## Report on Blood Donation

**Name of Activity:** Blood Donation

**Date of Activity:** 17 February 2024

**Venue:** Antyoday Mahavidyalaya, Devgram

**Objective:** To encourage voluntary blood donation and raise awareness about its importance.

On 17th February 2024, Antyoday Mahavidyalaya, Devgram, in collaboration with the Primary Health Center (PHC) Jalalkheda, organized a blood donation camp at the college premises under the auspices of the National Service Scheme (NSS). This initiative aimed to promote the importance of blood donation and contribute to saving lives by engaging the local community. The event witnessed a significant participation of 134 individuals, comprising students, faculty, and members of the local community, all of whom generously volunteered to donate blood. The camp was well-coordinated, with medical professionals from PHC Jalalkheda ensuring the safety and well-being of all donors. The participants demonstrated great enthusiasm and social responsibility, understanding the critical role of blood donation in medical emergencies and healthcare. The event not only facilitated the collection of blood for those in need but also raised awareness about the health benefits of donating blood. This initiative highlights the college's commitment to social causes and its active involvement in community service, promoting a culture of giving and compassion.

**Impact:** The drive not only saved lives but also fostered a sense of community responsibility among students

## REPORT ON HEALTH/EYE/IMMUNISATIONS CAMPS

**Name of Activity:** Health/Eye/Immunisations Camps

**Date of Activity:** 27 January 2024

**Venue:** Antyoday Ayurvedic Hospital, Devgram

**Objective:** To provide essential health services and screenings to the community.

On 27 January 2024, a significant health initiative was conducted under the auspices of Jeevan Vikas Mahavidyalaya, Devgram, in collaboration with the Primary Health Centre (PHC) of Jalalkheda. The event was held at the Antyoday Ayurvedic Hospital in Devgram, with the active participation of students from the National Service Scheme (NSS). The primary objective of the camp was to offer comprehensive health services, including eye check-ups and immunisation, to the local community. A total of 260 participants attended the camp, comprising individuals from nearby areas who were in need of essential medical services. The camp was meticulously planned, with the collaboration of medical professionals and volunteers, ensuring the smooth operation of the event. It provided free eye check-ups, where individuals were examined for vision problems, and corrective measures, such as prescription glasses, were offered to those in need. Additionally, immunisation services were provided to children and adults, ensuring that the community received necessary vaccinations to protect against preventable diseases.

The camp also focused on general health consultations, where participants could consult with doctors about their health concerns. Public health awareness was also emphasized, with sessions educating attendees about maintaining a healthy lifestyle and preventing common ailments. The successful execution of the health, eye, and immunisation camps demonstrated the commitment of Jeevan Vikas Mahavidyalaya, Devgram, to the well-being of the local population. The collaboration with PHC, Jalalkheda, and the support of NSS volunteers ensured that the event was both impactful and beneficial to the community.

**Impact:** These camps significantly improved health awareness and access to medical services in the community.

## Report on Cleanliness Activities Organised under Swaccha Bharat Abhiyan

**Name of Activity:** Cleanliness Activities Organised under *Swaccha Bharat Abhiyan*

**Date of Activity:** 14 March 2022

**Venue:** Devgram Village

**Objective:** To promote cleanliness and hygiene.

On 14 March 2022, a significant cleanliness drive was organized in Devgram village as part of the Swachh Bharat Abhiyan. This initiative was jointly conducted by Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU) and Jeevan Vikas Mahavidyalaya, Devgram, under the banner of the National Service Scheme (NSS). The campaign aimed to promote cleanliness, environmental conservation, and public health awareness among the residents and student volunteers. A total of 395 participants, including NSS volunteers, students, faculty members, and local residents, actively engaged in the activities. The event included a comprehensive village cleaning drive, waste collection, proper waste disposal, and awareness sessions highlighting the importance of maintaining hygiene and sanitation. The participants worked tirelessly to clean public spaces, roads, and community areas, ensuring the village environment remained clean and free from waste accumulation. The team has tried to raise awareness about waste segregation, recycling, and the long-term benefits of a clean and healthy environment. The volunteers encouraged local residents to adopt sustainable practices, such as minimizing the use of plastic and promoting biodegradable alternatives.

