

ABOUT US

Antyoday Mahavidyalaya, Devgram is a progressive institution committed to providing quality higher education to rural and underprivileged sections of society under the roof of Antyoday Mission founded by visionary leader and social worker Dr. Bhausahab Bhoge. Established with the vision of 'Antyoday', uplifting the last person in the social order the college has consistently strived to create an inclusive, value-based and learner-centric academic environment. It aims to empower students through knowledge, skills and ethical values, enabling them to become responsible citizens and contributors to national development.

The institution offers undergraduate and postgraduate programmes in Arts, Commerce and Science streams designed in alignment with contemporary academic standards and employability needs. With a focus on holistic development, the college promotes research, innovation, co-curricular and extension activities. It actively engages in community outreach programmes, skill development initiatives and capacity-building workshops to bridge the gap between education and societal needs.

Guided by a dedicated team of qualified faculty, the college emphasizes student-centric teaching-learning practices, use of ICT and continuous evaluation methods. The college Internal Quality Assurance Cell plays a pivotal role in maintaining and enhancing academic and administrative standards. The institution has also been proactive in implementing the National Education Policy reforms and fostering an ecosystem conducive to interdisciplinary learning and research.

As the college moves towards autonomous status, it seeks to strengthen its academic flexibility, introduce innovative curricula and promote outcome-based education. Antyoday Mahavidyalaya, Devgram foresees becoming a centre of excellence in higher education by nurturing intellectual growth, social responsibility and lifelong learning among its students.

VISION

To be a centre of excellence in higher education, empowering rural and underprivileged youth through inclusive, skill-based learning for sustainable development and global competence.

MISSION

To provide accessible and quality education, promote academic excellence, innovation and research, inculcate ethical and social values, enhance employability through skill development and entrepreneurship and contribute to community upliftment through extension and outreach activities.
