडे द्यायला हवेत.

इंग्रजी भाषा अध्ययनापूर्वी मर्यादित न ठेवता, ती सहज सोपी करून व्यवहारातही आणण्यासाठी प्रयत्न करावे लागेल असेही डॉ. योगेश सरोदे यांनी स्पष्ट केले. इंग्रजी भाषा चांगल्या प्रकारे येत असल्यास आंतरराष्ट्रीय पातळीवर अनेक संधी संबंधितांना प्राप्त होतात. एवढे या भाषेचे महत्त्व आहे. ◀(तभा वृत्तसेवा)

CONCEPT NOTE

Literary pieces in Indian Writing in English have raised the quandaries of women in the social structure from various aspects. R. K. Narayana, Bhabhani Bhattacharya, Nayantara Sahgal, Anita Desai, Shashi Deshpande, Namita Gokhale, Shobha De, Manju Kapur, and Arundhati Roy are a few prominent names who have given space to women's plight. Considering the exploitation of the past in all its contours, it is herewith taken up to fight it down under all given circumstances. As such equality being the birthright of any individual, a woman too is entitled to all the liberty to choose her lifestyle, her profession, and her general behavioral pattern.

Indian novelists can be said to be highly conscious of the women's liberation movement. They have portrayed women and their stories with the consciousness of the injustice meted out to women by society. These novels have a feminist undercurrent. If carefully looked at these fictional female characters, a large number of them rebel against the existing social setup. They disregard the idea of being submissive, suffering, and sacrificing. These protagonists in the novels of Indian women novelists often rebel rather than submit and die through suffocation. They conform to the social setup but do not lose their identity and strength of mind. They are confident, enterprising, ambitious, and individualistic. New Women who demand attention equality, and peace not on compromising terms but on terms at par with men.

The tour was a part of the National Education Policy (NEP) Syllabus, designed to give students a deeper understanding of the literature of saints, particularly focusing on the works of Rashtasant Tukadoji Maharaj. The study tour aimed to provide students with practical insights into the rich literary and cultural heritage associated with the saints of Maharashtra.

11. Learning and Identifying learning levels Policy

Learning and assessment being intertwined cannot be viewed in isolation from each other. At St. Miras College for Girls we recognise the nature of learning and assessment in order to understand how students learn at the various level of their course, as this, in turn, will determine how they can be assessed during the teaching- learning process.

Assessment serves to promote learning by reinforcing the efficacy of teaching- learning when teachers can customise their teaching plans through relevant information on students' interests, abilities and learning progress with constant involvement and inputs from students.

Objectives:

The purpose of assessment is to gather relevant information about student performance or progress, or to determine student interests to make judgments about their learning process. After receiving this information, teachers can reflect on each student's level of achievement, as well as on specific inclinations of the group, to customize their teaching plans.

Guidance for identifying the learning levels of students

- Entry level marks are used as the base for identifying the levels of students whether advanced learner, average or slow learner.
- Mentoring: teacher mentors get to know their mentees to understand their abilities
- Continuous internal assessment provides feedback about the learning and teaching process of every student.
- Subject teachers are sent the pass-fail report by the exam cell which help teacher to determine their level of achievement and provide them with feedback on their strengths and weaknesses.
- Prepare an questionnaire to identify the understanding levels of students.
- At the beginning of the term written internal assignments are given to students, allowing teachers to gauge their ability.

- Each department will select and develop assessment methods that are appropriate to their departmental goals and objectives.

Process:

GENERAL PROCEDURE FOR CATERING DIVERSE LEVELS of LEARNING

- Provide guidance to advanced learners for research projects and in writing and publishing research papers.
- Train and motivate the advanced learners to participate in the state/regional level competitions and MILE.
- For Below Average Learners identify the subjects which requires extra classes/tutorial classes. Such classes are held by the faculty for the entire section, they are handling.
- Conduct seminars and conferences and extra credit courses.
- Encourage Buddy systems for the average and slow learners Using which students get information from their classmates about what areas they should revise and what areas they're good at.
- Conduct special tests and improvement tests for slow learners.
- Design different syllabi into higher level and lower level to cater to the diverse needs of students (example English dept)
- Hold special sessions to understand problems of students with backlogs.
- Provide video recordings of the practical for revision.

15. Sustainable Campus Policy

Preamble

The Stockholm Conference on the Human Environment, 1972, drew attention to the need for green education i.e. education relating to environment protection. The most oft quoted definition of Sustainable development has been given by the United Nations World Commission on Environment and Development (Brundtland Commission) in its 1987 Report. Our Common Future which defines it as development "which meets the needs of the present without compromising the ability of future generations to meet their own needs."

Mankind has pursued increased industrialisation and urbanisation and brought about economic development, which has often been at the cost of tremendous environmental degradation. We have been witnessing this in the form of pollution, acid rain, deforestation, desertification, ozone-depletion, global warming, early signs of climate change.

In 2008, the G8 University Summit adopted the Sapporo Sustainability Declaration for internalising environmental consciousness in university academic frameworks and on campus. In 2015, India committed itself to the UN 2030 Agenda for Sustainable Development (for fulfilment of the UN Sustainable Development Goals 2015-2030). The UGC has laid down the SATAT framework to encourage environment friendly practices on campuses of Higher Educational Institutions. In keeping with the UGC's guidelines, The College has adopted an Environment Sustainability Policy.

Objectives

To incorporate sustainable practices like optimisation of material use, promoting water and energy conservation, waste management, no plastic use.

To establish a Teaching-Learning and Research environment conducive to safe and sustainable future by including sustainability related topics in academic programmes and research.

To create an institutional culture which supports sustainable thinking by encouraging HEI stakeholders (students, faculty, non-teaching staff, civil society) to embrace green life styles, sustainability principles and practices.

To foster a culture of sustainability via advocacy to and engagement of the immediate stakeholders (students, staff) and promote 'beyond campus environment awareness programs for civil society;

To ensure voluntary participative implementation of sustainability practices by the HEI stakeholders through adherence to the principles of REDUCE, REUSE, RECYCLE, REPAIR, REPORT to the best possible extent.

Ensuring Success

- It will enable the students to adequately express and represent themselves in front of an audience.
- In the world of business, communicating with strangers is something you will most likely face on a regular basis. Fluency in the English language can allow you to be more confident during cross-cultural communication.
- It will also allow you to hone leadership qualities, as well as the ability to relate to other employees.