The initiative was met with positive responses from the local community, who expressed appreciation for the collaborative efforts. The event emphasized the values of collective responsibility, community service, and environmental stewardship. The success of the cleanliness drive reflected the dedication of RTMNU, Jeevan Vikas Mahavidyalaya, and the NSS team to fostering a cleaner, healthier, and more sustainable environment in line with the goals of the Swachh Bharat Abhiyan.

**Impact:** Fostered a culture of cleanliness and hygiene in the community.

## Report on Malnutrition-Visit to Tribal Area

**Name of Activity:** Malnutrition-Visit to Tribal Area

**Date of Activity:** 25 March 2022

**Venue:** Umatha Village

**Objective:** To involve the local population in discussions about sustainable ways to overcome nutritional challenges.

On March 25, 2022, a field visit addressing the issue of malnutrition was organized in Umatha village by the National Service Scheme (NSS) unit of Jeevan Vikas Mahavidyalaya, Devgram. This important outreach program aimed to assess the nutritional status of the local tribal population and raise awareness about proper nutrition, health care, and dietary practices. A total of 132 participants, including NSS volunteers, faculty members, and healthcare professionals, took part in the initiative. During the visit, the team conducted health check-ups, including measuring the height and weight of children to monitor growth and detect signs of malnutrition. Information sessions were also held to educate the villagers on balanced diets, the importance of vitamins and minerals, and practical ways to prepare nutritious meals using locally available food resources.

In addition to providing health guidance, the NSS team distributed nutritional supplements and educational materials to the villagers. Efforts were made to inform mothers and caregivers about infant and child feeding practices, hygiene, and the importance of sanitation in preventing diseases. The community engagement during the visit highlighted the challenges faced by tribal populations regarding access to adequate healthcare and nutrition. The program served as a critical step in building awareness and promoting solutions to combat malnutrition in remote areas. The efforts of Jeevan Vikas Mahavidyalaya's NSS unit underscored their ongoing commitment to social welfare, public health, and the upliftment of underprivileged communities.

**Impact:** Many villagers, especially women, gained valuable knowledge about nutritional health, child care, and hygiene practices. It demonstrated that through education, awareness, and support, significant strides can be made toward improving public health and empowering vulnerable communities.

## Antyoday mahavidyalay devgram conducted eradication of malnutrition program

By SANJAY BHOSLE

Antyoday Mahavidyalay, Devgram Conducts Malnutrition Eradication Program Date: 25 march 2022

Antyoday Mahavidyalay, Devgram, successfully organized a malnutrition eradication program at Village Umtha, Tah. Narkhed, Dist. Nagpur. The program was led by Dr. Mangesh Acharya (NSS Head), Prof. Avinash Nimbhorkar, Prof. Suraj Nimburkar, Ashiya Sheikh, Salman Khan, and other students. The program aimed to raise awareness about malnutrition, its adverse effects, and the importance of a balanced diet and hygiene among the villagers. Pregnant women and young children were given special attention, and they were provided with information about their nutritional needs. Objectives of the program: To reduce malnutrition rates in the village. To create health awareness among villagers. To emphasize the importance of a balanced diet. To promote the importance of hygiene. Highlights of the program: A play to raise awareness about malnutrition. A health checkup camp. An exhibition of nutritious food items. Dr. Mangesh Acharya, Antyoday Mahavidyalay, Devgram, highlighted the significance of the program by stating, "Malnutrition is a serious issue, and it is imperative that every member of society comes forward to combat it."

