About the Seminar

As the educational spectrum of the country has witnessed a transformation with respect to the change in focus contextualizing higher education, the relevance of exploring, revising, upgrading and redesigning our methods of teaching, learning and evaluation has become of paramount importance. As educators, it has become necessary to have a dialogue- raising questions, seeking answers, interpreting evidence, implementing changes and examining their effects – without which teaching, learning and evaluation remains an empty and intellectually unfulfilling mechanical process.

In this context, the National Seminar on Teaching, Learning and Evaluation aims to bring under one roof academic administrators, faculty members and policy makers to share views and ideas about new possibilities of delivering education and conducting evaluation. It would also help to those interested in serving students of different backgrounds and abilities, through effective teaching – learning experiences. The educators by sharing the most successful, innovative and practical ideas and strategies will be assisting each other in becoming more effective in their positions. The seminar is an effort to produce a distinctive way of thinking about how teaching and evaluation in higher education influence the quality of student- learning. Today's students need to know not only the basic reading and arithmetic skills, but also skills that will allow them to face a world that is continually changing. Educators need to take an active role in greater integration of technology and teaching; improved way of increasing pace and extent of learning as well as making decisions about the purpose of assessment and the content that is being assessed. Hence, this seminar hopes to play a pivotal role in enabling the evolvement of new ideas through peer discussions and scholarly engagements and to disseminate these among the stakeholders.

Objectives

In order to understand the process of Teaching, Learning & Evaluation in higher educational institutions in India, the seminar is carried out with the following objectives-

Two-day National Seminar on “Teaching, Learning and Evaluation”: A Brief Report

Introduction

A Two-day National Seminar entitled “Teaching, Learning and Evaluation” was organized by Internal Quality Assurance Cell (IQAC), Jeevan Vikas Mahavidyalaya, Devgram (Thugaondeo) on February 22-23, 2020 in academic collaboration with National Assessment and Accreditation Council (NAAC), Bengaluru. The seminar brought together academic administrators, stakeholders of Higher Education, IQAC Co-ordinators, faculty and research scholars to exchange their views and ideas on the process and strategies of Teaching, Learning and Evaluation. It was indeed an academic exercise intended to assist the participants to become more effective, creative and productive in their endeavours. The highlight of the programme was incorporating technology in working of teaching-learning process which in turn led to a qualitative change in our attitude towards education.

Inaugural Function

Registration was open till 11.00 am on the first day. More than 102 delegates from various parts of the country participated in the seminar. The seminar began lighting lamp and invocation to God Almighty, followed by University Song and a Welcome Song by Dr. Pramod Bais and chorus. A song of Equality of Religions (Sarva Dharma Samabhav) was also sung on this occasion. At the outset, Dr. Devendra Bhongade, Principal of the College welcomed the guests and made an introductory remark. The Inaugural Function was presided over by Hon’ble Dr. Bhaskar Vighe, Vice President of the Society. Prof. Ajay Deshmukh, Registrar, New Mumbai University, Mumbai inaugurated the seminar and addressed the gathering. Prof. Pramod Pabrekar, Senior Consultant, RUSA, Government of Maharashtra, Mumbai delivered Key-note address. Mr. P. R. Raja Rao, Treasurer, Antyodaya Mission

Society & CEO, Arvind Sahakari Bank and Dr. Yogesh Sarode, Organizing Secretary of this Seminar were also present on the dais on the occasion.

After flower welcome, few guests- the academic stalwarts in the field of Higher Education were felicitated at the hands of the Dr. Bhaskar Vighe, Vice President of the Society presenting them shawl and mementos. The Inaugural Programme was marked by unveiling the CD of 39 Peer Reviewed research papers at the hands of the guests present on the dais. The papers were published in UGC Care listed National E-Journal 'Our Heritage'. Ms. Pranali Ingole anchored the session and Dr. Yogesh Sarode proposed the Vote of Thanks.

In the beginning of the session few best papers were read and the audience had an insight into the issues and concerns about the assessment and accreditation of Higher Education.. The speakers focussed on Higher Education; the vision and strategies of NAAC towards higher educational institutions regarding assessment and accreditation to suit the need of the hour and compete with global scenario. The objective of this effort was to inspire and promote higher educational institutions for accreditation. Dr. Ravindra Sarode, Asstt. Professor of Sant Gadge Baba Amravati University worked as Raporteur.

Discussion Forum

The post-lunch session was in the form of Discussion Forum chaired by Dr. Ajay Deshmukh, Registrar, New Mumbai University. Dr. Pramod Pabrekar, Sr. Consultant, RUSA, Govt of Maharashtra was the Resource Person in this session. Dr. Nitin Mathankar, Principal, V. K. Arts College, Rohana interviewed the guests. The participants also raised questions related to NAAC process and the strategies of RUSA regarding resource allocation to institutions. Dr. Pabrekar answered to their queries. Dr. Kapil Singhel of Vasantao Nail Government College, Nagpur worked as Raporteur. It was indeed a useful and interactive session as there was a two-way dialogue.

