# Report on Resource Mobilization and Optimal Utilization

## Introduction

This report outlines the strategies employed by Antyoday Mahavidyalaya, Devgram, for mobilizing and utilizing resources effectively from various sources, including government and non-government organizations. It also discusses the institution's commitment to regular financial audits to ensure transparency and accountability.

## 1. Resource Mobilization Strategies

The institution employs several strategies to mobilize resources:

### **Executive Committee and College Development Committee (CDC):**

The Executive Committee and CDC play pivotal roles in formulating policies and identifying funding opportunities from both government and non-government sources. Their collective efforts facilitate the mobilization of financial and material resources essential for the college's growth.

### **Annual E-Governance Report:**

The institution leverages technology to enhance operational efficiency, which in turn attracts funding from e-governance initiatives. The Annual E-Governance Report outlines the progress and impact of these initiatives, appealing to potential donors and stakeholders.

### **E-Governance Policy:**

The established E-Governance Policy ensures systematic management of resources and funds. By promoting transparency and accessibility, the policy encourages stakeholders to invest in college programs and projects.

### **Research Grants:**

Faculty members actively seek research grants from various funding agencies. The college supports research initiatives, which not only enhances academic reputation but also attracts external funding.

## 2. Financial Transactions and Documentation

The institution maintains meticulous records of financial transactions, which are crucial for resource management:

### **Admission Form and Receipt (₹20):**

The nominal fee for admission forms ensures that the institution generates some revenue while also providing students with access to quality education.

### **Tuition Fee Collection:**

Regular collection of tuition fees is essential for operational sustainability. The college implements a structured approach to fee collection, ensuring timely payments from students.

### **Alumni Association Receipts:**

The Alumni Association plays a vital role in resource mobilization. Receipts from alumni contributions reflect ongoing support and engagement from past students.

### **Seminar Grant Sanctioned Letter:**

Grants received for academic seminars contribute to the college's development and enhance the learning environment.

### **Activity Report of Library Science Seminar:**

Documentation of events such as seminars illustrates the utilization of funds and resources for academic purposes, showcasing the institution's commitment to enhancing educational quality.

## **3. Financial Management and Auditing**

The college adopts stringent financial management practices to ensure optimal resource utilization:

### **Budget of the College:**

A comprehensive budget is prepared annually, detailing expected income and expenditure. This budget serves as a strategic tool for resource allocation and financial planning.

### **Audit Statement of College:**

Regular financial audits are conducted to assess the accuracy and integrity of financial records. The audit statements are essential for accountability and demonstrate the institution's commitment to financial responsibility.

### **College Tally Software:**

The use of Tally software for accounting and financial management enhances the accuracy of financial records and facilitates real-time tracking of resources.

## **4. Guidelines and Policies**

The institution has established guidelines to ensure effective resource utilization:

### **IQAC Guideline for Research:**

The Internal Quality Assurance Cell (IQAC) provides guidelines for research activities, promoting efficient use of resources allocated for research projects

## Two-day National Conference on “Academic Libraries in E-Learning Environment: Role & Prospect”: A Brief Report

### **Introduction**

A Two-day National Conference entitled “Academic Libraries in E-Learning Environment: Role & Prospect” was organized by the Learning Resource Centre with initiative of Internal Quality Assurance Cell (IQAC), Jeevan Vikas Mahavidyalaya, Devgram (Thugaondeo) on January 29-30, 2020 under the sponsorship of Indian Council of Social Science Research (ICSSR). The seminar brought together academic administrators, library professionals, information scientists, faculty and research scholars to exchange their views and ideas on the role and prospect of current academic libraries in E-Learning Environment. It was indeed an academic exercise intended to assist the participants to become more effective, creative and productive in their endeavours. The highlight of the programme was incorporating technology in working of the library which in turn led to a qualitative change in our attitude towards education.

### **Inaugural Function**

Registration was open till 11.00 am on the first day. 124 delegates from various parts of the country participated in the conference. The conference began lighting lamp and invocation to

## Internal Quality Assurance Cell (IQAC) Guidelines

### INTRODUCTION

Antyoday Mission's Jeevan Vikas Mahavidyalya, Devgram was started in 1996 with mere Arts faculty and since then marching on all fronts in academic, sports, cultural, research, skill development and placement. During this journey, the college has achieved many important milestones of national standard and got new coinage. But still we did not reach our 'Manzil' (Goal). We have capable intellectual resources but still these resources are not discernible in applied way. If we continue our work with the current pace, we will not be able to achieve our aim and hence the college IQAC guidelines have been prepared to synchronize working speed with global quality culture to get new global identity because we know sky is the limit. And these guidelines would help to travel on set path.

### VISION

"To make academic and research quality the defining element of higher education at global level with the transformation of society."

### MISSION

- Act college as a research institute.
- Improve academic excellence.
- Develop IT culture.
- Strengthen college society relations
- Organize sports activity for Olympic.
- Enhance the placement ratio to prestigious position.
- Impart moral values to become responsible ideal citizen.
- Work for the conservation of Environment.
- Build the system of good governance in all units.

### *WHAT IS THE NEED OF THIS?*

We know promotion during service as per eligibility is our right and that you will get. But at the same time, as an employee we have to shoulder the responsibility of the institution and society also. We cannot waver from this. For this we will have to work with devotion and continually breaking the

routine framework. Then this would be possible. Hence these IQAC guidelines are prepared. It will give new identity to everyone and at the same time pleasure.