## Report on Mask Distribution Drive

**Name of Activity:** Mask Distribution Drive

**Date of Activity:** 11 February 2021

**Venue:** Devgram Village

**Objective:** To promote the use of masks as a preventive measure against COVID-19.

A mask distribution drive was organized in Devgram Village as part of an extension activity to combat the spread of COVID-19. The initiative was jointly undertaken by the Grampanchayat Devgram, Jeevan Vikas Mahavidyalaya, Devgram, and the National Service Scheme (NSS). The event aimed to provide masks to the residents of Devgram Village, raise awareness about the importance of mask-wearing, and promote hygiene practices during the pandemic. A total of 183 participants, including NSS volunteers, local leaders, and community members, actively contributed to the success of the program. Masks were distributed to villagers, particularly targeting underprivileged households, through a well-coordinated door-to-door campaign. Volunteers adhered to strict COVID-19 protocols, ensuring safety and instilling confidence among the residents. In addition to the distribution, brief awareness sessions were conducted to educate people on the correct usage of masks and the significance of maintaining social distancing and hand hygiene. The initiative not only provided essential resources to the community but also fostered a sense of solidarity and responsibility among the participants. Mahavidyalaya, and NSS proved to be highly effective in addressing the immediate needs of the community while promoting long-term health and safety practices. This event set a benchmark for similar initiatives in rural areas and highlighted the importance of collective action in tackling global crises like the COVID-19 pandemic.

**Impact:** Increased compliance with health guidelines and promoted a culture of safety within the community.

## **Report on Medicine & Sanitizer Distribution**

**Name of Activity:** Medicine & Sanitizer Distribution

**Date of Activity:** 15 January 2021

**Venue:** PHC, Jalalkheda and Devgram

**Objective:** To ensure access to essential health supplies during the pandemic.

On January 15, 2021, a significant public health initiative focusing on the distribution of essential medicines and sanitizers was jointly organized by the Primary Health Centre (PHC) in Jalalkheda and Jeevan Vikas Mahavidyalaya, Devgram. This event was conducted under the National Service Scheme (NSS) as part of their community outreach and health awareness efforts. A total of 160 participants attended the event, reflecting strong community engagement and participation. The program aimed to promote hygiene practices and support public health by providing vital resources such as sanitizers and medications to the community amid the challenges posed by health crises. The collaboration between local health authorities and educational institutions highlighted the importance of collective action in safeguarding community well-being. Volunteers and medical professionals facilitated the distribution process, ensuring that all attendees received necessary supplies. The event also emphasized spreading awareness regarding preventive health measures and hygiene protocols to combat the spread of infections. This initiative demonstrated the NSS's continued commitment to promoting public health, fostering social responsibility, and building community resilience.

**Impact:** Improved health and hygiene practices in the community, reducing the risk of infection.

## ANALYTICAL REPORT: EXTENSION AND OUTREACH PROGRAMS

(2023-2024)

### Introduction

The academic year 2023-2024 witnessed Antyoday Mahavidyalaya, Devgram, actively engaging in a series of extension and outreach initiatives aimed at community development, public awareness, and environmental sustainability. Collaborating with various industry partners, community groups, and NGOs, these activities were predominantly conducted through the National Service Scheme (NSS) platform in partnership with Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU) and Jeevan Vikas Mahavidyalaya. This report provides an analytical overview of the programs conducted, highlighting their impact and participation rates.

### 1. Advocacy for Social Awareness and National Initiatives

- **International Campaign for Nuclear Disarmament (6 August 2023):** With 145 participants, this campaign underscored the urgency for global peace and the elimination of nuclear weapons. It served as an effective platform for educating the community on the importance of disarmament.
- **Voter Literacy Campaign & Voter Literacy Agreement with Maharashtra Government:** These initiatives, with a combined participation of 469, promoted electoral participation and awareness. These programs are significant in empowering citizens and ensuring inclusive and informed voting practices.
- **Har Ghar Tiranga Abhiyan (11-15 August 2023):** Engaging 398 individuals, this program encouraged patriotism and unity, commemorating the national flag as a symbol of collective identity.
- **Run for Unity and Ek Bharat Shrestha Bharat:** With 258 and 246 participants, respectively, these events celebrated national integration and emphasized the importance of unity among diverse cultural groups.