Technical Session-II: (Innovations and Best Practices in Teaching-Learning)

Dr. Virendra Jumade, Principal, Haribhau Admane Arts & Commerce College, Saoner chaired this session. The discussion in this Technical Session was about “*Innovations and Best Practices in Teaching-Learning process*” in higher education and was led by two Resource Persons- Dr. Jeevan Dontulwar, Principal, Mohata Science College, Nagpur and Dr. Ashish Raut, Co-ordinator, IQAC, Shivaji Mahavidyalaya, Akola. Dr. Yogesh Banginwar of

Arts & Science College, Pulgaon was the Raporteur. The main focus of this session was on general aspects of innovations and best practices in teaching-learning of higher education. How the innovative and best practice offer customized support to help teachers develop problem-solving abilities; explore new ideas in existing lessons, and make positive changes in their teaching styles. They also gave an insight about guiding teachers in their practices; help teachers strategize and find effective ways to accomplish or change an instructional practice; provide ideas for overcoming obstacles in instruction; assist in the development of classroom management plans; procure resources for specific needs and inform teachers about upcoming educational opportunities. Day One of the Seminar concluded with paper presentations from learned scholars and the sessions were conducted in two venues concurrently.

Technical Session-III: (Use of ICT in Modern Teaching-Learning Process)

The Second Day of the Seminar commenced with paper presentations at 10.00 am and followed by fruitful discussions. This technical session of the second day dealt with “*Use of ICT in Modern Teaching-Learning Process*” and was led by Dr. Sawan Dharmapuriwar, Co-ordinator, IQAC, Arts College, Ramtek and Dr. Anil Dodewar, Co-ordinator, IQAC, Mahila Mahavidyalaya, Nagpur. Dr. Prakash Yawalkar, Associate Professor and Co-ordinator, IQAC, Nabira Mahavidyalaya, Katol worked as Raporteur. Dr. Haribhau Verulkar, Principal, Arts, Commerce & Science College, Arvi chaired the session. The session focussed on Integration of ICT in teaching-learning attitude of students, creativity, knowledge construction, learning environment, teaching strategies, problem solving skills and understanding concepts using various tools. The Resource Persons also focused on how it helps learner’s keeping record of information in electronic version and understand different concepts on the basis of self- learning; different forms of Multimedia channels that provide information about content knowledge, understanding of different concepts, variety of approaches and expertise. The talk was indeed productive and participants thoroughly enjoyed the session and commented it as truly rewarding.

Technical Session-IV: (Future Perspective in Teaching-Learning Process)

The afternoon session was on “*Future Perspective in Teaching-Learning Process*” and was led by Dr. Dhanraj Shete, Principal, Yashoda Girls College, Nagpur and Dr. Ajay Karkare, Principal, Rani Laxmibai Mahavidyalaya, Sawargaon. They talked on future perspective in Teaching- Learning Process. Dr. Vijay Dhote, Principal, Arvindbabu Deshmukh Mahavidyalaya, Bharsingi chaired the session while Prof. Sunil Narnaware, Librarian, Nagar Parishad Shivaji Mahavidyalaya, Mowad was the Raporteur. Here the focus of speakers was on Teachers of the future. They are to educate and prepare students to meet the demands of the post-secondary arena and job market. Teachers of the future will focus less on testing and more on the teaching skills that place students on a trajectory to meet testing demands and beyond. The teachers of the future will have greater confidence and will become more advanced in their ability to teach beyond the test. Paper-pencil tests have their place in assessing a student’s level of understanding of concepts. Life is filled with tests, many of which will not be on paper but on one’s ability to apply various skills. Teamwork and communication skills with proper use of technology would be effective for future students of global scenario. Hence, it is important to incorporate skills that provide equilibrium and reach all learners, said the speakers.

Panel Discussion

Soon after the lunch, Panel Discussion was organized in which few stalwarts discussed with participants on few themes of the seminar which were of paramount importance from the subject point of view. The Informative session was followed by question answers where in participants candidly asked their queries to the experts and got apt and satisfactory replies. All expressed satisfaction for having fruitful discussion.

Valedictory Session

The two-day National Seminar finally came to an end with an informal feedback in the Valedictory session. Dr. Yogesh Sarode, Organizing Secretary very remarkably summarized the seminar report. It was further followed with the certificate distribution to the participants. Finally, the College Principal thanked the Organizing Secretary for his competence and perseverance for organising such a national academic activity, and the delegates for their participation and support. He also congratulated the staff, members of organizing committee and the unseen heroes behind the success of this seminar whose meticulous planning, ideal execution of duties and hard work made the Seminar possible. The Seminar was ended with Rashtra Vandana.

Breakfast & Lunch

On both day, breakfast was served to the participants between 9.00 am to 10.00 and a good quality of lunch was organized and served to the guests and the participants in the lush garden of the college premise from 1.00 pm to 2.00 pm. Everyone enjoyed the delicious food and expressed satisfaction.

Outcomes

Most of the participants expressed their feelings about the National Seminar and admired the administration, punctuality and organization of the Seminar. The on-line Feedback Forms sent to the participants on their e-mail Ids were collected. These helped the Organizing Committee to know the response of the participants about the seminar and to improve the quality or lacunas if any. The Seminar generated a lot of enthusiasm among the participants. More than 102 teachers, IQAC Co-ordinators registered for this Seminar. Total 72 research papers were received, out of which a good quality of 41 research papers were published by the College in reputed UGC Care listed e-Journal 'OUR HERITAGE', (Link: <https://archives.ourheritagejournal.com/index.php/oh/issue/view/72>) for the benefit of the

research scholars and for those interested in this subject. At the same time, good churning of thoughts on the various themes of this seminar was carried out which clarified the ideas and added to their knowledge. In future, definitely it would prove great source information and knowledge to the government in planning and decision for future strategies.
