2.1.1 The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners.

The institute assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners.

The Institute identifies slow learners and advanced learners by considering the four different criteria in the academic year.

1. Academic Performance of the students of previous board / university examination is considered.
2. Interaction with the students in introductory session and during Orientation Programme & Bridge Courses.
3. Internal Exams, Class Tests, Seminars, Group Discussion, Projects are considered.
4. Performance of the students in Question Answer Session, Tutorials and Practical's are also considered.

At the beginning of Academic year, Bridge Courses are conducted for the newly admitted students to acquaint them with program and courses. A systematic evaluation process consisting of Class Tests, Seminars, Group Discussion & Class Performance is followed to assess the learning level of students.

Activities for Slow Learners:

1. Academically Slow Learners are given individual attention in the classroom.
2. Special guidance is given to boost up their confidence level required to reach desired academic goal.
3. Remedial coaching is provided to Slow Learners to make their concepts clear.
4. Individual academic counselling, problem solving sessions and revision sessions are also conducted.
5. Special English Language coaching classes are conducted for students who are deficient in language skills.
6. Evaluation of slow learner students is reviewed after each semester to ensure improvement in their performance.
7. To enhance their confidence level, departments conduct activities like personality development, soft skill development workshops.
8. Guardian Teacher talks with their parents to make the interaction more effective and result oriented through Student Teacher Guardian Scheme.
9. Study material and question bank are provided for revision and preparation of university exam.
10. Conducive environment is given to improve their pace in learning.

Activities for Advanced Learners:

1. Participatory & innovative teaching learning process is implemented for advanced Learners.
2. Special guidance is provided to these students to participate in various competitions such as i.e. ChemiQuiz competition, project competition, debate competition etc.
3. Advanced learners are motivated to participate in national & international conferences, seminars.
4. Students having research inclination are guided to undertake research projects and motivated to participate in research activities like AVISHKAR, a research convention and research publication.
5. Students are motivated to appear for competitive examinations such as NET/SET/GATE/StaffSelection/Banking/ MPSC.
6. Students are guided for effective use of library resources i.e. NLIST, DELNET, EBooks, E-Journals.
7. Reference books are provided from departmental library.
8. Mentors motivate the students to use YouTube Videos and Sway am-NPTEL learning materials.