### 2. Environmental Conservation Initiatives

- **Tree Plantation:** In collaboration with the Grampanchayat, Devgram, and Shashikala Foundation, this initiative involved 230 participants in tree plantation, highlighting community commitment to reforestation and environmental preservation.
- **Plastic-Free Village Campaigns:** Conducted in November and with 204 participants, these activities focused on educating locals about the impact of plastic waste and fostering environmentally conscious habits.
- **Eco-Friendly Celebrations (Rakshabandhan and Holi):** Engaging over 184 participants, these events promoted eco-friendly alternatives in cultural celebrations, encouraging sustainable and respectful observance of traditional festivities.

- **Awareness on Renewable Energy:** Aimed at enlightening the community on sustainable energy sources, this initiative had 143 participants and emphasized the long-term benefits of renewable energy use.

### 3. Health and Wellness Programs

- **Blood Donation and Health Camps:** Conducted with support from the Primary Health Center (PHC), Jalalkheda, these camps offered medical services to 394 participants. The blood donation drive and various health check-ups were instrumental in providing crucial health services to the rural population.
- **Fitness and Wellness Events (Fit India Movement):** Engaging 230 participants, this event encouraged physical activity and wellness, aligning with the national Fit India campaign's objectives.
- **AIDS/Environmental Awareness Programs:** With 274 attendees, these programs highlighted important health topics, raising awareness about AIDS, environmental sustainability, and other critical health issues.

### 4. Skill Development and Economic Awareness Programs

- **Work on Digital Literacy and Cashless India:** With a combined attendance of 278, these programs focused on empowering community members with digital skills, essential for thriving in an increasingly digital economy.
- **One-Day Workshop on Career Opportunities in Fashion Designing:** This workshop attracted 104 participants, equipping students with skills relevant to the fashion industry, offering them insights into career paths in this sector.
- **Pradhan Mantri Yojanas (Jan Dhan, Jeevan Bima):** Focused on financial literacy and insurance awareness, these programs saw nearly 362 participants, aiming to familiarize citizens with financial security and banking facilities, supporting national financial inclusion initiatives.

### 5. Cultural and Heritage Activities

- **Ganeshotsav and Navratri Mahotsav:** These events, with a high engagement of around 473 participants, included cultural programs, fostering a sense of community, cultural appreciation, and participation among students and local citizens.
- **Meri Mati Mera Desh:** This program, which included 149 participants, encouraged the celebration of the nation's heritage, strengthening cultural bonds and a sense of pride among participants.
- **Patang Mahotsav and Eco-Friendly Festivals:** Through events like Patang Mahotsav, Antyoday Mahavidyalaya celebrated cultural heritage in an eco-friendly manner, involving 168 participants in a traditional and environmentally respectful way.

### 6. Civic Engagement and Community Cleanliness

- **Swachh Bharat Abhiyan and Gram Swachhta Abhiyan:** These cleanliness drives saw impressive participation from 294 individuals, promoting hygiene and environmental

responsibility. The activities helped instill a sense of ownership and responsibility toward maintaining a clean environment.

- **Samuh Rashtra Gaan and Cleanliness Bike Rally:** With a cumulative attendance of 787, these events promoted national pride and public responsibility, encouraging the community to work together for a cleaner and more unified society.

### Impact Analysis

The outreach programs conducted by Antyoday Mahavidyalaya, Devgram, demonstrated a commitment to multi-faceted community development. Through these diverse programs, over 5,000 participants were engaged, reflecting the institution's active involvement in addressing social, environmental, and economic issues. The partnership with local government bodies, health centers, and NGOs amplified the reach and effectiveness of each initiative. Furthermore, the NSS's role in facilitating these activities underscores its importance as a cornerstone for social responsibility and community engagement.

