Main points of the program : The best advantage of poster making is that it facilitates team work and understanding along with facilitating creative thinking and extensive research and reading. The aptitude tests for recruitment take special ones to evaluate the candidate's skills and performance. It will boost their levels higher and be able to identify their talents well. The candidate skills are essential as it delivers success and scores good results. Students actively participated in this program and express their skill through their posters. Students also give Aptitude Test to boost their knowledge.
