## 2.5.1 Mechanism of internal assessment is transparent and robust in terms of frequency and mode

### Academic Session 2022-2023

The mechanism of internal assessment in the institution is transparent and robust. It follows the regulations and guidelines of Rashtrasant Tukdoji Maharaj Nagpur University, Nagpur (MS) for the internal evaluation process of theory & practical subjects. At the beginning of academic session, college forms internal assessment committee for effective implementation of internal assessment of the students. Internal assessment committee prepares yearly calendar with the consultation of all the heads of departments for smooth functioning of internal assessment. The process of conducting internal assessment and examination is informed to students and parents during the orientation/induction program. The program of internal assessment is prepared and posted on the institution's website and circulated for staff and students.

The syllabus for internal assessment is informed to students in the class by the subject teachers one week in advance. The question papers and scheme of evaluation are prepared by the subject teachers as per university syllabus and guidelines. The departmental internal exam coordinator and HOD moderate the question papers after considering Programme Outcome and Course Outcome. To ensure transparency, students have to write answers in the answer books which is provided by the college.

The internal evaluation begins in the classroom by conducting unit tests. For every subject, two internal Assessment tests are conducted as per university directions. The marks obtained in internal assessment tests are included in the mark sheets. Throughout the academic year, the performance of the students is assessed by assignments submission, project works, seminar presentation, group discussion, study tour, case study and practical work.

Subject teachers evaluate the answer sheets and give suggestions to students with counselling on how to improve the answers. The evaluated answer sheets are provided to the students for their overall observation. Transparency in internal evaluation is ensured by displaying marks on the departmental notice board. If any grievance, students concern to the subject teachers for the corrections. The subject teachers deal with the students problems regarding evaluation and allotted marks. If the student is not satisfied, the matter is placed before the Head of department.

After internal assessment process, the answer books, assignments, projects, survey reports, case studies, field visit reports are collected and preserved in the departments. For transparency in internal assessment, advance mentoring, academic calendar, grievance redressal, and displaying of internal marks are practiced.

Written-Test, Practical Examination, Multiple Choice Question (MCQ), Online Exam, Quiz Competition, Assignments Submission, Projects Reports, Seminars Presentation, Group Discussion, Survey Methods, Study Tour, Industrial Visits and Field Visits are the modes of conducting internal assessments