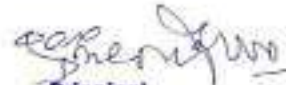

These activities not only promoted awareness and participation in national campaigns and programs but also created a platform for students and community members to contribute actively to societal welfare. By focusing on areas such as environmental conservation, health, skill development, cultural heritage, and digital literacy, Antyoday Mahavidyalaya has significantly contributed to the holistic development of its community.

### Conclusion

The extensive outreach programs conducted by Antyoday Mahavidyalaya for the 2023-2024 session have effectively mobilized the community toward sustainable development, health awareness, national unity, and cultural celebration. The success of these programs, as indicated by strong community participation, emphasizes the institution's dedication to fostering civic responsibility and enhancing community welfare through strategic collaborations with industry, government, and non-governmental organizations. Going forward, the Mahavidyalaya aims to sustain these efforts, continuing to engage, educate, and empower the community through focused outreach and extension activities.

  - ***Ek Bharat Shrestha Bharat:*** Aimed at fostering cultural exchange, this initiative had 165 participants and encouraged understanding and unity among diverse communities.
  - ***Bike Rally:*** The rally, attended by 294 participants, promoted road safety awareness and unity among the youth in the local area.

### **Participation and Impact Analysis:**

The extension and outreach programs conducted during 2022-2023 witnessed a cumulative participation of 5,160 individuals across 24 initiatives, reflecting a robust engagement from both students and the community. The high participation rates in health camps, environmental initiatives, and social awareness programs underscore the community's interest in health and sustainable development. Additionally, the focus on digital literacy, skill development, and

cultural activities highlights the college's commitment to preparing students for societal roles beyond academics.

### **Conclusion**

The 2022-2023 academic year was marked by significant progress in community engagement through the NSS unit at Antyoday Mahavidyalaya, Devgram. These initiatives not only addressed pressing social, environmental, and health issues but also fostered a sense of responsibility and civic consciousness among students and community members. Through sustained collaborations with NGOs, government bodies, and local organizations, the college has effectively contributed to the holistic development of its students and the empowerment of the surrounding community. Moving forward, the continuation of such programs will enhance the institution's impact on societal well-being, promoting a culture of empathy, unity, and proactive engagement.

**Total Activities Conducted: 20**

**Analysis**

**1. Health and Wellness Initiatives**

Programs targeting health awareness, wellness, and fitness formed a significant portion of the outreach activities:

- **Blood Donation and Health Camps:** Conducted in collaboration with PHC Jalalkheda, these programs reached 572 participants, highlighting the importance of blood donation and preventive healthcare. The immunization, eye, and health camps also played a crucial role in enhancing healthcare access for the community.
- **Tobacco-Free and AIDS/Environment Awareness Programs:** These initiatives were vital in promoting a healthy lifestyle, fostering greater environmental consciousness, and addressing significant social health issues.

**2. Social Awareness and Welfare**

Several initiatives were organized to raise awareness about various government welfare schemes and social causes:

- **Ujjwala Yojana, Jan Dhan Yojana, and Jeevan Bima Yojana:** These programs reached over 470 participants, aiming to educate the public on government welfare schemes that provide financial inclusion, insurance, and benefits to economically disadvantaged groups.
- **International Campaign for Nuclear Disarmament and Youth Information Ambassador Workshop:** These campaigns aimed to foster a socially conscious mindset among the youth, aligning with the college’s mission to build informed and responsible citizens.

**3. Environmental and Cleanliness Drives**

- **Tree Plantation and Mission Cleanliness (Swachh Bharat Abhiyan):** With nearly 800 participants engaged in these programs, the college underscored its dedication to environmental conservation and cleanliness. These initiatives were particularly impactful in fostering community engagement in sustainable practices and supporting India's mission for a cleaner environment.
4. **Technological and Financial Literacy**
- Recognizing the importance of digital awareness and financial inclusion, the college introduced programs focusing on:
- **Digital Literacy, Cashless India, and Renewable Energy Awareness:** Engaging 620 participants, these activities educated the community on digital transactions, the importance of renewable energy, and the steps toward a cashless society, bridging the digital divide and fostering economic inclusivity.
5. **Fitness and National Integration**
- **Fit India Movement, International Yoga Day, and Run for Unity:** These activities engaged around 700 participants and were designed to promote physical health and foster unity among citizens. Through these events, the college advocated for the importance of fitness and national solidarity, celebrating both physical well-being and cultural unity.
6. **Skill Development and Cultural Engagement**
- **Skill-Based Activities and Ek Bharat Shreshtha Bharat:** With a focus on skill-building and cultural awareness, these programs attracted 390 participants. Ek Bharat Shreshtha Bharat fostered cultural exchange and national integration, while the skill development initiatives equipped individuals with practical skills that can enhance their employability.

### **Impact and Key Outcomes**

- **Community Health and Safety:** Health camps, blood donation drives, and wellness programs collectively improved community health awareness, providing preventive healthcare services to hundreds of participants.

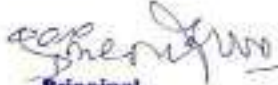

- **Environmental Responsibility:** The extensive involvement in environmental conservation initiatives instilled a sense of responsibility toward sustainable practices, reflecting the college’s environmental commitment.

## Analysis

### 1. Pandemic Response and Health Awareness

The majority of the programs were directed toward COVID-19 relief efforts and health awareness:

- **Corona Awareness and Essential Distribution:** The campaign, which involved both PHC Jalalkheda and Jeevan Vikas Mahavidyalaya, provided essential supplies to the community, benefiting 158 individuals. This program played a vital role in raising awareness about COVID-19 safety measures and fulfilling immediate community needs during the pandemic's initial wave.
- **Mask, Medicine, and Sanitizer Distribution:** Collaboration with local governance, such as Grampanchayat Devgram, allowed the college to distribute essential hygiene products to over 300 individuals. This initiative helped mitigate the spread of COVID-19 within the community, emphasizing preventive practices.
- **Vaccination Awareness Week and Vaccination Camp:** Recognizing the importance of vaccination, the college conducted awareness campaigns and set up vaccination camps. These programs reached 170 individuals, fostering a pro-vaccination mindset and providing access to vaccines.

### 2. Legal Aid and Social Support

- The **Vidhi Seva (Legal Aid)** initiative, conducted in collaboration with legal professionals from Nagpur, provided essential legal guidance to 120 community members. This program broadened access to legal support and educated participants on their rights and resources during the pandemic, contributing to community resilience in times of crisis.

### 3. Environmental Conservation

- **Tree Plantation** and **Mission Oxygen** were conducted to address environmental concerns while aligning with the institution's commitment to sustainability. These programs engaged over 150 individuals in conservation efforts, underscoring the importance of ecological balance even during a global health crisis. Mission Oxygen, particularly significant during the oxygen supply shortages of 2021, symbolized the institution's responsiveness to both human and environmental health.

### 4. Community Engagement and Participation

- The programs demonstrated strong community involvement, with a cumulative participation of over 900 individuals. By addressing both immediate health concerns and long-term sustainability, Antyoday Mahavidyalaya successfully engaged its community in meaningful outreach that combined public health, legal support, and environmental action.

## Impact and Key Outcomes

- **Health and Safety Promotion:** The institution's programs were crucial in educating the community on COVID-19 safety measures, the importance of vaccination, and ways to prevent the virus's spread. These initiatives contributed significantly to public health awareness in the region.
- **Support During Crisis:** By distributing essentials like masks, sanitizers, and medicines, the college ensured community members had access to necessary resources, easing the financial and logistical strain for those most affected by the pandemic.
- **Community Resilience and Empowerment:** Programs like legal aid sessions and vaccination awareness encouraged community resilience, empowering individuals to seek legal support, and understand health measures.
- **Sustainability Awareness:** Environmental programs emphasized sustainability, fostering a culture of ecological responsibility that extended beyond the immediate concerns of the pandemic.

## Conclusion

The extension and outreach programs by Antyoday Mahavidyalaya, Devgram, during 2020-2021 reflect a proactive response to the unprecedented challenges posed by the COVID-19 pandemic. By focusing on health awareness, resource distribution, legal support, and environmental stewardship, the institution demonstrated a balanced approach to community service. The strong collaboration with local government bodies and other organizations highlighted the Mahavidyalaya's commitment to social responsibility, and its efforts played a key role in supporting the community through a transformative period.

### **ANALYTICAL REPORT: EXTENSION AND OUTREACH PROGRAMS**

**(2019-2020)**

#### **Overview**

Antyoday Mahavidyalaya, Devgram, demonstrated a strong commitment to community service and development through its various extension and outreach programs conducted in collaboration with industries, community organizations, and NGOs. These programs were primarily organized under the National Service Scheme (NSS) and spanned diverse areas including environmental awareness, health and hygiene, skill development, and awareness campaigns on governmental schemes. This report provides an analytical overview of these activities, highlighting the scope, collaboration, and participant engagement.

**Total Activities Conducted: 26**

#### **Analysis**

##### **1. Participant Engagement:**

Over 5,000 individuals participated in these activities, demonstrating strong community engagement and an impactful reach in promoting social responsibility and awareness across various themes.

##### **2. Collaborative Efforts:**

The programs were conducted in collaboration with Jeevan Vikas Mahavidyalaya, Devgram, and numerous departmental units within the institution, such as Botany, Zoology, Chemistry, and Political Science departments, as well as the Women Study Centre. These collaborations enhanced the depth and relevance of the activities.

### 3. **Focus Areas:**

- **Environmental Initiatives:**

Activities such as tree plantation, awareness campaigns on environmental issues, rainwater harvesting, and solar energy education underscored the institution's commitment to environmental sustainability.

- **Health and Hygiene:**

Health-focused events, including blood donation camps, health awareness campaigns, and programs on contagious diseases, drew significant participation and highlighted the NSS's role in promoting public health.

- **Skill Development and Digital Literacy:**

Programs like computer literacy campaigns and skill development workshops provided participants with practical skills essential for employment and digital engagement.

- **Social Awareness Campaigns:**

Programs on women's legal rights, PM Mudra Yojana, and other socio-economic topics raised awareness on government initiatives, aiming to equip participants with knowledge on available resources and rights.

### 4. **Special Programs:**

Unique programs like the "Best Out of Waste" initiative promoted creativity and environmental consciousness by encouraging participants to repurpose waste. Additionally, educational film screenings and cultural festivals fostered cultural awareness and community spirit.

## 5. Impact on Community:

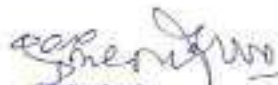

These programs played a crucial role in fostering a culture of awareness, inclusivity, and sustainability in the surrounding communities. With outreach extending to underserved populations, such as slum areas, the college emphasized community empowerment and environmental stewardship.

## Conclusion

The extension and outreach initiatives for 2019-2020 by Antyoday Mahavidyalaya, Devgram, reflect a comprehensive approach to social responsibility. The varied activities targeting environmental conservation, health promotion, skill development, and social awareness underscore the institution's dedication to holistic development. Through these programs, Antyoday Mahavidyalaya not only enhanced student learning and participation but also fostered a meaningful connection with the community, contributing positively to regional development. These outreach programs stand as a testament to the institution's commitment to sustainable and inclusive growth.
